Assistant Principal

"ALL LEARNERS, ALL FUTURES"

August 25, 2020

Greetings HCCTC Learners and Families,

HAHS will begin the school year on Monday, August 31, 2020, under a 50% capacity hybrid learning model, with learners attending two days per week, according to their "Red" or "Blue" group. **August 31 will also be the first day that HAHS learners can attend the HCCTC.**

During times when HAHS will not be having five days of in-person instruction, we will work with the Huntingdon County Career and Technology Center (HCCTC) to still provide an opportunity for our learners to attend the HCCTC daily, since they can more easily meet social distancing guidelines at the HCCTC.

When learners attend **in-person sessions at HAHS**, transportation to the HCCTC will operate as regularly scheduled, with learners being transported to the HCCTC after their Pd. 4 Class/Lunch. Note that all learners will be attending the PM session at the HCCTC.

Please see the reverse side of this memorandum for an explanation of the **three transportation options to select from**, as well as a link to the [HAHS/HCCTC Hybrid Model Transportation Survey](#). We understand that this is short notice, but we ask that you **complete this survey by Thursday, August 27, 2020**, to help us plan to have your learners attend the HCCTC to the extent possible. We understand that there may be intermittent changes in transportation for families, so please select your choice based upon what your learner and family will utilize most of the time. We also understand that driving permits may not be secured prior to the first day of school. Learners will be permitted to drive if that is the preferred option, though documentation should be completed and permits received by the end of the first week of school.

Thanks in advance for your cooperation, and we hope that your learner has a great year at both the HCCTC and HAHS!

Sincerely,

Travis R. Lee,
HAHS Principal

HAHS/HCCTC Hybrid Model Transportation Survey

During **HAHS remote learning days**, learners will have the following options to attend the HCCTC:

Option A: Learners/Families Provide Their Own Transportation to HAHS

- Learners arrive to HAHS by 11:40 am
- Temperatures will be taken prior to getting on the bus
- Bus departs to the HCCTC at 11:45 am

Option B: Learners/Families Provide Their Own Transportation to HCCTC

- Learners arrive to the HCCTC by 12:00 pm
- Learners follow any arrival and health/safety protocols of the HCCTC
- Learners must have completed the proper documentation to receive a driving pass from **both** the HCCTC and HAHS

Option C: Learners Utilize HAHS Morning Bus Transportation

- Learners use regular HAHS morning bus run to come to HAHS
- Learners will be assigned an area of the building to report to, such as a Study Hall. Learners will not be permitted to attend their regularly scheduled classes.
- Bus departs to the HCCTC at 11:45 am
- **Note: Morning transportation will not be provided on Wednesdays.** Therefore, on Wednesdays, learners must utilize **Option A or B** in order to attend the HCCTC.

Based upon the options above please complete the
