Summer School Information

May 5, 2026

Dear Students, Parents, and Guardians,

As we approach the end of the school year, we want to share important information regarding Summer School 2026.

This year, summer school will be held online, allowing students the flexibility to attend from home while continuing their learning. However, we understand that some students may benefit from face-to-face assistance, so we also provide in-person support options on designated days throughout the program. These sessions will be held on campus and staffed by teachers to help students stay on track and get the needed help.

Please note that participation this year will be fee-based. Below are more details about course offerings, dates, and payment.

Dates and Times:

- **Session**
  - June 9 - July 17 (6 Weeks)
  - In-Person Support Hours:
    - Tuesdays, Wednesdays, and Thursdays
    - 8:00 am - 12:00 pm

Costs:

- Students and families are responsible for the full cost of the summer school course.
  - The cost for a full credit course is $400, and a **credit recovery**/half credit course is $200
  - The cost for a full **credit advancement course** is $500, and a half credit advancement course is $250
  - Eligible economically disadvantaged students will be offered a reduced fee of 50% for credit recovery

While summer school allows students to recover credits or strengthen academic skills, we strongly encourage every student to stay focused, complete all assignments, and finish the year strong to avoid the need for summer coursework. If your child needs summer school, we will contact you during the week of May 24, 2025, with more information.

If you have any questions, please contact the high school office at (814) 643-1080.

Sincerely,

Holly Boyles
