ALMA MATER

**Where the Juniata floweth
Slowly to the sea.
Stands the school we love so dearly,
In her majesty.**

**Where the crest of Terrace Mountain
Meets the eastern sky,
And the Standing Stone of history
Tells of days gone by.**

**When the shades of night shall gather
As the years roll by,
We will still in memory keep her,
Dear old Huntingdon High.**

Chorus:

**Flag we love, blue and red, wave always,
Huntingdon High o'er thee,
May thy sons and daughters ever
Worthy be of thee.**

WELCOME TO HUNTINGDON AREA HIGH SCHOOL www.huntsd.org

The faculty and administration of HAHS hope you find your years at our school filled with learning, friendships, and excitement. We know you will find many new challenges in our school, and all confidence is placed in you to meet these challenges as responsible young adults. We are proud of our school and are here to help you receive the best education possible. It is up to you to work to your capacity to make the years at the High School the best you have ever had. A good way to begin is for you and your parents/guardians to read the contents of the handbook to get to know your school better.

Have a great school year!

IMPROVE YOUR LEARNING POWER

Going to school is your job!

Here are a few tips that might help improve your learning power:

- Choose the same time and place to study each day.
- Find a comfortable place with fresh air and good lighting.
- Avoid Distractions.
- Get enough sleep, exercise, and fun.
- Study before you are tired.
- Review material a little every day to improve your memory.
- Make up work as soon as you return from an absence.

POSITIVE SCHOOL WIDE BEHAVIOR SUPPORTS

The Positive School Wide Behavior Support System has been adopted by our High School as a means to create a positive school environment and clear expectations for our learners. Using the guided model approach to teach clear expectations and positive behavior, faculty, staff, and the positive school wide learner team at the High School will model positive behavioral expectations. By targeting instructional design and delivery, classroom/school arrangement, and rules and procedures, a significant number of school-wide behavioral problems can be prevented, leaving staff with fewer individual problems to manage and increase instructional time.

With learner and staff input, we developed our core expectations for positive behavior at the High School. From here, we developed our core expectations using the acronym "BEARCATS" which focuses on the slogan:

Be **E**ngaged **A**ct **R**esponsibly **C**are **A**bout the **T**eam **S**afety

Throughout our school, learners will be taught the expectations for a particular area using the BEARCATS slogan. With this program, we are able to reward learners on various levels for following the expectations. These reinforcements can be implemented by all employees – principals, teachers, custodians, para-educators, cafeteria staff, etc.

All teachers and staff will be issued "BearCa\$h" tickets that will be distributed to learners who are seen positively following behavioral expectations. The use of the "BearCa\$h" cards is to reward learners and serve as an acknowledgement of positive behavior. These cards can then be used in school wide drawings to win prizes like gift cards, tickets to school events, or Bearcat gear.

ATTENDANCE - Reference [School Board Policy 204](#)

Pennsylvania Public School Code of 1949 Article XIII: Pupils and Attendance The Board recognizes that attendance is an important factor in educational success, and supports a comprehensive approach to identify and address attendance issues.

Attendance shall be required of all learners during the days and hours that school is in session, except that authorized district staff may excuse a learner for temporary absences upon receipt of satisfactory evidence of mental, physical, or other urgent reasons that may reasonably cause the learner's absence.

The Board shall establish and enforce attendance requirements, in accordance with applicable laws and regulations, Board policy and administrative regulations.

COMPULSORY SCHOOL ATTENDANCE REQUIREMENTS

All learners of compulsory school age who reside in the district shall be subject to the compulsory school attendance requirements. Compulsory school age shall mean the period of a child's life from the time the child's parents/guardians elect to have the child enter school, and which shall be no later than six (6) years of age until the child reaches eighteen (18) years of age. The term does not include a child who holds a certificate of graduation from a regularly accredited, licensed, registered or approved high school.

A learner shall be considered in attendance if present at any place where school is in session by authority of the Board; the learner is receiving approved tutorial instruction, or health or therapeutic services; the learner is engaged in an approved and properly supervised independent study, work-study or career education program; or the learner is receiving approved homebound instruction.

EXCUSED/LAWFUL ABSENCE

The Board considers the following conditions or situations constitute reasonable cause for absence from

school:

1. Illness, including if a learner is dismissed by designated district staff during school hours for health-related reasons.
2. Obtaining professional health care or therapy service rendered by a licensed practitioner of the healing arts in any state, commonwealth or territory.
3. Quarantine.
4. Family Emergency.
5. Recovery from accident.
6. Required court attendance.
7. Death in the family.
8. Participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4-H and FFA group, upon prior written request.
9. Observance of a religious holiday observed by bona fide religious group, upon prior written parental request
10. Non School-sponsored educational tours or trips, if the following conditions are met (a through c):
 - a. The parent/guardian submits a written request for excusal prior to the absence.
 - b. The learner's participation has been approved by the Superintendent or designee.
 - c. The adult directing and supervising the tour or trip is acceptable to the parents/guardians and the Superintendent.
11. College or postsecondary institution visit, with prior approval.
 - a. The district may limit the number and duration of college or postsecondary institution visits for which excused absences may be granted to a student during the school year.
 - b. See COLLEGE VISITS (pg. 10) in this handbook for additional information.
12. Other urgent reasons. Urgent reasons shall be strictly construed and do not permit irregular attendance.

PARENTAL NOTICE of ABSENCE - Absences shall be treated as unlawful until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence.

A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed practitioner of the healing arts.

UNEXCUSED/UNLAWFUL ABSENCE

For purposes of this policy, absences which do not meet the criteria indicated above shall be considered an unexcused/unlawful absence. **Learners whose absence is determined to be unexcused may not be allowed to make up work.** An out-of-school suspension may not be considered an unexcused absence.

ENFORCEMENT of COMPULSORY ATTENDANCE REQUIREMENTS

Learner is Truant - When a learner has been absent for three (3) days during the current school year without a lawful excuse, district staff shall provide notice to the person in parental relation who resides in the same household as the learner within ten (10) school days of the learner's third unexcused absence. If the learner incurs additional unexcused absences after issuance of the notice and a **School Attendance Improvement Conference** was not previously held, district staff shall offer a School Attendance Improvement Conference.

A School Attendance Improvement Conference is to examine the learner's absences and reasons for the absences in an effort to improve attendance with or without additional services. Neither the learner nor the person in parental relation shall be required to participate, and the School Attendance Improvement Conference shall occur even if the person in parental relation declines to participate or fails to attend the scheduled conference. The outcome of the School Attendance Improvement Conference shall be documented in a written

School Attendance Improvement Plan. The Plan shall be retained in the learner's file. A copy of the Plan shall be provided to the person in parental relation, the learner, and appropriate district staff.

Learner is Habitually Truant - When a learner has six (6) or more school days of unexcused absences during the current school year by a child subject to compulsory school attendance.

When a learner under fifteen (15) years of age is habitually truant, district staff:

1. Shall refer the learner to:
 - a. A school-based or community-based attendance improvement program; or
 - b. The local children and youth agency.
2. May file a citation in the office of the appropriate judge against the person in parental relation who resides in the same household as the learner.

When a learner fifteen (15) years of age or older is habitually truant, district staff shall:

1. Refer the learner to a school-based or community-based attendance improvement program; or
2. File a citation in the office of the appropriate judge against the learner or the person in parental relation who resides in the same household as the learner.

District staff may refer a learner who is fifteen (15) years of age or older to the local children and youth agency if the learner continues to incur additional unexcused absences after being referred to a school-based or community-based attendance improvement program, or if the student refuses to participate in such program.

Regardless of age, when district staff refer a habitually truant to the local children and youth agency, or file a citation with the appropriate judge, district staff shall provide verification that the school held a **School Attendance Improvement Conference**.

PARENT COMMUNICATION of ABSENCE The Huntingdon Area School District will take the following actions to communicate and address learners that are absent, truant, habitually truant, or have chronic absenteeism:

1. Each day a learner is absent from school the home will be called by the School Messenger System to notify the parents/guardians of the absence.
2. 1st & 2nd Unexcused Absences - a notification letter will be generated and stored in the family access portal in Skyward. All families have the availability to access Skyward.
3. 3rd Unexcused Absence - a warning letter describing consequences for habitual truancy will be mailed home.
4. 4th Unexcused Absence - an invitation to attend a School Attendance Improvement Conference
5. 7th Day of Cumulative Absence - a letter will be mailed home describing that your learner is approaching ten (10) cumulative absences and will need an excuse from a licensed practitioner of the healing arts once the learner exceeds ten (10) cumulative absences.
6. 10th Day of Cumulative Absence - a letter will be mailed home stating that all future absences from school will require an excuse from a licensed practitioner of the healing arts.

CHRONIC ABSENTEEISM

The state of Pennsylvania identifies chronic absenteeism as an important component to the Every Student Succeeds Act (ESSA). Chronic absenteeism is one indicator that Huntingdon Area High School will be evaluated on as part of our building score, a component of the PA Future Ready Index.

Chronic absenteeism will be calculated based on the number of learners who have missed more than ten (10) percent of school days across the academic year. Learners must not exceed 18 days absent in order for HAHS to receive a high evaluation.

Any learner who is chronically absent will have his/her absences reviewed by a committee consisting of the Superintendent, Building Principal, and Classroom Teachers. Chronically absent is defined as missing more than 10% of the school days across the academic year. If the committee determines that

the absences are not due to health reasons, the learner may receive no credit for all courses being taken.

Chronic absenteeism may result in learners losing the privilege of participating in school sponsored activities.

UNEXCUSED ABSENCES OVER SIX (6) DAYS

Learners are required to make-up all unexcused absences over six (6) days. The make-up days may be scheduled during detention and/or Saturday sessions. Seniors who fail to make-up days prior to graduation may not be permitted to participate in graduation ceremonies or receive their diploma until the days are made up. Underclassmen may not receive credit for their course work until the days are made up. Details pertaining to specific learners will be based upon the School Attendance Improvement Plan, developed at a School Attendance Improvement Conference.

Absence Excusal Procedures:

1. When a learner returns to school after an absence, the learner must report to the office and present a properly signed excuse from a parent or guardian or provide a medical excuse from a licensed practitioner of the healing arts.
2. **Failure to provide a proper excuse within three (3) days will result in the absence being classified as unexcused.** Each day that is not covered by a legal excuse will result in an unexcused day on record. If a learner is under the compulsory school attendance law, proper steps will be taken to enforce that law.

EDUCATIONAL TRIPS

Educational trips during the school year are permitted but are not encouraged. If an educational trip will be scheduled, please avoid our state testing windows, and midterms and finals. Any educational trip must have prior approval from administration. Educational Trips not exceeding five (5) school days may be excused under the following conditions:

1. A written request for the trip is submitted to the principal five (5) school days in advance.
2. The educational trip is within the first ten (10) absences.
3. The learner must be in good standing. Good standing is determined by administration and the learner's teacher(s) and based on attendance and academic progress.
4. The following must be submitted within 3 days of returning to school:
 - All schoolwork missed during the trip submitted to teachers.
 - Evidence of the educational value of the trip submitted to the High School Office. Evidence may include:
 - A slideshow presentation (3-5 minutes in length)
 - A written reflection (minimum of 3 pages)
 - Video Log (3 to 5 minutes in length)
 - Poster

Failure to meet any of the above conditions may result in unexcused absences. At the request of the learner, work will be provided prior to departure. Learners should communicate with teachers for receiving work, if requested, prior to leaving for the educational trip. Learners should also communicate with peers and refer to digital resources (i.e. Google Classroom) to review assignment expectations. Learners must submit all classroom work upon return according to the make-up work guidelines (see above).

The Board may limit the number and duration of tours or trips for which excused absences may be granted to a learner during the school term.

FIELD TRIP PROCEDURE

Learners involved with a school approved field trip:

- May not be failing 2 or more classes
- May not be considered chronically absent (as defined above)
- Will have a signed parental consent permission form signed and returned.

This procedure must be followed any time the learner is involved in a school activity that requires the learner to miss time from school.

COLLEGE VISITS

The school recognizes the benefits of college visits during a learner's junior/senior year. However, the school recommends minimizing absences for these visits. Such visits will be considered excused absences if they are pre-approved by the administration and a note from the college admissions office is turned in when returning to school. Learners should obtain a pre-approval and college visit form from the guidance office. Otherwise the day will be marked unexcused.

ENTERING AND EXITING THE BUILDING Between 7:30 AM and 2:43 PM all learners must enter and exit the building at the main office door. During the school day, learners may not be permitted to leave the building to retrieve items (books, projects, gym bags, athletic equipment, etc.) out of vehicles. **No learner is allowed to open any exterior door to let people into the building.**

TARDINESS

TARDY TO SCHOOL

1. Learners arriving to homeroom after 7:48 will be admitted by the teacher and marked tardy. Any learner arriving to school between 7:48-10:00 will be marked Tardy to School.
2. Learners arriving at school after 7:48 must sign in at the office and present an excuse for the tardy to be excused. The office will only accept up to ten (10) excuses for being tardy to school. After ten (10) excuses, the learner must present a properly signed medical excuse from a licensed practitioner of the healing arts.
3. Learners without a note will be marked unexcused tardy and discipline procedures for handling unexcused tardies will be followed as outlined in the chart below.
4. Learners not present at the start of the class period will be marked tardy for the entire period.
5. Time absent due to tardiness will be calculated as part of the overall attendance.

Learners arriving tardy to school will be marked accordingly:

1. Prior to 9:35am will be marked tardy. Tardies will accumulate into days absent.
2. Learners that are absent between 3-4 periods will be considered 1/2 day absent.
3. Learners that are absent 5 or more periods will be considered absent for a full day.

Discipline procedures for handling unexcused tardies to school:

TOTAL TARDIES	LEVELS OF CONSEQUENCES	TOTAL TARDIES	LEVELS OF CONSEQUENCES
1-2	Warning	6	One (1) ISS
3-4	One (1) Detention	7+	Administrative Discretion
5	Two (2) Dententions		

Learners that demonstrate excessive tardiness may be required to attend a School Attendance Improvement Conference.

Learners that demonstrate excessive tardiness may be required to make-up school hours as indicated in the UNEXCUSED ABSENCES section of this HANDBOOK (Pg. 9).

During Finals Week, learners are not permitted to come in late. Any learner doing so will be marked unexcused unless a medical note is brought in.

EARLY RELEASE

Pupils are not permitted to leave school before the close of the school day except by recommendation from the school nurse for illness or by the school administration for a legitimate reason. Early releases will be calculated as part of the overall attendance. Learners requesting an early release for a medical appointment must present a medical excuse from a licensed practitioner of the healing arts for the early release to be excused. The school reserves the right to call parents when an early release is requested. Phone calls or emails made to the office requesting an early release will not be accepted. Regardless of age, a written notice with a parental/guardian signature or a face-to-face request in the office from the parent will be the only forms of request that will be granted for early releases.

During Finals Week, learners are not permitted to leave early. Any learner doing so will be marked unexcused unless a medical note is brought in.

Learners that have an early release:

1. Learners missing 3-4 periods of the day will be considered 1/2 day absent.
2. Learners missing 5 or more periods will be considered absent for a full day.
3. Times absent due to early release periods will be totaled toward total days absent, and excessive absences may result in truancy proceedings.

The procedure for learners with early dismissals will be as follows:

1. Report to the high school office between 7:30 a.m. and 7:48 a.m. in order to get an early dismissal slip.
2. The learner shall present a written note from his/her parent or guardian requesting the early dismissal. This note must contain name, phone number, and reason for request, time of departure and time of return.
3. Present the early release dismissal pass to your teacher.
4. Take the early dismissal pass to the main office and sign out before leaving the building.
5. When the learner returns, he/she must report to the office to sign in, and obtain a pass to return to class. At this time, a medical excuse should be provided.
6. When a learner returns to class he/she must present their pass to the teacher.

Note: There may be adjustments to this procedure when electronic upgrades become available to reduce time in the office due to COVID-19 precautions. These adjustments, if made, will be reviewed with learners prior to implementation.

Classroom Attendance Infraction It is the learner's responsibility to be in class on time or to present an excused pass to the teacher. A reasonable amount of time has been allowed for the changing of classes. If a learner loiters on the way to class, however, he/she will no doubt be late. Learners must present to the teacher an approved pass in order to not have a discipline referral.

Tardies to class will be calculated cumulatively for the entire year. See Behavior Guidelines and Consequences Chart for administrative and teacher guidelines for handling tardies to class.

MAKE-UP WORK If a learner has been legally absent, is tardy, or has an early release, he/she should contact his/her teacher for makeup assignments upon returning to class. Learners should also communicate with peers and refer to digital resources (i.e. Google Classroom) to review assignment expectations. Learners whose absences are determined to be unexcused may not be allowed to make up work. Turning in make-up work to classroom teachers following an absence from school will follow the guidelines listed below:

- Assignments received prior to absence: Work turned in the day upon the learner's return to school
- One day absent: Learners have one day upon returning to school to return all make-up work
- Two days absent: Learners have two days upon returning to school to return all make-up work

- Three days absent: Learners have three days upon returning to school to return all make-up work
- Absences longer than three days: Learners and/or parents should contact the HS Office to request work to be made up. Learners should communicate with teachers about an appropriate timeframe for returning the make-up work.
- Failure to follow make-up work procedures may result in make-up work being denied.
- Longer-Term Assignments: Teachers may, for special assignments such as research papers, long-term projects, and presentations, maintain a hard deadline/due date for assignment completion. Deadlines will be communicated in advance.

MAKE-UP WORK: FIELD TRIPS and EARLY RELEASES

Learners may miss school due to field trips and early releases for athletics, club participation, etc. Learners who will miss class due to these reasons should follow the following guidelines listed below:

- Assignments that are due during the day of the field trip or early release should be completed and submitted to the classroom teacher prior to leaving school.
 - Note: Many assignments can be submitted digitally, and learners may use time prior to homeroom, during lunch, and during class changes to submit work. Learners should not interrupt classes to turn in work.
- The guidelines for a one day absence will be followed for work missed during classroom time on the day of the field trip or early release.
- Learners are responsible to communicate with teachers about receiving assignments and materials, and/or any extenuating circumstances.

PERFECT ATTENDANCE AWARD Perfect attendance means you must be present in school. Learners leaving school for a period of 2 or more hours will be considered as being absent and not eligible for this award.

HOMEBOUND INSTRUCTION - Reference [School Board policy 117](#)

PASSES

HALL PASSES

Except during the changing of classes, a learner must have a pass to be out of his/her assigned area.

1. In order for a learner to go to another room to make up a test or for other reasons, a pass must be secured prior to the beginning of class.
2. Learners wishing to see a guidance counselor may sign the appointment book in the guidance office.
3. A learner who requests to see the nurse must have a pass signed by the teacher, and the nurse will sign the pass and return it to the teacher. If the learner is returning to the class from which the pass was issued, the learner will return the pass. If the learner is sent back to class during another class period, the nurse will issue the learner a new pass to that class.
4. Teachers will not issue a pass for a learner to see other learners or teachers.

RESTROOM PASSES Learners are to use the restroom between class periods, and passes from classrooms will be restricted to emergency use only. Learners are to use restrooms closest to their classroom.

Note: There may be adjustments to hall pass procedures when electronic upgrades become available. These adjustments, if made, will be reviewed with learners prior to implementation.

HEALTH

MEDICAL SERVICES

First aid services for emergency illnesses or accidents are under the direction of the school nurse. If conditions warrant the services of a nurse, learners should report to the nurse's suite after consulting with their teacher in charge. If the nurse is not available, the learner should report to the main office.

Note: Due to the COVID-19 pandemic, please refer to the district Health and Safety Plan and/or specific building information regarding daily screening procedures and processes if symptoms related to COVID-19 are expressed. The website can be found [here](#). Changes to the website may occur during the year. Any information and precautions related to COVID-19 may supersede information otherwise listed below in the Learner Handbook.

LEARNER ILLNESS

If your child becomes ill at school, you will be called and a determination will be made for what is best for your child. Children with a temperature of **100.4 degrees** or more will be sent home and should remain home until they are fever free for 24 hours. Any child with vomiting, diarrhea, or flu like symptoms must stay home or if they are sent home they must be symptom free for 24 hours without fever reducing medication.

ILLNESS AT SCHOOL

1. Secure a pass from the teacher to go to the nurse's office.
2. Sign-in at the nurse's office and see the nurse.
3. Sign out of the nurse's office and return to class.

When a parent/guardian comes in to pick up a sick learner, the parent/guardian must go to the office and sign a dismissal form unless other dismissal arrangements are made. If a learner is ill at school, the school nurse or administration may grant permission for a parent/guardian to pick up the sick learners. **Learners are not permitted to call or text a parent/guardian to be picked up from school because of an illness without consulting the school nurse or administration. If a learner calls or texts a parent/guardian for pick up without consulting the school nurse because of being ill, the absentee may result in an unexcused absence.**

ACCIDENTS and ILLNESS

Any serious injury, which occurs on a school bus, in the school building, or on the school grounds, must be reported immediately to the main office and the school nurse. A written report must be made immediately by the supervising teacher and turned in to the office for medical and insurance purposes. The learner's parents will be notified.

MEDICATION - Reference [School Board Policy 210](#)

Learners that are prescribed a controlled substance are not permitted to be in school while under the influence of the controlled substance. Learners are permitted to return to school when they can take over the counter pain medications. For example learners prescribed Percocet due to injury or illness, may not return to school until they are done taking the controlled substance. Special circumstances will be considered on an individual basis with a specific health plan.

Although the Huntingdon Area School District strongly recommends that medication be given in the home, it realizes that the health of some children requires that they receive medication while in school. When medication is to be taken at school, the following steps must be taken:

1. The doctor must complete **Medication Form A**. (Please contact the school nurse.)
2. The parent/guardian must sign the consent form for **Medication Form B**. (Please contact the school nurse.)

3. Any medication to be given during school hours must be delivered to the school nurse, school secretary, principal or designated individual by the parent/guardian. The medication must be brought to school in the original pharmaceutical dispenser and properly labeled container.
4. In instances where parent/guardian neglects to fulfill the requirements of forms A and B, the medication will not be administered.
5. Learners may carry their own cough drops in school.
6. Learners may carry their own inhaler or epipen with proper documentation of form B.

Non-prescription medications are not permitted in school. If administration of a non-prescription drug is determined to be necessary, the school nurse or secretary will follow in-house medication procedure.

POSSESSION/USE OF ASTHMA INHALER OR EPINEPHRINE AUTO-INJECTORS - The Huntingdon Area School District shall permit learners to possess asthma inhalers and epi-pens and to self-administer the prescribed medication used to treat asthma and/or life threatening allergic reactions when such is parent authorized. Reference [School Board Policy 210.1](#) for proper procedures to follow.

NALOXONE- Reference [School Board Policy 823](#)

As a means of enhancing the health and safety of our learners, staff and visitors, the district may obtain, maintain and administer doses of an opioid antagonist and other facilities, specifically Naloxone, for emergency use to assist a learner, staff member or other individual believed or suspected to be experiencing an opioid overdose.

The Huntingdon Area School District has Naloxone available to treat opioid drug overdoses. Naloxone reverses the effects of opioid drugs.

Possible symptoms of an opioid overdose can include but are not limited to: confusion or delirium, mood swings, nausea or vomiting, extreme constipation, pinpoint pupils, extreme sleepiness, or inability to wake up, breathing problems, including slowed or irregular breathing stopped breathing, and cold, clammy skin, or bluish skin around the lips or under the fingernails. Learners and staff should report suspected opioid overdoses immediately to district administration. Learners should immediately inform a teacher, guidance counselor, nurse, administrator, or other school personnel if they believe an opioid overdose has occurred.

The protection from criminal prosecution is provided by law for persons who report a suspected overdose using their real name and remain with the overdosing person until emergency medical services (EMS) or law enforcement arrive, as well as for the person whose overdose they report.

The protection from civil liability is provided by law for persons who report overdoses or administer Naloxone in overdose emergencies.

SUICIDE AWARENESS, PREVENTION and RESPONSE- Reference [School Board Policy 819](#)

The Huntingdon Area School District is committed to protecting the health, safety and welfare of its learners and school community. This policy supports the provision of a comprehensive district program designed to promote behavioral health and prevent suicide.

ACADEMIC PROGRAMS

COURSE COMPLETION

Learners must earn a minimum grade of 60% in a course in order to receive credit and should earn a minimum of 6.0 credits per year in order to graduate on time.

Learners who fail a required course must successfully make up the course in order to graduate. This can be accomplished by completing the course in summer school or, in certain cases, scheduling and completing the course during the remaining years prior to graduation.

KEYSTONE EXAMS

Learners belonging to the graduating class of 2022 and beyond will be required to meet one of the following pathways in order to satisfy statewide graduation requirements, as defined by Act 158 of 2018:

- Keystone Proficiency Pathway
- Keystone Composite Pathway
- Alternate Assessment Pathway
- Evidence Based Pathway
- CTE Pathway

Specific information regarding requirements for each pathway can be found at this [link to the PDE website](#).

Keystone Exams (for Algebra I, Literature, and Biology) will continue as the statewide assessment that Pennsylvania uses to comply with accountability requirements set forth in the federal Every Student Succeeds Act (ESSA) and PA Senate Bill 1095 of 2018. Although a student may not be required to achieve proficiency on the Keystone Exams in order to graduate, based upon the pathways previously listed, students are required to take the Keystone Exams for purposes of federal accountability. Learners may be required at the school level to participate in remediation prior to re-taking an exam and/or complete additional activities in order to meet one of the designated state-recognized pathways.

Statewide High School Graduation Requirements are always subject to change according to state legislation.

Note: COVID-19 and 2019-2020 School Closure Keystone Exam Information

- Learners in the **Class of 2021 (current seniors) will not be required to take or retake Keystone Exams**. However, learners have the option to test. If learners want to take the exam, they should contact their school counselor or principal.
- **Learners in the Class of 2022 and beyond still must meet the state graduation requirements as previously outlined**. GRADUATION PROJECT

All learners must successfully complete a graduation project, which consists of a mock interview, portfolio, and visual aid, as part of the Senior Symposium. Successful completion of the graduation project is required to participate in graduation ceremonies. See Guidance for details.

GRADUATION

For a learners to participate in commencement exercises, all graduation requirements must be completed prior to the date of commencement. Learners will be able to participate in the first scheduled commencement exercise after completing all graduation requirements.

Learners transferring from home, cyber or private school to HASD must fulfill the following requirements to receive a diploma and participate in graduation ceremonies:

1. Be a full-time learner during the twelfth grade year to prepare and participate in District-approved State Standardized Testing.
2. Satisfy the graduation requirements listed previously.
3. GPA will be calculated but not placed in class rank.

GPA CALCULATIONS

Classes that are "Honors" or "Advanced Placement" will earn what is termed "weighted" grade point average (GPA).

The difference between a weighted and unweighted GPA is that weighted GPA takes the rigor of each class into consideration. An unweighted GPA does not recognize this difference. This results in a more equitable assessment of cumulative GPA and class rank because learners are earning their GPAs based on the class rigor and grades earned, instead of grades earned only.

GPA is determined based on a mathematical calculation involving credits attempted, credits earned, and quality points, which is all a part of the grading scale. The grading scale will have additional factors to allow for weighting.

The "weighting" key is as follows:

Classes which are named "Advanced Placement" will earn a weighting of 1.4;

Classes which are named "Honors" will earn a weighting of 1.2;

All other classes earn a weighting that is equal to the number of credits earned.

GRADING

Teachers will use the following guidelines to assess learners throughout the marking periods:

- Skills: Homework, Participation – 25% maximum
- Academics: Tests, Labs, Quizzes, Writing, Projects – 75% minimum
- Example: Homework – 10%, Participation – 10%, and Academics – 80%

Letter grades and percentage grades will appear on report cards as follows:

Letter Grade	Percentage	Letter Grade	Percentage	Letter Grade	Percentage
A	95-100	C+	77-79	D-	60-62
A-	90-94	C	73-76	F	Under 60
B+	87-89	C-	70-72	I	Incomplete
B	83-86	D+	67-69		
B-	80-82	D	63-66		

1. All work must be completed within two weeks of the end of marking periods 1, 2, and 3. No incompletes are given at the end of the 4th marking period.
2. Final grades will be determined by using an average of the percentage grades combined as follows:
 - (a) A one-semester course: 50% each marking period.
 - (b) A full-year course: 25% each marking period.
 - (c) A semester grade will be calculated by the average grade of the two marking periods within the semester. The course final grade will be determined by the average of the semester grades.
For a semester course, the final course grade will be the semester grade.

Note: Midterms and Finals will not be required during the 2020-2021 school year. Teachers may administer a comprehensive midterm and/or final within their classes. These scores will be reported as part of their Marking Period 2 or 4 course grades.

3. Honors, Salutatorian, and Valedictorian status is determined at the end of the fourth (4th) marking period.

All courses that receive a letter grade throughout the learner's high school career are used in these calculations.

4. Honors learners their senior year will receive cords for a QPA of 3.75 and above.
 - High Honors = QPA of 3.75 and above
 - Honors = QPA between 3.5 and 3.749

SCHEDULE CHANGE POLICY

The school's master schedule is designed each year based on the courses our learners request. Every effort is made to match learners' needs and interests. Once the master schedule is in place, it cannot be reconstructed. Learners are permitted to drop a course, **during the Drop/Add period**, with parent/guardian, counselor, and principal approval and teacher input. Not all requests for schedule changes can be honored, even during the Drop/Add period, due to credit requirements, timing of classes, and class size and personnel considerations. Please note that schedule change requests that request specific teachers and/or classes during specific times, that drop credited courses for study halls, or that are made based upon grades, performance, and GPA calculations, will not be honored.

To request a schedule change during the Drop/Add period, see your school counselor for a **Drop/Add form**.

Drop/Add Periods: **Semester One:** August 27, 2020 – September 11, 2020
Semester Two: January 20, 2021 – January 29, 2021

Please note that Drop/Add requests should occur as soon as possible at the start of the semester.

COLLEGE COURSE

College courses that will receive a percentage grade on the high school transcript (and will affect the high school GPA) include: Any college course taken as a required high school credit and any college course a learner chooses to take for high school GPA credit. In all other cases, learners will still earn high school credit, but will receive a Pass or Fail grade on the high school transcript, which does not affect the high school GPA. High School credits earned for college courses are as follows:

1 college credit = 0.5 high school credit
3 or more college credits = 1.0 high school credit

Learners can have weighted grades for college courses if the same collegiate weighted course (AP/Honors Level) is available at Huntingdon Area High School. For example, a learner can take a Calculus I course at Juniata College for 1.4 weight if HAHS offers AP calculus or CIHS calculus.

SUMMER SCHOOL - Summer school courses are conducted online, and there are additional fees involved. See Guidance for details.

CODE OF LEARNER CONDUCT & DISCIPLINE

For any school district to function properly, reasonable and necessary rules governing learner conduct must be designed and enforced. Every learner that is in non-compliance with the following rules will be disciplined based on knowledge of the current problem and past experience with the individual involved. Every situation is different, and after hearing all the facts involved, a decision will be made.

The high school administration and teachers retain the right to assign such discipline for infractions that are not specifically listed within this handbook. Learners will be disciplined taking into consideration the past disciplinary record of the learner and any other extenuating circumstances. All disciplinary actions are at the discretion of the administration

REPORTING ANONYMOUSLY

Any learner concerns may be reported to HASD personnel anonymously by learners. Any concerns needing immediate attention should be reported directly to administration and/or guidance, in person or by email, or may be reported utilizing the Safe2Say Something program.

TEACHER-ASSIGNED DETENTION

Teachers may assign learners thirty (30) or sixty (60) minute detentions for minor infractions that involve classroom behavior. Examples of minor infractions include, but are not limited to, sleeping in class, inappropriate language, or disrupting the classroom environment. The detention will be served on Tuesday or Thursday from 2:50-3:20 or from 2:50-3:50 in room 105. The learner should have a 24-hour notice to make arrangements for transportation. After the 24-hour notice, the learner must complete the detention within the next two (2) scheduled detentions. Failure to complete the detention may result in the following:

- 30 minute detention will become a 60 minute detention.
- 60 minute detention will become 120 min detention.
- Failure to complete detention within the appropriate time period will result in ISS (In-School Suspension).

DETENTION

Detention is held every Tuesday and Thursday afternoon from 2:50 p.m. until 3:50 p.m. in room 105. Learners will be given notice of assigned detention and must provide their own transportation home. Extracurricular activities cannot be an excuse for missing detention. Excused absences from detention must be approved prior to the absence.

The following guidelines will need to be followed while serving detention:

1. Electronic devices are to be used for educational purposes.
2. Learners are to be engaged in learning (reading, studying, homework, etc.).

- The Huntingdon Borough Police will be notified and may conduct an investigation.

IV. PROCEDURES FOR HANDLING VIOLATIONS AND PENALTIES

A. In the event that the principal has reasonable cause to believe that a learner is violating or has violated the discipline policy:

- The principal or his designee may search a learner's locker, desk, or personal belongings, such as a book bag, clothing, purse, pocketbook, etc., and such learner's vehicle on school property. By parking or operating a vehicle on school property or by permitting one to be parked or operated there, the person responsible for the vehicle will be deemed to have consented to a search of the vehicle.
- In the event that a search discloses the existence of contraband, the principal or his designee will retain such contraband for delivery to police authorities for appropriate disposition and will notify the school superintendent. Such contraband should be seized in the presence of witnesses and marked for future identification. The principal should deliver to the owner of the contraband, if known, a receipt with the names of the witnesses and their signatures. The principal should also obtain a receipt from the police officer who takes possession of such contraband. The principal will maintain a record of the seizure, which will include the date and time of any seizure, the name of the person from whom the contraband was received, the date and time of the disposition of the contraband, the name of the person to whom the contraband was delivered, and a description of the contraband. Any person having seized or received contraband will be prepared to testify as to its purpose and the times and dates of its possession.

B. In the event that it is determined that the learner has violated Section I, II, or III of the substance abuse, weapons/explosives, or arson section, the procedures will be as follows:

- The administration shall immediately notify by telephone the learner's parents/guardians and the school superintendent. In all instances in which any contraband is seized, administration will observe the procedure described in Paragraph A of this section.
- The administration will confer with the learner, his/her parents or guardians, police officials, and the school superintendent or his designee to discuss the incident and determine a proper course of action consistent with the policy set forth herein.

V. PREVENTION:

- Administration and staff will maintain a general knowledge of controlled substances and be able to recognize significant changes in appearance and behavior in learners.
- Administration and staff will monitor each substance abuse case to ensure that an appropriate intervention and follow-up response has been made.
- Administration will promptly investigate any report or rumor of the presence or possession of any contraband or materials, which may cause or result in arson.

USE OF DRUG DETECTING CANINES The Huntingdon Area School District has authorized the use of drug detecting canines in the school district. All learners need to be aware that searches will be periodic and unannounced and will include all lockers, backpacks and vehicles on school grounds.

Huntingdon Area School District One-to-One iPad Guidelines and Insurance Information

Philosophy

Our primary mission for increasing access to educational technology is to transform learning in the Huntingdon Area School District. We believe that technology rich classrooms, when facilitated by properly prepared teachers, are the vehicles to achieve this goal.

Our goals are:

- To use technology to customize learning and maximize learner success.
- To increase academic rigor, better preparing learners for success in whatever post-secondary path they select.
- To increase learner engagement in our classrooms through the meaningful integration of technology in the daily curriculum.

One specific technological tool that we want to be readily accessible to learners at school is an Apple iPad. This document provides the necessary guidelines for our learners to use the iPad as a powerful educational tool for 21st century learning.

iPad Guidelines

The Apple iPad and case are the property of the Huntingdon Area School District. iPads will be assigned to learners who are enrolled on a full-time basis and must be returned to the Huntingdon Area School District at the conclusion of each school year. The iPad must be returned in original working condition. ***Damage not covered under insurance will be the responsibility of the learner and/or parent.***

The district's Apple iPads are educational tools and are to be used only in that capacity. The Huntingdon Area School District's [Acceptable Use Policy](#) binds learners using district devices, regardless of the location of usage. The policy is available through the school district web site (<http://www.huntsd.org>.) The use of the iPad is a privilege that can be revoked upon violation of the [Acceptable Use Policy](#). Inappropriate use or neglect of an iPad, its case, the Internet, or any other installed software will result in the loss of use of the iPad. Loss of the learner iPad will not change classroom expectations and assignment completion.

Internet, Software, and E-mail Guidelines

The [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#) must be followed at all times. Learners should have no expectation of privacy as related to the iPad and can expect teachers, technical support staff and administrators to conduct spot checks of their Internet history, logs and other records of usage. Inappropriate Web activity or email use may result in loss of iPad privileges. If a learner "accidentally" links to an inappropriate Website, he/she should close the site, note the

time and date of the incident and report it to the teacher. Learners may not install or run software that has not been approved by the administration.

All learners will be issued a filtered district Gmail account along with a corresponding Google Drive account. Gmail email is to be used for school/academic purposes only and must be used in accordance with the [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#). The district email is set up for school-related activities and should never be used for personal or business communication. The district-provided email account is not private and can be reviewed by building and district administration as well as school district and vendor support. Messages that are blocked by the content filter will be reviewed throughout the school day. Any non-academic email that is blocked by the content filter may be deleted and may not be delivered to the recipient.

General Rules

- Learners will carry their iPad throughout the school day. Learners are responsible for the iPad at all times. The iPads are not to be left unattended. All iPads must be kept in the provided protective case, at all times. The screen protector should be covering the screen when the iPad is not in use.
- Unless directed by their teacher, learners are not authorized to use other learner's iPads. In addition, learners are not permitted to allow others to access their iPad, including family members and friends.
- Learners may not use the iPad in bathrooms or locker room facilities at any time.
- iPads must never be left in an unsecured or unattended area. If a learner is unable to carry and supervise his/her iPad, the iPad is to be locked in the individual learner's assigned classroom cart. It is the learner's responsibility to notify the school office when circumstances arise that prevent the learner from carrying the iPad around school. The school office will review such requests and make alternate arrangements if necessary.
- Learners must keep their passwords confidential, and update passwords according to district guidelines.
- Learners are responsible for regularly backing up school documents on their Google Drive. Learners are expected to keep all of their school files in their Google Drive. Failure to back up documents does not constitute an excuse for not turning work in on time.
- Learners may not alter any settings on their iPad, without administrative approval.
- Location services must be enabled at all times on all district iPads.
- Headphones are prohibited in class unless a faculty member grants permission.
- Obscene language and/or inappropriate materials, including screensavers, desktop backgrounds and/or pictures are strictly prohibited. Inappropriate use of the iPad camera is also strictly prohibited.
- Learners must follow all copyright laws. Familiarize yourself with [School Board Policy No. 814- Copyright Material](#).
- Downloading unauthorized games, applications, or software by learners prohibited.
- All software and apps will be licensed, approved and installed by a District Computer Technician.
- Learners may not attempt to gain access to the internal electronics or repair the iPad.
- Learners may not alter the base operating system of the iPad (which is known as "Jailbreaking".) This is prohibited under all circumstances.
- Learners may not throw or slide the iPad.
- Insert and remove cords and cables carefully to prevent damage to the iPad.
- Learners should use caution when storing iPads in non-temperature controlled locations such as a vehicle in excessive heat or left outside.
- Screens are susceptible to damage from excessive pressure or weight. Learners may not place or stack objects on iPads. Be aware that overloaded backpacks can damage the device.
- Learners may not use sharp objects on the iPad.
- Learners may not use cleansers of any type to clean the iPad. Use only a clean soft cloth to clean the screen.
- The district recommends that all learners taking their assigned device home use an additional protective iPad sleeve and/or a backpack or bag with a protective device compartment to protect the iPad while in transit.

General Operating Guidelines

- The iPad must remain in the case at all times.
- **All iPads and cases must remain free of any writing, drawing, stickers, decals or labels that are not the property of the District.**
- Do not remove or alter school identification or nametags on the iPad or case.
- Do not place anything inside the iPad case (i.e. pen, pencil, disks, paper, books).

- Do not eat or drink while using your iPad. Learners who are prone to spills, drops, or other accidents may wish to invest in insurance.
- When using headphones or other accessories, be sure to carefully remove such accessories when finished.

Charging Guidelines:

- At the end of each day, all learners who are not taking their devices home must return their iPad to their assigned charging cart, and carefully connect the charger. Only the district provided charger should be used to charge district iPads.
- Loaner devices may NOT be available to learners who forget to connect and charge their iPad. A limited supply of chargers are available to check out from school libraries.
- Failure to charge the iPad is equivalent to not being prepared for class.

Personal Data Storage Guidelines:

- Some apps allow learners to complete work offline. However, it is each learner's responsibility to backup all work regularly to their Google Drive. Failure to backup data does not constitute an excuse for missed assignments.
- There is no expectation of privacy for data stored on District equipment or the Huntingdon Area School District learner Google Drive account.
- Back-up important data from your iPad before turning it over for repairs or at the end of the school year or when requested by a school official.

Internet Usage Guidelines:

- Do not visit inappropriate websites or click on questionable links.
- The use of proxies to bypass District filtering is not acceptable and violates [School Board Policy No. 815: Acceptable Use Electronic Communications Systems, Devices, Network and Internet](#).

Cleaning Guidelines

- Do NOT use water or other cleaning solutions on the iPad.
- Clean dirty screens with an anti-static cloth. Do not use tissues, paper towels or any other kinds of material that will scratch the iPad screen.
- Any further cleaning needs should be reported to the office.

Support Guidelines

- Learners are responsible for reporting any technical issues affecting the performance of the iPad to a member of the technical staff or administration. This needs to occur in a timely manner to ensure loaner iPad availability.
- Learners with a technical issue should request assistance from the classroom teacher first. If the classroom teacher is unable to resolve the issue, the teacher will contact the district computer technician by filling out a work ticket on the support website.
- In some instances, it may be necessary for a computer technician to access the iPad remotely to resolve a technical problem. If this is needed, the learner will be asked for permission before the remote access is performed. The learner will not be asked for any permission prior to remote software or configuration changes sent out to all iPads. Such software maintenance may involve the correction of altered code or programming, and in some cases, may remove files from the mobile device if the files are deemed to be a threat to the operation or security of the device and/or District Network or are stored in unauthorized software. The device will not be used as a surveillance or monitoring tool.
- Learners should not attempt any repairs on the iPad themselves. All repairs are to be initiated by district computer technician.

The district utilizes specialized tools to monitor and prevent inappropriate use of district technologies. If learners have reason to believe another learner is using the District network or iPads **for cyber bullying, other behavior violations or any** manner that violates [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#), please contact the principal or assistant principal.

Taking Devices Home

To continue learning any time, anywhere, learners are permitted to take their assigned devices home for educational use. Learners wishing to take their iPads home must meet the following requirements:

- Learners and their parents/guardians have an **Off Campus Usage** form on file;

- Learners and their parents/guardians have submitted a signed **Acceptable Use Policy** form;
- Learners must follow all guidelines for acceptable and appropriate use of the device.

Please see the next two pages for the Off-Campus Usage and Insurance forms.

**Huntingdon Area School District
2020-2021 iPad Insurance Form**

The Huntingdon Area School District is offering families the opportunity to protect district-owned Chromebook/iPads ("device") utilized by learners. This optional plan protects the device against accidental damage (drops/spills), loss or theft, fire, flood, and natural disasters. The plan will also act as an extension of the manufacturer's warranty against defects. Insurance is highly recommended, although it is not mandatory. **Insurance is not mandatory if the learner's parent/guardian chooses to allow the device to be taken home, but is strongly recommended.** If you choose **not** to purchase insurance, the parent/guardian is financially responsible for all repair or replacement costs of the device and its accessories.

Parents/Learners purchasing insurance will be responsible for the following deductibles:

- **2nd Claim: \$150 or cost of repair (whichever is less)**

Learners will be responsible for the care of devices and device accessories, including, but not limited to: keyboard, case and charger. Devices can be tracked by their serial numbers. The insurance fee scale for the 2020-2021 school year is listed below. If you qualify for free or reduced lunch status, you also qualify for reduced insurance costs.

HS Procedures and Guidelines for iPads

To avoid interrupting the learning environment the following guidelines must be followed in order to retrieve your iPad during the day or put back your iPad when leaving for the day.

Each morning during homeroom, learners will retrieve their iPad from the cart. If the iPad is properly placed in the charging station, the battery should be able to last the entire day. When the dismissal bell rings at 2:43 pm, or when a learner's designated dismissal time occurs, learners may return their iPads to homeroom and place it into the charging station.

Special Notes Returning iPads to Homeroom

A.M. HCCTC Learners - Retrieve your iPad during homeroom and place it in your locker prior to leaving for the HCCTC.

One cart charging station will be in the HS Office and the other in the Library. You are responsible for ensuring that the iPad is charged and for retrieving it the next day.

ELECTRONIC DEVICES GUIDELINES

1. Electronic devices are permitted in the cafeteria during lunch periods.
2. Electronic devices (cell phones and any other device you bring from home) are not permitted for classroom use during instructional time. Learner devices are to be stored in the designated classroom location, or are not to be brought to the classroom. Devices should not be on the person of the learner during instructional time.
3. Teachers may use discretion for permitting device use during non-instructional times (i.e., Study Hall).
4. Sound from any electronic device must be contained via headphones/earbuds. Earbuds should not be worn, nor should learners be listening to music, in the hallways.
5. Learners are not permitted to make and/or receive phone calls on their electronic devices (cell phones) without permission from a teacher or administrator.
6. The use of electronic devices for unauthorized picture taking or recording (video or audio) of any kind is strictly prohibited.

Violation of guidelines 5-6: Any offense may be disciplined by building administration according to District policy and referred to the School Resource Officer (SRO).

TRANSPORTATION

LEARNER CONDUCT ON BUS

Proper bus riding conduct is essential to the safety of all who ride the bus. The bus driver's first concern is for the safety of the learners. If for some reason his/her concentration is disrupted by unruly learners, the welfare and safety of all is in danger. The school bus is an extension of the classroom. The District utilizes the School Wide Positive Behavior Support (SWPBS) program to instruct expectations and positively manage learner behavior across all grade levels. The driver of any school bus will be held responsible for the orderly conduct and safety of the learners transported.

Prior to the beginning of the school year, learner bus numbers, pick up, and drop off locations are assigned. Learners are only permitted to ride their designated bus from and to their pick-up and drop off location. All misconduct on the bus will be treated the same as misconduct in the school building; therefore, drivers are directed to report to the principal any misconduct by learners which is deemed serious enough for further action. Each driver will establish and post the district bus expectations on rules of his/her bus. Riders will be instructed on what meeting each of these expectations looks like and how they can meet each expectation. It is expected that riders will meet the expectations as instructed. The bus driver will assign all learners a seat. The principal may suspend a learner from bus transportation for disciplinary reasons, and the parents/guardians shall be responsible for the learner's transportation.

Unauthorized Entry of School Buses Only bus drivers and authorized school personnel are permitted to board a school bus. In accordance with state law, persons who enter a school bus without permission could face up to a year in prison and pay a fine up to \$2,500.

The school district provides all eligible learners with an opportunity to be transported by school bus to and from school. The riding of a school bus by learners is a privilege and not a right. Disorderly conduct or refusal to respect the authority of the school bus driver will be sufficient reason for a learner to be denied transportation to and from school in accordance with regulations of the local school.

Misconduct on the school bus can result in the following after district investigation:

- | | |
|-------------------------------|--|
| First Offense: | Warning, Reteaching of Expectations, Change in Assigned Seating and/or Conference with Administration. |
| Second offense: | Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, and/or removal from the bus for one (1) day. Detention(s) or ISS |
| Third offense: | Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for no more than three (3) days. Detention(s) or ISS |

| Subsequent offense(s): | Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for additional day or remainder of the year. |

LEARNER DRIVING and PARKING PRIVILEGE

The gravel parking lot is for staff and first come/first served learners. All drivers are expected to abide by safe driving rules and follow the flow of traffic. Learners parking in the designated lots without a permit or using the vehicle to break a school rule may result in the following:

- Third violation - Loss of parking privileges for forty-five days.

Learners driving to and from the HCCTC must sign in/out in the main office and enter/exit through the main office doors, unless permanent driving privileges are granted. This privilege may be revoked at any time if school rules are violated.

VEHICLE SEARCHES

A. The District retains the authority to conduct routine patrols of learner parking lots and inspections of the exterior of learner vehicles on District property, including by means of dog searches. Such patrols and exterior inspections may be conducted without notice, without learner consent and without a search warrant.

B. The interiors of learner vehicles may be inspected whenever school officials have reasonable suspicion to believe that illegal, unauthorized contraband or otherwise prohibited materials are contained inside or in the event such materials are in plain view upon inspection of the vehicle's exterior. Where the District wishes to inspect the interior of a learner's vehicle, the following guidelines are to be followed:

1. Where a school official has reasonable suspicion or has made observation in plain view, the learner shall be notified and given the opportunity to be present for the inspection of the interior of the vehicle. However, where there is reason to suspect that the learner vehicle contains material, which poses an immediate threat to the health, safety, or welfare of the learner or staff, the learner vehicle may be searched without prior warning.
2. Searches of learner vehicles may be conducted by law enforcement officials or upon properly executed search warrants presented to school officials, or the intelligently and voluntarily given consent of the learner.
3. Where the interior of a learner vehicle has been subject to a search, the parents of the learner shall be notified as soon as practicable after the search has been conducted.
4. In the event the learner refuses to permit a search of the learner's vehicle, after the District finds reasonable suspicion for the interior search, the learner shall be subject to discipline under the District's learner code of conduct. The District reserves the right to immediately notify the learner's parents and/or proceed to contact law enforcement authorities for obtaining a search warrant for the search of the interior of the vehicle.

C. If the results of the search produce evidence of drug or alcohol possession, theft of school equipment or supplies, or possession of a weapon, the learner in control of the vehicle will be appropriately referred to civil or criminal authorities for prosecution.

SCHOOL-HOME COMMUNICATIONS

The school district is using Skyward to strengthen the communications between the home and school. Parents will be able to access Skyward to more effectively track their child/children’s academic progress and attendance. It is important that families keep the information in the Family Access Portal updated, especially contact information such as phone numbers, email, and addresses, and preferences for notification, in order to most fully utilize the capabilities of the Skyward system. In addition, the school website, social media platforms (Facebook and Twitter), and Skylert auto-caller/text messaging system, are frequently updated and/or used to communicate information and reminders.

Learners will be assigned a locker in the corridor close to their homerooms. Locks are permitted on these lockers; however, a spare key or combination must be given to the office. Learners will not use any other locker but the one assigned. Valuables should not be left in the locker but deposited at the office for safe-keeping. Learners may visit their locker only between classes.

Note: Due to COVID-19 health and safety precautions, lockers will not be assigned, nor permitted to be used, until further notice. Learners are permitted to carry their backpacks from class to class. Learners will need to keep all belongings, including sweatshirts, coats, etc., with them throughout the day.

MORNING EXERCISES AND ANNOUNCEMENTS

Announcements will be made each morning. Afternoon announcements will be made on a limited basis. Announcements to be made should be presented to the school office for approval. Attendance, the flag salute and announcements will be the procedure each morning. During this period learners are to refrain from talking. To conduct the exercises over the public address, it is essential that each learner be seated in his/her assigned seat when the tardy bell rings.

PUPIL SERVICES DEPARTMENT

The utilization of the Child Study Team (CST) enables the district to meet the Federal Regulation in regards to Chapter 14 as well as a component of Response to Intervention. The CST is a group of professionals who provide consultative, evaluative, and prescriptive services to parents and learners. The CST encompasses parent(s), a regular education teacher, special education teacher, school psychologist, building administrator, guidance counselor, and the Director of Pupil Services and/or Assistant Director of Pupil Services. The district's therapist(s): occupational, speech/language, and/or physical therapist, as well as consultants may also participate as deemed necessary. Any agency representatives that are involved with the child are also invited to be a member of the CST process.

The CST process has assisted our district with providing screenings in various areas (cognitive, emotional, social, and communication). Parents and teachers may request a CST meeting at any time. The CST may recommend interventions, further screening, and/or a referral for a multidisciplinary evaluation (MDE) to determine eligibility for special education as a learner with a disability.

CST members review the learner's history, including any pertinent medical or health information as well as school attendance. Pre-referral interventions and assessment data are reviewed. The team may determine that additional interventions are warranted and would reconvene, or a Prior Written Notice for Initial Evaluation and Request for Consent Form and Procedural Safeguards would be issued to the parents. Once the Prior Written Notice for Initial Evaluation and Request for Consent Form is received, the Huntingdon Area School District abides by the information as stated in the form. After the evaluation results are gathered, a Multidisciplinary Evaluation Team meeting is convened. The team consists of parent(s)/guardian, school psychologist, Director of Pupil Services, regular education teacher, special education teacher, guidance counselor, and therapists (as deemed necessary). The MDE team reviews all of the information to determine by consensus if the learner is a learner with a disability and in need of special education services.

CHAPTER 14: Special Education

A child with a disability means a child who, as the result of a multidisciplinary evaluation, is determined to meet the criteria in one or more of the following categories: intellectual disability, hearing impairment including deafness, speech or language impairment, visual impairment, including blindness, serious emotional disturbance, orthopedic impairment, autism, traumatic brain injury, other health impairment, specific learning disability, deaf-blindness, or multiple disabilities and who is determined to need special education services. Learners determined eligible for special education services will receive an Individualized Education Program (IEP) based on their needs. The program to which a learner with a disability is assigned shall be one that provides an appropriate education, seeks to assure success in learning, and offers the least restrictive environment, in accordance with federal and state regulations.

CHAPTER 16: Gifted Support

The policy for identification as gifted for learners in the Huntingdon Area School District will require learners to meet the following criteria: an IQ of 130 or higher who meets established multiple criteria indicating gifted ability or a school-aged learner with an IQ score lower than 130 when other educational criteria strongly indicate gifted ability. Determination of mentally gifted must include an assessment by a certified school psychologist. Gifted education for each identified learner is based on the unique needs of the learner, not solely on the classification. Gifted education services enable identified learners to participate in acceleration and/or enrichment programs, and to receive services appropriate to their intellectual and academic abilities and needs. Eligibility for gifted support is evaluated on a case- by-case basis.

CHAPTER 12: Overview of K-12 ESL Program

The goal of the Huntingdon Area School District's English as a Second Language (ESL) programs is to facilitate the acquisition of English language skills of learners whose native or first language is not English. Upon enrolling into the school district, all families will complete a Home Language Survey (HLS). As a result of the survey, learners whose first language is a language other than English or if a language other than English is spoken in the home, the learner will be assessed in English proficiency in reading, writing, listening, and speaking. A program will then be developed to meet the learner's individual needs, dependent upon the assessment results.

Homelessness

The McKinney-Vento Homeless Assistance Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. The Huntingdon Area School District works to ensure that homeless learners have the same educational programs and services provided to other

district learners. For more information on this Act and how the district may be able to help contact: Chris Evans, Huntingdon Area School District Director of Pupil Services (including Homeless Liaison) at 814-641-2104 You can also access more information on this Act at: [this link](#).

Annual Public Notice of Special Education Services and Programs, Services for Gifted Students and Services for Protected Handicapped Students
August 2020

Notice to Parents

According to state and federal special education regulations, annual public notice to parents of children who reside within a school district is required regarding child find responsibilities. School districts (SDs), intermediate units (IUs) and charter schools (CSs) are required to conduct child find activities for children who may be eligible for services via Section 504 of the Rehabilitation Act of 1973. For additional information related to Section 504/Chapter 15 services, the parent may refer to Section 504, Chapter 15, and the Basic Education Circular entitled Implementation of Chapter 15. Also, school districts are required to conduct child find activities for children who may be eligible for gifted services via 22 PA Code Chapter 16. For additional information regarding gifted services, the parent may refer to 22 PA Code Chapter 16. If a student is both gifted and eligible for Special Education, the procedures in IDEA and Chapter 14 shall take precedence.

This notice shall inform parents throughout the school district, intermediate unit, and charter school of the child identification activities and of the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children. In addition to this public notice, each school district, intermediate unit, and charter school shall publish written information in the handbook and on the web site. Children ages three through twenty one can be eligible for special education programs and services. If parents believe that the child may be eligible for special education, the parent should contact the appropriate staff member identified at the end of this public notice.

Children ages three to school-age may be eligible for Early Intervention services if they are experiencing developmental delays. Developmental delays, as defined by the State and as measured by appropriate diagnostic instruments, include a 25 percent delay or a test performance of 1.5 standard deviations below the mean on a standardized assessment in one of the following developmental areas: physical development, cognitive development, communication development, social or emotional development or adaptive development. A young child may also be deemed eligible if they are determined to have a diagnosed disability as defined by PA Chapter 14 regulations. Eligibility for Early Intervention services is two-pronged. The child must be diagnosed with a developmental delay or a diagnosed disability and display a need for specially designed instruction. Specially designed instruction means adapting the content, methodology, or delivery of instruction to address the unique needs of the child and to ensure access to the general education curriculum.

Evaluation Process

Each school district, intermediate unit, and charter school has a procedure in place by which parents can request an evaluation. For information about procedures applicable to your child, contact the school which your child attends. Telephone numbers and addresses can be found at the end of this notice. Parents of preschool age children, age three through five, may request an evaluation in writing by addressing a letter to the intermediate unit staff.

Consent

School entities cannot proceed with an evaluation or reevaluation, or with the initial provision of special education and related services, without the written consent of the parents. For additional information related to consent, please refer to the Procedural Safeguards Notice which can be found at the PaTTAN website, www.Pattan.net or your educational agency. Once written parental consent is obtained, the district will proceed with the evaluation process. If the parent disagrees with the evaluation, the parent can request an independent education evaluation at public expense.

Program Development

Once the evaluation process is completed, a team of qualified professionals and parents determine whether the child is eligible. If the child is eligible, the individualized education program team meets, develops the program, and determines the educational placement. Once the IEP team develops the program and determines the educational placement, school district staff, intermediate unit staff, or charter school staff will issue a notice of

recommended educational placement/prior written notice. Your written consent is required before initial services can be provided. The parent has the right to revoke consent after initial placement.

Confidentiality of Information

The SDs, IUs and CDs maintain records concerning all children enrolled in the school, including students with disabilities. All records are maintained in the strictest confidentiality. Your consent, or consent of an eligible child who has reached the age of majority under State law, must be obtained before personally identifiable information is released, except as permitted under the Family Education Rights and Privacy Act (FERPA). The age of majority in Pennsylvania is 21. Each participating agency must protect the confidentiality of personally identifiable information at collection, storage, disclosure, and destruction stages. One official at each participating agency must assume responsibility for ensuring the confidentiality of any personally identifiable information. Each participating agency must maintain, for public inspection, a current listing of the names and positions of those employees within the agency who have access to personally identifiable information.

In accordance with 34 CFR § 300.624, please be advised of the following retention/destruction schedule for the Pennsylvania Alternate System of Assessment (PASA), Pennsylvania System of School Assessment (PSSA), and Keystone Exam related materials:

- PSSA, Keystone Exam, and PASA test booklets will be destroyed one year after student reports are delivered for the administration associated with the test booklets.
- PSSA and Keystone Exam answer booklets and PASA media recordings will be destroyed three years after completion of the assessment.

For additional information related to student records, the parent can refer to the Family Education Rights and Privacy Act (FERPA).

SAFETY

ASBESTOS NOTIFICATION - 2020-2021 school year

The Huntingdon Area School District is providing information to you concerning the asbestos management plans required under the Asbestos Hazard Emergency Response Act (AHERA). These plans are available for your review upon request. A copy of the plans for all buildings is located in the Superintendent's Office, which is located at 2400 Cassady Ave., Huntingdon, Pennsylvania 16652; telephone number (814)643-4140. The plans can be viewed by any person during normal business hours. Interested parties wishing to inquire about the hours and times that plans are available should call the telephone listed above. The asbestos management plans provide information regarding six month inspections, third year re-inspections and response actions.

FIRE REGULATIONS

A fire drill may be called at any time. Fire drills are very important, for the lives of many learners may depend on their success. When the fire alarm sounds, it is a signal for the pupils to line up and walk quickly and quietly to the exit, which has been indicated for the particular room in which the pupils are located. Information concerning assigned fire exits for all rooms is posted in every room. The auditorium, cafeteria, and gymnasium have their own plainly marked exits.

The first learner to reach any outside door will open the door and hold it open until the last person has left by that door. Then the door should be closed. All windows and doors should be closed. Teachers and learners will move to the area assigned well away from the building and remain orderly. The teacher will take his/her class roster with him/her and take attendance when everyone is out of the building. Once learners are accounted for, teachers will be radioed by administration to return to the building.

INTEGRATED PEST MANAGEMENT PARENTAL NOTIFICATION

The Huntingdon Area School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary, and will not be routinely applied. Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parents or guardians of learners enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you must be placed on the school's notification registry. If you would like to be placed on this registry, please notify the district in writing. Please include your e-mail address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem, notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and antimicrobial products; self-containerized baits placed in areas not accessible to learners, and gel type baits placed in cracks, crevices or voids.

Each year the district will prepare a new notification registry. If you have any questions, please contact the IPM Coordinator at (814)643-4140, ext. 2124.

ACCESS TO LEARNERS RECRUITING INFORMATION UNDER THE EVERY STUDENT SUCCEEDS ACT OF 2015 AND THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

All local educational agencies must provide military recruiters or institutions of higher education, upon request, access to secondary school learners and directory information on those learners. This "directory information" can routinely be disclosed and includes such items as names, addresses, and telephone numbers and is information generally not considered harmful or an invasion of privacy under FERPA. The release of directory information for secondary male and female learners is for the purpose of armed services recruiting or for informing young people of scholarship opportunities.

Under FERPA and Section 9528 of the Every Student Succeeds Act, parents may request the learner's name, address and telephone listing described in the preceding paragraph be excluded from the list provided to military recruiters or institutions of higher education and that this information not be released without prior written parental consent. All incoming 9th grade learners will be given a form, which parents should sign and return if they choose to opt out of routine disclosure of directory information. This will remain in effect unless written parental consent for the information to be disclosed is received by the High School Guidance Office.
