# Collin Brumbaugh Memorial Scholarship

**Two** Recipients

Awarded $1,000 each

The purpose of this scholarship is to honor Collin Brumbaugh by supporting the life-long athletic potential of Huntingdon Area High School students.

Collin loved sports! From the time he was old enough to hold a ball, he wanted to be playing something.....whether in the back yard with his big brother, Gaige, or on an organized team. He played football, soccer, and basketball, but Collin's biggest passion was for baseball. When Collin was 8 years old, he was given an assignment to write an essay about what he would be when he grew up. Without hesitation, he wrote about how he would play baseball in college and then get drafted by the New York Yankees. It is our hope by creating this scholarship, not only to keep Collin's memory alive, but also, in some small way, to help you realize your "when I grow up" dreams.
