**Full, 100% in person instruction for Elementary Schools Effective Monday, November 16, 2020
Blended/Hybrid Instructional Model of Learning for HS/MS continues**

Huntingdon County, for the fourth week in a row continues at a substantial level of community transmission. As we continue to monitor our internal case counts for positivity and close contacts, our plan is to return the elementary schools at 100% in person instruction effective Monday, November 16, 2020 and continue with the blended/hybrid model for secondary until further notice.

Week of November 16 and until further notice

Elementary Full in-person 100%

High School and Middle School Blended/Hybrid

- Mon. - Wed., 11/16 - 11/18: **Red Group all day In-person, Blue Group Independent Learning**
- Thurs - Fri., 11/19 and 11/20: **Blue Group all day In-person, Red Group Independent Learning**
 - **Note:** We've adjusted the Blended/Hybrid model to add an additional in-person day for the Red/Blue group every other week. Wednesdays will be an independent learning day for the group that does not have in-person learning. There will not be live sessions via Zoom.

***HCCTC Learners will attend the CTC all five days**

Once again, we continue to empathize with all of you as we continue to navigate through the pandemic. We know this is difficult for everyone and we appreciate your efforts as we are all trying to do our best.

Please continue to communicate any health status reports on you or your family to building administrators. Additionally, please continue to use an abundance of caution in your daily routines. Thank you.
