## NCAA Approved Course List

**On the next page is a list of courses the NCAA will accept when considering a student's NCAA eligibility. If the course is not on this list, it cannot be considered as part of NCAA determination. As soon as you're aware that you might want to play Division I or II sports in college, you should refer to this list when you plan your schedule each year.**

**LEGAL DISCLAIMER: The list of NCAA approved courses, and courses contained within, are maintained as a guide for prospective student athletes seeking NCAA initial eligibility. The list of approved courses does not, nor is intended to, signify accreditation, certification, approval, or endorsement of any high school or specific courses by the NCAA or NCAA Eligibility Center and is subject to change at any time and without notice. Core course information included on this website is provided for guidance purposes only and should not be solely relied on as an indication of NCAA initial eligibility. Certification of a prospective student athlete is case-specific, and the Eligibility Center has the authority to determine in its sole discretion whether the prospective student athlete has met all criteria.**
