August 26th, 2016

Dear Parent or Guardian,

Your child will be a part of the 7/8 Red Team for the 2016-2017 school year, and we would like to welcome you to our team. Our team consists of Todd Quinter in Science, Cory Buterbaugh in Social Studies, Matt Orenshaw in Math, Rachel Webb in Language Arts, Tim Snare as Learning Support/Math, and Jennie Barnett as a Support Teacher/ELA. We expect our students to adhere to all of the guidelines listed in the student handbook, and we also encourage them to follow all of the aspects of PRIDE – positivity, respect, integrity, determination, and everyone together. More information on our specific classes will be available at the Middle School Open House later in the first marking period. We are excited for this new school year and the opportunities we will have to get to know your child better. Go Bearcats!

Sincerely,

7/8 Red Team
