COMMUNITY USE OF SCHOOL FACILITIES

Policy Adopted by the Huntingdon Area Board of Education

I. GENERAL

Community groups shall be permitted and encouraged to use school facilities for worthwhile purposes as long as they do not interfere with school programs. All requests for use of the facilities after school hours will be made through the Superintendent who will clear all requests with the Principal. Any or all requests may be reviewed by the Board of Education.

II. PROCEDURES

A. School facilities may not be used for private or individual gain.

B. Application for public use of school facilities shall be made on the form secured and filed at the Office of the Superintendent. When a fee is charged, a check for the amount of the fee must accompany the application.

C. The Application will be signed by three (3) responsible citizens who shall agree thereby to be personally responsible for any damage to property other than ordinary wear and tear due to occupancy and for the strict observance of rules and regulations.

D. Smoking is prohibited by law. Bringing and consumption of alcoholic liquors or beverages in the building or on the grounds is prohibited.

E. The school building custodian is in full charge; his/her orders are official. “Tipping” of custodians or other school personnel is not permitted.

F. The adult individual in charge of the group agrees that no one be admitted until he/she is present, that he/she will remain during the entire period, and that he/she will not leave until all members of the organization have left the building.

G. Requests for use of facilities on a Sunday must have School Board approval.

H. School activities shall have first preference.

III. CHAPERONES AND SUPERVISION

A. There should be a minimum of five (5) responsible chaperones at any evening function involving the use of the gymnasium. Chaperones should be present and in the gymnasium at least fifteen (15) minutes before the start of any function. They should remain at least fifteen (15) minutes after the end of the function.

B. There should be thorough and periodic checks made of the gymnasium and the restrooms throughout the evening to discourage vandalism. It is suggested that these areas be checked immediately prior to leaving the building.

C. In the event that an outside agency is using the gymnasium, it may be required that the services of law enforcement be utilized.
