MEMO: PARENT TRAININGS

You are cordially invited to view video presentations for families of children with special needs. These videos were created for the Local Task Force and your school district.

If you would like to view these video presentations but do not have a computer access, please contact Robin Whitsel at 814-641-2104, and I will arrange a time for you to access a computer in our district in order to view the informational video(s).
