WELCOME TO HUNTINGDON AREA MIDDLE SCHOOL
www.huntsd.org

The faculty and administration of HAMS hope you find your years at our school filled with learning, friendships, and excitement.

We know you will find many new challenges in our school, and all confidence is placed in you to meet these challenges as responsible young adults.

We are proud of our school and are here to help you receive the best education possible. It is up to you to work to your capacity to make the years at the Middle School the best you have ever had. A good way to begin is for you and your parents/guardians to read the contents of the handbook to get to know your school better.

Have a great school year!

IMPROVE YOUR LEARNING POWER

Going to school is your job. To do it well, you have to work at it. Here are a few tips that might help:

- Choose the same time and place to study each day.
- Find a comfortable place with fresh air and good lighting.
- Avoid distractions.
- Get enough sleep, exercise, and fun.
- Study before you are tired.
- Review material a little every day to improve your memory.
- Make up work as soon as you return from an absence.
- Write assignments down in your assignment book neatly and accurately. Check Skyward if you are not sure of your homework.

WHERE IS YOUR ASSIGNMENT BOOK?

You must have your assignment book with you at all times during the school day. This includes hallways, classrooms, holding areas, etc. This book also serves as your pass if you need to leave a room. If you lose your book, you will need to purchase another assignment book in the main office. Please do not destroy, remove pages, or alter your assignment book. If your book becomes destroyed and hinders you from using it as a pass, you will need to purchase a new one. Teachers and staff will not issue you a pass. **Learners who do not have their assignment book may be referred to the office.**

LIBRARY MEDIA CENTER

Our library media center is a busy place! Many learners and teachers use both the library and adjacent computer lab in cooperation with the Media Specialist. Although the lab is often used as a writing lab, other programs are utilized, as well. There are ample opportunities for learners to enhance their math and creative writing skills, as well as programs that allow learners to enter and interpret data.

At the beginning of the year, you will receive the Huntingdon Area Middle School Computer Resource User Agreement and Parent Permission Form that must be signed by learners and parents. This form is a list of rules, relevant laws and restrictions for use of our computer resources and will be kept on file. If this form is not returned, the learner will not be permitted to use the Internet and other resources available.

Learners may come to the library media center during homeroom in the morning or with a teacher's permission at any time during the day. **In order to visit the library media center, learners are required to have their assignment notebooks signed by their teachers.** Learners are permitted to borrow two books at a time from the library media center for a period of two weeks. Reference books may be borrowed on an overnight basis. If learners have overdue

books, they lose their media center privileges. No fines are charged on overdue materials.

Learners also use the library media center for class activities and various research projects. They receive instruction on information retrieval, plagiarism, and ethical use of information before research projects. Computers and electronic media are available for class assignments or recreational use with staff permission.

Technology is an integral part of the library media center. Circulation is done by scanning bar-codes on materials and using learner numbers. The card catalog is accessed electronically from computer workstations and notebook computers. Parent and learners may also view the card catalog and library accounts from home using the link on the school home page.

Learners can obtain information on various topics through the Wide Area Network (WAN). The HAMS library media center is a member of ACCESS PA. ACCESS PA is a bibliographic union catalog and resource-sharing tool that is a guide to the Pennsylvania library collections. The holdings of over 1,000 school, public, academic, and special libraries are searchable using technology. Being a member of ACCESS PA allows learners to borrow materials from any of these libraries by using the interlibrary loan system. Collections of libraries in other district buildings may be searched as well as the ACCESS PA database, various reference material databases, and the Internet.

SCHOOLWIDE POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS (PBIS)

HAMS BEARCATS

The Schoolwide Positive Behavior Interventions and Supports system has been adopted by middle school as a means to instill proper behavior within our learners. Using the guided model approach to teach proper behavior, the faculty and staff of the Middle School will be constantly modeling to the learners the types of behavior we hope to see from them. By targeting instructional design and delivery, classroom/school arrangement, and rules and procedures, a significant number of school-wide behavioral problems can be prevented, leaving staff with fewer individual problems to manage and increase instructional time.

After a number of surveys and faculty/staff discussions, it was determined that our "hot spots" include: the classrooms, bathrooms, cafeteria, hallways, and buses. From here, we developed our core expectations for each area. These expectations focus on our slogan: BEARCATS. Each learner is encouraged to show BEARCATS behavior by following these expectations.

Throughout our school, at each hot spot location, learners are reminded of our "BEARCATS" expectations for that particular area. The expectations are broken down into five general items:

- BE- Be Engaged
- AR- Act Responsibly
- CAT- Care About the Team
- S-Safety

With this program, we are able to reward the learners on various levels for showing proper behavior. Learners can receive rewards independently and as a team. These reinforcements can be implemented by all employees-principals, teachers, para-educators, custodians, cafeteria staff, secretaries, and bus drivers.

All teachers and employees will be issued "Bearcash Cards" that will be distributed to learners who are positively demonstrating the targeted behavior. The use of Bearcash Cards is to reward learners and staff and serves as a reminder to accentuate the positive and keep a proactive frame of mind. These Bearcash Cards will then be used as an opportunity to earn rewards independently or as a team.

OPPORTUNITIES FOR LEARNER INVOLVEMENT

EXTRA-CURRICULAR ACTIVITIES AVAILABLE:

Football	Basketball (Girls/Boys)
Jazz Band	Wrestling
Marching Band	Indoor Band
Soccer (Girls/Boys)	Indoor Color Guard
Volleyball (Girls/Boys)	Cheerleading

STUDENT COUNCIL

The purpose of Student Council is to provide opportunities for learner leadership and participation in the internal management of the school, to promote worthy school activities, and to promote the general welfare of the school. Participation is dependent on maintaining a grade point average of 3.0 or higher, without any F's or D's every nine-week period. Any learner falling below this average will be removed from Student Council for half a marking period. At this time, the grades will be reviewed, and if they have improved, the learner will become an active member again. Failure to improve grades by the end of the marking period will result in permanent removal from Student Council.

The council assists in making the school environment better. It elects or appoints committees to carry out its decisions. Student Council investigates and reports on questions and problems referred to the group by learners. Council members then meet with administration to discuss issues for decision or action. The council primarily plans and carries out social functions within the school for the various grades. Student Council also organizes and executes events to benefit charitable causes in the Huntingdon area.

ACTIVITY NIGHT

Activity Night is held at the Middle School approximately every two months from 6:00 PM until 8:00 P.M. during the school year for Huntingdon Area Middle School learners only. Dancing, gym activities, and refreshments are part of each Activity Night. Middle School Activity Night is a learner privilege, not a right. We view this evening as a reward for appropriate behavior. All school rules, dress codes, and policies are in effect during Activity Night. Activity Nights are chaperoned by parents and school employees. Parents are encouraged to volunteer to serve as chaperones.

The following conditions may prevent learners from attending:

- Being suspended since the previous Activity Night
- Failing to serve detention
- Failing one or more classes
- Displaying inappropriate behavior
- Failing to complete schoolwork
- Administration reserves the right to prohibit participation

Learners not picked up by 8:15 P.M. will not be permitted to attend the next Activity Night.

MUSIC ORGANIZATIONS:

INSTRUMENTAL MUSIC PROGRAM

Participation in the instrumental music program is open to all learners attending the Huntingdon Area Middle School. All learners will be placed into small group instrumental instruction classes at the beginning of the school year. Since this small group instruction is in addition to regular band rehearsals, anyone who wants to play an instrument is welcome to join regardless of experience. Since the success of these classes and co-curricular activities relies on commitment and discipline, it is suggested that prospective learners (and parents) make sure they are prepared to make the commitment. Learners are expected to maintain an 80% or higher in core classes to participate in the program. A letter with specific requirements will be sent to parents at the beginning of the year.

The program consists of regularly scheduled classes for 6th, 7th, and 8th grade bands. The bands perform annual Christmas and Spring concerts. In addition to the previously mentioned curricular offerings, the following co-curricular instrumental music activities are also available:

- Jazz Band (grades 6-8) – This band performs music in the Jazz, Rock, and Pop genres. The Middle School Jazz Band performs in several concerts throughout the months of April and May.
- Marching Band (grades 7-12) – This band performs music at football games, band competitions, and parades. Practices begin August (a couple of weeks before school begins) and continue twice a week after school in September and October. Middle School and High School learners mix together to make up this co-curricular activity.
- County Band (grades 7-9) – Representatives are chosen for the annual Huntingdon County Junior High Band Festival. This is a one-day festival at which our best instrumental music learners join forces with the best instrumental music learners from the other three county school districts for morning and afternoon practices in order to prepare a concert for that evening. The festival usually occurs in April or May.
- District 4 6th Grade Band Fest – Representatives for the annual District 4 6th Grade Band Festival are chosen by audition from our 6th Grade instrumental music class. This is a one-day festival at which the best 6th Grade instrumental music learners from the Pennsylvania Music Educators Association District 4 (26 school districts) join forces for morning and afternoon practices to prepare a concert for that evening. The festival usually occurs in April or May.

CHORAL MUSIC PROGRAM

Participation in the choral music program is open to all learners attending the Huntingdon Area Middle School. Since the success of this class relies on commitment and discipline, it is suggested that prospective choir learners (and parents) make sure they are prepared to make that commitment. Learners are expected to maintain an 80% or higher in core classes to participate in the program. A letter with specific requirements will be sent to parents at the beginning of the year. The program consists of regularly scheduled classes for 6th, 7th, and 8th graders in the Huntingdon Area Middle School Choir.

SPECIAL NEEDS ATHLETIC ASSOCIATION

This program is designed to encourage training in various sports for exceptional learners so they can participate in tournaments in the local, county, and state level. Special Education learners team up with peers and coaches to challenge themselves by growing stronger in their social, emotional, and physical abilities.

SPORTS

Philosophy: The primary purpose of the extracurricular activities in the Huntingdon Area School District is to promote the physical, social, emotional, and moral well being of the participants. It is hoped that extracurricular activities in our schools will be a positive force in preparing youth for an enriching and vital role in American life.

All extracurricular activities are an important and integral part of the total school program and is open to participation by all learners regardless of individual differences. Through voluntary participation, the learner gives time, energy, and loyalty to the program. He/she also accepts the training rules, regulations, and responsibilities that are unique to an extracurricular program.

LEARNER CONDUCT POLICY

Violations of the Huntingdon Area School District "Learner Conduct Policy" which require administrative action will be handled in accordance with the provisions of the policy.

1. If a violation involves a detention or suspension, then said athlete will be suspended from practices/contests of that team for those days.
2. No disciplinary leniency will be granted based on a learner's participation in extracurricular activities.

SUBSTANCE USE/ABUSE & POSSESSION

The use and/or possession of controlled substances/drug paraphernalia not prescribed by a doctor are absolutely forbidden. Coaches must immediately notify the athletic director of such occurrences.

This policy shall also apply to learner conduct that occurs off school property. Violations of the Huntingdon Area School District "Learner Conduct Policy" that require administrative action will be handled in accordance with the provision of the policy.

The Pledge:

I agree to refrain from the possession, use, and distribution of any tobacco products, drugs (unless prescribed), alcohol, and controlled substance, both on and off school grounds, during the school year. If it is verified that I have used any of these substances, I understand that the aforementioned consequences will apply.

PIAA: The High School and the Middle School in the Huntingdon Area School District are members of the Pennsylvania Interscholastic Athletic Association (PIAA) and subscribe to the philosophy and intent of its by-laws. The PIAA by-laws that pertain to age, awards, attendance, health, transfers and residence, participation, representation, curriculum, and seasonal rules will be followed. Each coach is responsible for knowing the rules, informing team members and parents of them, and enforcing them.

Eligibility Requirements:

Academic: Academic eligibility for athletic activities is based on the premise that academic performance is the keystone of the curriculum and the standard upon which participation is measured. Pennsylvania Interscholastic Athletic Association (PIAA) eligibility requirements will be followed along with the HAMS eligibility requirements.

1. Learners must pursue a full-time curriculum defined and approved by the Principal.
2. Eligibility will be cumulative from the beginning of a grading period and will be reported on a weekly basis.
3. Learners who are failing (below 60%) two or more courses will not be eligible to participate in practice or scheduled events for the following week. If a learner is deemed ineligible, they are not permitted to participate in athletic events from Sunday to Saturday.
4. A learner that has failed two or more classes during the previous grading period, except that eligibility for the first grading period is based on the final grades for the preceding school year will be ineligible for 15 school days of the next grading period, beginning on the first day of the next marking period.

Attendance: A learner must be in school by **9:30AM** in order to participate in any extracurricular

contest/practice that day. An exception will be made if the learner has an approved appointment; in which case, the learner must present a signed statement regarding the absence one day in advance.

If a learner is absent the last school day of the week, and the competition is on a non-school day, the learner must have coach and parent permission to participate. It is recommended that the coach call the parent regarding the absence.

If a learner is absent from school during a semester for a total of 20 or more school days, the learner will lose his/her eligibility until he/she has been in attendance for a total of 45 school days following his/her 20th day of absence.

Sportsmanship: Learner athletes in the Huntingdon Area School District must keep in mind that they are always in the public eye and that their personal conduct will always be subject to the scrutiny of their fellow learners, fans, opponents, and the media. They, therefore, have an obligation to serve as positive role models by subscribing to the following.

1. Showing respect for authority and property.
2. Maintaining academic eligibility and training rules.
3. Emphasizing the ideals of sportsmanship, loyalty, ethical conduct, and fair play.
4. Understanding that striving to win is important to success in athletics just as in every facet of life.

Any display of unsportsmanlike behavior toward an opponent, official, or spectator during the season will result in counseling by the coach and possible suspension from the team.

Travel: Extended Trips are defined as any travel that requires an overnight stay. Athletes must travel to and from contests, away from Huntingdon, in transportation provided by the school.

The only exceptions are:

1. Injury to participant that would require alternate transportation.
2. Prior arrangement made in writing between the participant's parent/guardian and the coach for the learner to ride with the parent/guardian or another approved parent.
3. When school transportation is not provided and alternative means are approved.

Equipment & Uniforms: Equipment and uniforms are issued to learners on a loan basis and are to be worn only when authorized by the coach. If any of the equipment is not returned at the conclusion of the season, an obligation will be issued to the learner for the fair cost of replacing it. Until the obligation is resolved, the learner will not be permitted to participate in any future athletic season.

Practices & Contests: Each member of any team is required to make a commitment to that sport during the season. Part of the commitment involves being at every scheduled practice and contest throughout the season. Unexcused absence(s) from scheduled practices/contests will result in:

1. Counseling by the head coach and notification of parents, if necessary; and
2. Suspension from the team and possible dismissal for remainder of the season if subsequent violations occur.

A learner who has been injured and has had medical treatment cannot participate until medical clearance has been granted. Athletes must return all appropriate insurance forms promptly or face the possibility of suspension from the team until forms are returned.

General Regulations:

1. Learner-athletes should be neatly groomed and properly dressed when traveling to any contest.
2. No athlete may quit one sport and try out for another after the season has begun without mutual consent of both coaches.
3. Any civil law infraction or conduct by a learner-athlete that occurs during a sport season that is determined by the administration and head coach to be detrimental to the athletic program, or the school district, will result in counseling by the school administration and head coach and possible suspension/dismissal from the team.

Completion of Sport Season: In order for the learner-athlete to be eligible for a letter, team and/or individual awards, it is required that he/she complete the sports season, including post-season playoffs and tournaments as well as meet the qualifications set forth by the head coach. No awards will be given to any learner-athlete suspended and/or dismissed for the remainder of the season for violations.

Learner Conduct Policy: Violations of the Huntingdon Area School District "Learner Conduct Policy" which require administrative action will be handled in accordance with the provisions of the policy.

1. For example, if a violation involves a suspension, then said athlete will be suspended from practices/contests of that team for those days.
2. It should be clearly understood that the same standard of behavior and discipline for the regular learner shall also apply to the learner-athlete, and any violations may result in forfeiture of the privilege to participate in the Huntingdon athletic program.

Jurisdiction: The rules and regulations for the learner-athlete will apply to any violations, on and off school premises, during the sport season of participation.

Coaching Rules: Any additional rules and regulations developed by the head coach of any sport must be approved by the principal and athletic director prior to the season. These additional rules and regulations must be in writing and on file in the athletic office.

Learners in summer school will receive the basic core of the course failed as outlined in the curriculum guide.

ATTENDANCE
(Reference School Board Policy #204)

Attendance at school is necessary for a good educational experience. If a learner is under the compulsory school attendance law, proper steps will be taken to enforce that law. Unexcused absences will result in no credit for the day and no opportunity to make up work that was missed.

Pennsylvania Public School Code of 1949 Article XIII: Pupils and Attendance
State law requires learners of compulsory education age to attend school. Compulsory education is defined as the period of a child's life from the time they enter school until the age of 17 or until they graduate from high school, whichever comes first. Learners who accumulate three or more unexcused absences are in violation of the compulsory education law. Those learners who do not meet the compulsory education law will be considered:

Truant: Learners with three to six unexcused absences

Habitually Truant: Learners with six or more unexcused absences (Tardies and Early Releases can accumulate towards truancy)

In accordance with Pennsylvania state law, the Huntingdon Area School District may take the following actions to address truant or habitually truant learners:

1. A warning letter will be issued for each unexcused absence. On the third unexcused absence, a warning letter describing the consequences for habitual truancy will be issued.
2. The fourth unexcused absence will result in a school attendance improvement conference.
 - School Attendance Improvement Plan will be developed
3. Once a learner reaches six unexcused absences they are considered habitually truant and the following actions will be taken:
 - Refer child to Children and Youth Services (CYS)
 - File a truancy citation with the District Magistrate

The magistrate may impose the following:

1. Unlicensed juveniles are prohibited from applying for a learner's permit commencing upon their 16th birthday:
 - First offense: 90 days
 - Second offense: six months
2. All learners convicted will be referred to County Children and Youth Service.
3. A parent or guardian can be fined for failing to have the child in school. Fines may go as high as:
 - First offense: \$300.00
 - Second offense: \$500
 - Third offense: \$750

When a learner returns to school after an absence, the learner must present a properly signed excuse during the homeroom time. If you have obtained a written doctor excuse, please send this excuse as well. **The learner has 3 days after his/her return to school to bring this note. Each day that is not covered by a legal excuse will result in an unexcused day on record. Excuses will not be accepted after the three day window is over.**

The Huntingdon Area School District attendance policy provides that a claim of continual or repeated illness in excess of 10 days per school year requires a physician's statement regarding illness. If a learner has absences in excess of 10 days with no medical excuse, the absences will be considered unexcused. Learners whose absence is determined to be unexcused may not be allowed to make up their work.

Parents will receive an attendance letter in the mail after 10 days of recorded absences and doctor's excuses will be required. State legislation stipulates that learners (and/or their parents) may be fined for excessive absences. A citation may be filed once a learner reaches 6 unexcused absences.

ABSENCE NOTIFICATION

Each day a learner is absent from school, the home will be called by the School Messenger System to notify the parents/guardians of the absence.

Notification letter of unexcused absences will be sent after each unexcused day up until the fourth day. Once a learner has obtained three (3) unexcused absences, the compulsory education law will take effect.

Notification letter of total absences will be sent after a total of five (5) days and ten (10) days absent. Once a learner has obtained ten (10) days absent, a meeting may be scheduled with the parents/guardians, learners, and school administration to discuss a school attendance improvement plan.

REASONS FOR ABSENCE

The Board considers the following conditions to constitute reasonable cause for absence from school:

- Illness
- Quarantine
- Impassable roads
- Death in family
- Recovery from accident
- Absences approved in advance by the administration or Superintendent
- Educational tours and trips, with prior approval
- Family educational travel, with prior approval

All other reasons for absence will be considered unexcused.

Absences shall be treated as unexcused until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence.

A maximum of ten (10) days of cumulative excused absences verified by parental notification shall be permitted during a school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed physician. Excessive absences excluding medical absences may result in learners losing the privilege of participating in school-sponsored activities.

Field Trips, medical excuses from the doctor and vacation educational trips up to five (5) days will not count towards the 10 days of absences.

All early releases are considered unexcused unless a medical excuse is provided upon return

COURSEWORK

Coursework is a valuable part of the educational process at the Middle School. Coursework must be completed on a regular basis. Any work missed or not completed will have a negative effect on the course grade.

Learners are responsible for making up any missed assignments/tests when absent. Your child's teachers will fill out a coursework sheet if he/she has been absent two or more days. You should contact the school at 643-2900 before 9:00 AM to request work for your child. Coursework sheets may be picked up in the office after 2:30 PM or will be sent home with another learner when a request is made. Assignments are also available on Skyward. Parents may come in to the school and get books from a child's locker when necessary. Learners who are absent for one day have two days to make up any assignments/tests missed unless other arrangements have been made with your child's teachers. Learners who are assigned In-School Suspension (ISS) or Out-of-School Suspension (OSS) will be given their daily assignments/tests and will receive credit for all work completed.

TARDINESS TO SCHOOL

Learners will be admitted into the building at 7:30 AM unless inclement weather warrants an earlier admittance. Learners report to their assigned areas from 7:30 until 7:40 AM each morning. At 7:40 AM, learners may go to their lockers and then report to their homerooms. Learners must be in their homerooms each morning by 7:50 AM. Learners arriving to homeroom between 7:50 AM and 7:55 AM will be admitted by the teacher and marked tardy unexcused. Learners arriving to school after 7:55 AM must present an excuse to the office to be marked tardy excused. Learners without a note will be marked unexcused tardy. Learners will receive a pass to class. Reasons for

excused tardiness are: illness, appointment with doctor's excuse, inclement weather, late buses. Any other reason is considered an unexcused tardy. Learners arriving after 9:30 AM will be considered ½ day absent, and learners arriving after 1:05 PM will be considered absent for a full day. Learners will be disciplined taking into consideration the past disciplinary record of the learner and any other extenuating circumstances.

REPRIMAND AND WARNING

For some infractions, first offenses, and minor behavior problems, teachers and/or administrators may reprimand a learner or learners. A warning may be issued that further, more serious, or repeated problems will result in increased consequences.

TEACHER-ASSIGNED DETENTION

Teachers may assign learners thirty (30) or sixty (60) minute detentions for minor infractions that involve classroom behavior. Examples of minor infractions include but not limited to sleeping in class, inappropriate language, or disrupting the classroom environment. The detention will be served on Tuesday or Thursday from 2:45-3:15 or from 2:45-3:45. It is encouraged that teachers communicate the reason for the detention with parents/guardians. Learners are fully responsible for communicating the assigned detention and reason for the detention to their parents or guardians. The learner should have a 24-hour notice to make arrangements for transportation. After the 24-hour notice, the learner must complete the detention within the next two (2) schedule detentions. Failure to complete the detention will result in the following:

An administrator must approve excused absences from detention prior to the absence. Approved absences will need to be rescheduled. If an absence is unexcused, 2 detentions will be assigned.

Detentions and subsequent consequences are cumulative in most instances. However, the level or step of consequences may change at the discretion of the administration depending on circumstances or severity of the infraction.

TRANSPORTATION

LEARNER CONDUCT ON BUS

Proper bus riding conduct is essential to the safety of all who ride the bus. The bus driver's first concern is for the safety of the learners. If for some reason his/her concentration is disrupted by unruly learners, the welfare and safety of all is in danger. The school bus is an extension of the classroom. The District utilizes School Wide Positive Behavior Support (SWPBS) program to instruct expectations and positively manage student behavior across all grade levels. The driver of any school bus will be held responsible for the orderly conduct and safety of the learners transported.

Prior to the beginning of the school year, learners bus numbers, pick up, and drop off locations are assigned. Learners are only permitted to ride their designated bus from and to their pick-up and drop off location.

All misconduct on the bus will be treated the same as misconduct in the school building; therefore, drivers are directed to report to the principal any misconduct by learners which is deemed serious enough for further action.

Each driver will establish and post the district bus expectations on rules of his/her bus. Riders will be instructed on what meeting each of these expectations looks like and how they can meet each expectation. It is expected that riders will meet the expectations as instructed. must obey these rules. The bus driver will assign all learners a seat.

The principal may suspend a learner from bus transportation for disciplinary reasons, and the parents/guardians shall be responsible for the learner's transportation.

Unauthorized Entry of School Buses

Only bus drivers and authorized school personnel are permitted to board a school bus. In accordance with state law, persons who enter a school bus without permission could face up to a year in prison and pay a fine up to \$2,500.

The school district provides all eligible learners with an opportunity to be transported by school bus to and from school. The riding of a school bus by learners is a privilege and not a right. Disorderly conduct or refusal to respect the authority of the school bus driver will be sufficient reason for a learners to be denied transportation to and from school in accordance with regulations of the local school.

Misconduct on the school bus can result in the following after district investigation:

First Offense: Warning, Reteaching of Expectations, Change in Assigned Seating and/or Conference with Administration.

Second offense: Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, and/or removal from the bus for one (1) day. Detention(s) or ISS

Subsequent offense(s): Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for additional day or remainder of the year.

While bus rules are posted in each bus, we feel that it is important for learners and parents to review these rules. They are:

- Observe the same conduct as in the school.
- Be courteous. Use no profane language.
- Keep the bus clean.
- Cooperate with the bus driver.
- Tobacco products are prohibited.

PARENT/GUARDIAN INFORMATION

In addition to reading the aforementioned material and reviewing it with your child(ren), please read the following information regarding parent guidelines.

SCHOOL-HOME COMMUNICATIONS

The school district is using the Internet to strengthen the communications between the home and

school. Teachers use a website called Skyward to post learner class information, progress reports, daily assignments, and other pertinent information for both learners and parents. Parents have their own account separate from the learners so parents will be able to use the Internet to more effectively partner with their child(ren)'s teachers. Please contact your child(ren)'s teacher(s) if you have any questions about this service.

LEARNER MESSAGES/DELIVERIES

Any message called in to a learner by parents or guardians will be held until the end of the day unless it is necessary for the learner to receive the message earlier. The school reserves the right to contact the parent or guardian to verify any message before it is given to a learner.

Parents may drop off items for learners until 9:30 AM. Any materials brought to the learner after 9:30 AM will be held until the end of the school day unless it is an emergency or a child's lunch.

TRAFFIC PATTERNS AND VISITORS

For safety reasons, we are asking parents to park their cars outside the Middle School parking lot (along the road, by the church, etc.) at the end of the day. With approximately 500 learners and a fleet of buses moving inside our lot, additional cars present a real danger to our learners. This policy does not apply to parents who need to pick up their children before 2:10 PM. Please note: Cassady Avenue will not be open to private vehicles between 2:30 PM and the time when the last school bus exits the intersection of Cassady Avenue and 25th Street (approx. 3:00 P.M.)

If you are dropping off your child(ren) in the morning, you may drop off in the front of the building before 8 AM.

All visitors are required to park in designated parking spaces and sign in at the main office. Office staff will follow procedures for admittance. Thank you in advance for your cooperation with this system. Learner visitors are not permitted to shadow other learners during school hours.

Please be advised that buses park in front of the Middle School daily starting at 2:15 PM. You will be parked in and will be unable to leave until the buses leave around 2:55 PM.

ALTERNATE BUS ASSIGNMENT

Acceptable reasons for a change in bus assignment are:

- Emergencies

Alternate bus assignments will not be granted for social reasons. Parents/guardians who wish for their child(ren) to ride an alternate bus must contact the Transportation Department at 643-4140. Bus drivers will only accept notes which have been properly signed by school officials.

RETURNED CHECKS

In the event that a check written to the Huntingdon Area Middle School or the cafeteria is returned because of insufficient funds, a \$20.00 charge will be added to the amount of the check, and cash or a money order will be requested as payment. Further steps for collection may result in additional charges.

PARENT CONFERENCES

Throughout the school year, parents are urged to schedule a meeting with their teachers to discuss their child's progress. Please call the school office (643-2900) to make appointments. Each team will have a daily team planning period to hold conferences. Your child's teachers will announce this time at the beginning of the year.

Parent-teacher conferences are held once a year. An appointment can be scheduled and confirmed by calling the school office two weeks before the conference date. The dates of these conferences are listed on the school calendar. If your child has special needs for the following school year, parents should contact the office before the end of the present school year.

INTEGRATED PEST MANAGEMENT PARENTAL NOTIFICATION

The Huntingdon Area School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents, and weeds. From time to time, it may be necessary to use chemicals to

manage a pest problem. Chemicals will only be used when necessary and will not be routinely applied. Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parents or guardians of learners enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you may be placed on the school's notification registry. If you would like to be placed on this registry, please notify the district in writing. Please include your email address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem, notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and antimicrobial products; self-contained baits placed in areas not accessible to learners, and gel type baits placed in cracks, crevices or voids; and swimming pool maintenance chemicals.

Each year the district will prepare a new notification registry. If you have any questions, please contact, IPM Coordinator at 814-643-4140, ext. 1132.

ANNUAL ASBESTOS NOTIFICATION

The Huntingdon Area School District is providing information to you concerning the asbestos management plans required under the Asbestos Hazard Emergency Response Act (AHERA). These plans are available for your review upon request. A copy of the plans for all buildings is located in the Superintendent's Office, which is located at 2400 Cassady Ave. Huntingdon, Pennsylvania 16652; telephone number (814)643-4140. The plans can be viewed by any person during normal business hours. Interested parties wishing to inquire about the hours and times that plans are available should call the telephone listed above. The asbestos management plans provide information regarding six month inspections, third year re-inspections and response actions.

PUPIL SERVICES DEPARTMENT

The utilization of the Child Study Team (CST) enables the district to meet the Federal Regulation in regards to Chapter 14 as well as a component of Response to Intervention. The CST is a group of professionals who provide consultative, evaluative, and prescriptive services to parents and learners. The CST encompasses parent(s), a regular education teacher, special education teacher, school psychologist, building administrator, guidance counselor, and the Director of Pupil Services and/or Assistant Director of Pupil Services. The district's therapist(s): occupational, speech/language, and/or physical therapist, as well as, consultants may also participate as deemed necessary. Any agency representatives that are involved with the child are also invited to be a member of the CST process.

The CST process has assisted our district with providing screenings in various areas (cognitive, emotional, social, and communication). Parents and teachers may request a CST meeting at any time. The CST may recommend interventions, further screening, and/or a referral for a multidisciplinary evaluation (MDE) to determine eligibility for special education as a learner with a disability.

CST members review the learner's history, including any pertinent medical or health information as well as school attendance. Pre-referral interventions and assessment data are reviewed. The team may determine that additional interventions are warranted and would reconvene, or a Prior Written Notice for Initial Evaluation and Request for Consent Form and Procedural Safeguards would be issued to the parents. Once the Prior Written Notice for Initial Evaluation and Request for Consent Form is received, the Huntingdon Area School District abides by the information as stated in the form. After the evaluation results are gathered, a Multidisciplinary Evaluation Team meeting is convened. The team consists of parent(s)/guardian, school psychologist, Director of Pupil Services, regular education teacher, special education teacher, guidance counselor, and therapists (as deemed necessary). The MDE team reviews all of the information to determine by consensus if the learner is a learner with a disability and in need of special education services.

CHAPTER 14: Special Education

A child with a disability means a child who, as the result of a multidisciplinary evaluation, is determined to meet the criteria in one or more of the following categories: intellectual disability, hearing impairment including deafness, speech or language impairment, visual impairment, including blindness, serious emotional disturbance, orthopedic impairment, autism, traumatic brain

injury, other health impairment, specific learning disability, deaf-blindness, or multiple disabilities and who is determined to need special education services. Learners determined eligible for special education services will receive an Individualized Education Plan (IEP) based on their needs. The program to which a learner with a disability is assigned shall be one that provides an appropriate education, seeks to assure success in learning, and offers the least restrictive environment, in accordance with federal and state regulations.

CHAPTER 16: Gifted Support

The policy for identification as gifted for learners in the Huntingdon Area School District will require learners to meet the following criteria: an IQ of 130 or higher who meets established multiple criteria indicating gifted ability or a school-aged learner with an IQ score lower than 130 when other educational criteria strongly indicate gifted ability. Determination of mentally gifted must include an assessment by a certified school psychologist. Gifted education for each identified learner is based on the unique needs of the learner, not solely on the classification. Gifted education services enables identified learners to participate in acceleration and/or enrichment programs, and to receive services appropriate to their intellectual and academic abilities and needs. Eligibility for gifted support is evaluated on a case-by-case basis.

Homelessness

The McKinney-Vento Homeless Assistance Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. The Huntingdon Area School District works to ensure that homeless learners have the same educational programs and services provided to other district learners. For more information on this Act and how the district may be able to help contact:

Huntingdon Area School District Director of Pupil Services (including Homeless Liaison) at 814-641-2104

CHAPTER 12: Overview of K-12 ESL Program

The goal of the Huntingdon Area School District's English as a Second Language (ESL) programs is to facilitate the acquisition of English language skills of learners whose native or first language is not English. Upon enrolling into the school district, all families will complete a Home Language Survey (HLS). As a result of the survey, learners whose first language is a language other than English or if a language other than English is spoken in the home, the learner will be assessed in English proficiency in reading, writing, listening, and speaking. A program will then be developed to meet the learner's individual needs, dependent upon the assessment results.

Annual Public Notice of Special Education Services and Programs, Services for Gifted Students and Services for Protected Handicapped Students August 2017

Notice to Parents

According to state and federal special education regulations, annual public notice to parents of children who reside within a school district is required regarding child find responsibilities. School districts (SDs), intermediate units (IUs) and charter schools (CSs) are required to conduct child find activities for children who may be eligible for services via Section 504 of the Rehabilitation Act of 1973. For additional information related to Section 504/Chapter 15 services, the parent may refer to Section 504, Chapter 15, and the Basic Education Circular entitled Implementation of Chapter 15. Also, school districts are required to conduct child find activities for children who may be eligible for gifted services via 22 PA Code Chapter 16. For additional information regarding gifted services, the parent may refer to 22 PA Code Chapter 16. If a student is both gifted and eligible for Special Education, the procedures in IDEA and Chapter 14 shall take precedence.

This notice shall inform parents throughout the school district, intermediate unit, and charter school of the child identification activities and of the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children. In addition to this public notice, each school district, intermediate unit, and charter school shall publish written information in the handbook and on the web site. Children ages three through twenty one can be eligible for special education

programs and services. If parents believe that the child may be eligible for special education, the parent should contact the appropriate staff member identified at the end of this public notice.

Children ages three to school-age may be eligible for Early Intervention services if they are experiencing developmental delays. Developmental delays, as defined by the State and as measured by appropriate diagnostic instruments, include a 25 percent delay or a test performance of 1.5 standard deviations below the mean on a standardized assessment in one of the following developmental areas: physical development, cognitive development, communication development, social or emotional development or adaptive development. A young child may also be deemed eligible if they are determined to have a diagnosed disability as defined by PA Chapter 14 regulations. Eligibility for Early Intervention services is two-pronged. The child must be diagnosed with a developmental delay or a diagnosed disability and display a need for specially designed instruction. Specially designed instruction means adapting the content, methodology, or delivery of instruction to address the unique needs of the child and to ensure access to the general education curriculum.

Evaluation Process

Each school district, intermediate unit, and charter school has a procedure in place by which parents can request an evaluation. For information about procedures applicable to your child, contact the school which your child attends. Telephone numbers and addresses can be found at the end of this notice. Parents of preschool age children, age three through five, may request an evaluation in writing by addressing a letter to the intermediate unit staff.

Consent

School entities cannot proceed with an evaluation or reevaluation, or with the initial provision of special education and related services, without the written consent of the parents. For additional information related to consent, please refer to the Procedural Safeguards Notice which can be found at the PaTTAN website, www.Pattan.net or your educational agency. Once written parental consent is obtained, the district will proceed with the evaluation process. If the parent disagrees with the evaluation, the parent can request an independent education evaluation at public expense.

Program Development

Once the evaluation process is completed, a team of qualified professionals and parents determine whether the child is eligible. If the child is eligible, the individualized education program team meets, develops the program, and determines the educational placement. Once the IEP team develops the program and determines the educational placement, school district staff, intermediate unit staff, or charter school staff will issue a notice of recommended educational placement/prior written notice. Your written consent is required before initial services can be provided. The parent has the right to revoke consent after initial placement.

Confidentiality of Information

The SDs, IUs and CDs maintain records concerning all children enrolled in the school, including learners with disabilities. All records are maintained in the strictest confidentiality. Your consent, or consent of an eligible child who has reached the age of majority under State law, must be obtained before personally identifiable information is released, except as permitted under the Family Education Rights and Privacy Act (FERPA). The age of majority in Pennsylvania is 21. Each participating agency must protect the confidentiality of personally identifiable information at collection, storage, disclosure, and destruction stages. One official at each participating agency must assume responsibility for ensuring the confidentiality of any personally identifiable information. Each participating agency must maintain, for public inspection, a current listing of the names and positions of those employees within the agency who have access to personally identifiable information.

For additional information related to student records, the parent can refer to the Family Education Rights and Privacy Act (FERPA).
