

HAHS Auditorium Lighting Fundraiser

We need **YOUR** help! The Huntingdon High School Auditorium is in need of an immediate upgrade. This upgrade includes improvements to the current lighting system and sound equipment. Without this upgrade, the quality productions, music festivals, talent shows, concerts, indoor graduations or outside use by the community may not happen. The estimated upgrade will cost \$75,000. This will include purchasing the current model lights, microphones, and any other various equipment that might be needed.

What we are asking of you is to make a donation to fund this endeavor. You will have the opportunity to sponsor one of the seats in the auditorium. To sponsor a seat, we are asking you to donate \$100 to have an engraved tag placed on the seat that will be there for the lifetime of the seat. This donation will not ensure that this seat will be yours to sit in every time you come to an event in the auditorium, but will recognize your generous donation to help fund this project and will be seen by all future students and visitors that come into the auditorium. The tags will be placed on the armrests of the seats in the Fall of the 2017 school year. If you are not interested in sponsoring a seat but would still like to make a donation, please check **Other** on the form with the amount of your donation.

To sponsor a seat, please fill out the form below with what you would like the tag to say and mail it back to the address listed below. Please make all checks payable to: **HAHS Choral Club** and put **HAHS Lighting** on the MEMO line. If you would like a receipt for tax purposes, one can either be mailed or e-mailed to you.

Mail order forms and payments to: Heather Kelly, PO Box 15, McConnellsstown, PA 16660.

We thank you for your consideration! The HAHS Music Department.

HAHS Auditorium Lighting Fundraiser

We need **YOUR** help! The Huntingdon High School Auditorium is in need of an immediate upgrade. This upgrade includes improvements to the current lighting system and sound equipment. Without this upgrade, the quality productions, music festivals, talent shows, concerts, indoor graduations or outside use by the community may not happen. The estimated upgrade will cost \$75,000. This will include purchasing the appropriate lights, microphones, and any other various equipment that might be needed.

What we are asking of you is to make a donation of \$500 and to recognize your generosity, your name or business name will be placed on a plaque that will be predominately displayed in the front lobby of the auditorium for all to see. The plaque will be displayed for 10 years, as per the school district's advertising clause, and will list everyone that has made a donation in this amount. If you choose to keep your name on the plaque 10 years from now, an additional fee will be due at that point to remain on the plaque.

All you need to do is fill out the form below and return with a check made payable to **HAHS Choral Club** and put **HAHS Lighting** on the MEMO line and mail the form and payment to the address listed below. For tax purposes, a receipt can either be mailed to you or it can be emailed to you.
