WELCOME TO HUNTINGDON AREA MIDDLE SCHOOL

www.huntsd.org

The faculty and administration of HAMS hope you find your years at our school filled with learning, friendships, and excitement.

We know you will find many new challenges in our school, and all confidence is placed in you to meet these challenges as responsible young adults.

We are proud of our school and are here to help you receive the best education possible. It is up to you to work to your capacity to make the years at the Middle School the best you have ever had. A good way to begin is for you and your parents/guardians to read the contents of the handbook to get to know your school better.

Have a great school year!

IMPROVE YOUR LEARNING POWER

Going to school is your job. To do it well, you have to work at it. Here are a few tips that might help:

- Choose the same time and place to study each day.
- Find a comfortable place with fresh air and good lighting.
- Avoid distractions.
- Get enough sleep, exercise, and fun.
- Study before you are tired.
- Review material a little every day to improve your memory.
- Make up work as soon as you return from an absence.
- Write assignments down in your assignment book neatly and accurately. Check Skyward and/or Google Classroom if you are not sure of your homework.

MIDDLE SCHOOL COVID-19 INFORMATION

FACE COVERINGS

As per the school board approved Health & Safety plan, face coverings are optional. We do however encourage face coverings for those individuals not fully vaccinated.

As per Federal mandate, all learners are to wear face coverings at all times while on district transportation.

If face coverings are required by the Huntingdon Area School District, the following guidelines will apply:

- All learners must wear a face covering (cloth mask or face shield) that covers their nose and mouth inside the school and while outside when physical distancing is not feasible.
- If learners cannot wear face coverings in schools for medical reasons, the Huntingdon Area School District may require parents/guardians to provide pertinent medical information in order to decide whether a 504 plan should be developed or modified for a child (or an existing IEP modified) to address whether a child should be excused from wear a face covering in school.

Consequences

If a learner does not have a valid medical excuse for the wear face covering requirement, and continued noncompliance with this requirement occurs, the Huntingdon Area School District may elect to transfer the learner to a virtual learning environment in order to protect the health and safety of staff and learners in school.

1st Offense - Sent to office/warning/phone call home. Sent back to class if the learner complies with the request.

2nd Offense - Learner separated from others and parent/guardian will be called to pick up the learner. 1 full day of remote learning.

3rd Offense - Learner separated from others and parent/guardian will be called to pick up the learner. 3 full days of remote learning.

Subsequent Offenses - Huntingdon Area School District may elect to transfer the learner to a virtual learning environment in order to protect the health and safety of staff and learners in school.

SOCIAL/PHYSICAL DISTANCING MEASURES - See School Board Approved Health & Safety Plan

HANDWASHING

Signage will continue to be posted to remind students and staff of proper handwashing techniques. A review of proper handwashing techniques and respiratory etiquette will be demonstrated to kindergarten students and reviewed with other students when staff identifies a need. Hand sanitizer will continue to be available to all students and staff.

The Huntingdon Area School District understands it is important to stay healthy by washing your hands often, especially during these key times when you are likely to get and spread germs:

- Before eating food
- After using the toilet
- Before touching your eyes, nose, or mouth because that's how germs enter our bodies.
- After blowing your nose, coughing, or sneezing
- After you have been in a public place and touched an item or surface that may be frequently touched by other people, such as door handles, tables, or electronic screens, etc.

Washing your hands is easy, and it's one of the most effective ways to prevent the spread of germs. Clean hands can stop germs from spreading from one person to another.

The school will encourage learners to follow these five steps every time.

1. Wet your hands with clean, running water (warm or cold), turn off the tap, and apply soap.
2. Lather your hands by rubbing them together with the soap. Lather the backs of your hands, between your fingers, and under your nails.
3. Scrub your hands for at least 20 seconds. Need a timer? Hum the "Happy Birthday" song from beginning to end twice.
4. Rinse your hands well under clean, running water.
5. Dry your hands using a clean towel or air dry them.

Washing hands with soap and water is the best way to get rid of germs in most situations. If soap and water are not readily available, Sanitizers will also be available around the school and in classrooms for learners to use.

How to use hand sanitizer

- Apply the gel product to the palm of one hand (read the label to learn the correct amount).
- Rub your hands together.
- Rub the gel over all the surfaces of your hands and fingers until your hands are dry. This should take around 20 seconds.

For more information on handwashing, visit CDC's [Handwashing website](#) or call 1-800-CDC-INFO. [Handwashing Video](#)

ATTENDANCE

(Reference [School Board Policy #204](#))

The Board recognizes that attendance is an important factor in educational success, and supports a comprehensive approach to identify and address attendance issues.

Attendance shall be required of all learners during the days and hours that school is in session, except that authorized district staff may excuse a learner for temporary absences upon receipt of satisfactory evidence of mental, physical, or other urgent reasons that may reasonably cause the learner's absence.

The Board shall establish and enforce attendance requirements, in accordance with applicable laws and regulations, Board policy and administrative regulations.

COMPULSORY SCHOOL ATTENDANCE REQUIREMENTS

All learners of compulsory school age who reside in the district shall be subject to the compulsory school attendance requirements. Compulsory school age shall mean the period of a child's life from the time the child's parents/guardians elect to have the child enter school, and which shall be no later than eight (8) years of age until the child reaches seventeen (17) years of age. The term does not include a child who holds a certificate of graduation from a regularly accredited, licensed, registered or approved high school.

A learner shall be considered in attendance if present at any place where school is in session by authority of the Board; the learner is receiving approved tutorial instruction, or health or therapeutic services; the learner is engaged in an approved and properly supervised independent study, work-study or career education program; or the learner is receiving approved homebound instruction.

EXCUSED/LAWFUL ABSENCE

The Board considers the following conditions or situations constitute reasonable cause for absence from school:

1. Illness, including if a learner is dismissed by designated district staff during school hours for health-related reasons.
2. Obtaining professional health care or therapy services rendered by a licensed practitioner of the healing arts in any state, commonwealth or territory.
3. Quarantine
4. Family Emergency
5. Recovery from an accident.
6. Required court attendance.
7. Death in the family.
8. Participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4-H and FFA group, upon prior written request.
9. Observance of a religious holiday observed by bona fide religious group, upon prior written parental request.
10. Non School-sponsored educational tours or trips, if the following conditions are met (a through c):
 - a. The parent/guardian submits a written request for excusal prior to the absence.
 - b. The learner's participation has been approved by the Superintendent or designee.
 - c. The adult directing and supervising the tour or trip is acceptable to the parents/guardians and the Superintendent.
 - d. The district may limit the number and duration of college or postsecondary institution visits for which excused absences may be granted to a student during the school year.
11. College or postsecondary institution visit, with prior approval.
 - a. The district may limit the number and duration of college or postsecondary institution visits for which excused absences may be granted to a student during the school year.
12. Other urgent reasons. Urgent reasons shall be strictly construed and do not permit irregular attendance.

PARENTAL NOTICE of ABSENCE -

Absences shall be treated as unlawful until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence.

A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed practitioner of the healing arts.

UNEXCUSED/UNLAWFUL ABSENCE

For purposes of this policy, absences which do not meet the criteria indicated above shall be considered an unexcused/unlawful absence.

Learners whose absence is determined to be unexcused may not be allowed to make up work.

An out-of-school suspension may not be considered an unexcused absence.

ENFORCEMENT of COMPULSORY ATTENDANCE REQUIREMENTS

Learner is Truant - When a learner has been absent for three (3) days during the current school year without a lawful excuse, district staff shall provide notice to the person in parental relation who resides in the same household as the learner within ten (10) school days of the learner's third unexcused absence.

If the learner incurs additional unexcused absences after issuance of the notice and a School Attendance Improvement Conference was not previously held, district staff shall offer a School Attendance Improvement Conference.

School Attendance Improvement Conference is to examine the learner's absences and reasons for the absences in an effort to improve attendance with or without additional services. Neither the learner nor the person in parental relation shall be required to participate, and the School Attendance Improvement Conference shall occur even if the person in parental relation declines to participate or fails to attend the scheduled conference. The outcome of the School Attendance Improvement Conference shall be documented in a written School Attendance Improvement Plan. The Plan shall be retained in the learner's file. A copy of the Plan shall be provided to the person in parental relation, the learner and appropriate district staff.

Learner is Habitually Truant - When a learner has six (6) or more school days of unexcused absences during the current school year by a child subject to compulsory school attendance.

When a student under fifteen (15) years of age is habitually truant, district staff:

1. Shall refer the learner to:
 - a. A school-based or community-based attendance improvement program; or
 - b. The local children and youth agency.
2. May file a citation in the office of the appropriate judge against the person in parental relation who resides in the same household as the learner.

When a learner fifteen (15) years of age or older is habitually truant, district staff shall:

1. Refer the learner to a school-based or community-based attendance improvement program; or
2. File a citation in the office of the appropriate judge against the learner or the person in parental relation who resides in the same household as the learner.

District staff may refer a learner who is fifteen (15) years of age or older to the local children and youth agency, if the learner continues to incur additional unexcused absences after being referred to a school-based or community-based attendance improvement program, or if the student refuses to participate in such program.

Regardless of age, when district staff refer a habitually truant to the local children and youth agency or file a citation with the appropriate judge, district staff shall provide verification that the school held a School Attendance Improvement Conference.

PARENT COMMUNICATION of ABSENCE

The Huntingdon Area School District will take the following actions to communicate and address learners that are absent, truant, habitually truant, or have chronic absenteeism:

1. Each day a learner is absent from school the home will be called by the School Messenger System to notify the parents/guardians of the absence.
2. 1st & 2nd Unexcused Absences - a notification letter will be generated and stored in the family access portal in Skyward. All families have the availability to access Skyward.
3. 3rd Unexcused Absence - a warning letter describing consequences for habitual truancy will be mailed home.
4. 4th Unexcused Absence - an invitation to attend a School Attendance Improvement Conference
5. 7th Day of Cumulative Absence - a letter will be mailed home describing that your learner is approaching ten (10) cumulative absences and will need an excuse from a licensed practitioner of the healing arts once the learner exceeds ten (10) cumulative absences.
6. 10th Day of Cumulative Absence - a letter will be mailed home stating that all future absences from school will require an excuse from a licensed practitioner of the healing arts.

CHRONIC ABSENTEEISM

The state of Pennsylvania identifies chronic absenteeism as an important component to the Every Student Succeeds Act (ESSA). Chronic absenteeism is one indicator that Huntingdon Area High School will be evaluated on as part of our building score.

Chronic absenteeism will be calculated based on the number of learners who have missed more than ten (10) percent of school days across the academic year. Learners must not exceed 18 days absent in order for HAHS to receive a high evaluation.

Any learner who is chronically absent will have his/her absences reviewed by a committee consisting of the Superintendent, Building Principal, and Classroom Teachers. Chronically absent is defined as missing more than 10% of the school days across the academic year. If the committee determines that the absences are not due to health reasons, the learner may receive no credit for all courses being taken.

Chronic absenteeism may result in learners losing the privilege of participating in school sponsored activities.

Absence Procedures:

1. When a learner returns to school after an absence, the learner must give a properly signed excuse from the parent or guardian or provide a medical excuse from a licensed practitioner of the healing arts to the homeroom teacher or the office.
2. Failure to provide a proper excuse within three (3) days will result in the absence being classified as unexcused. Each day that is not covered by a legal excuse will result in an unexcused day on record. If a learner is under the compulsory school attendance law, proper steps will be taken to enforce that law.

EDUCATIONAL TRIPS

Educational trips during the school year are permitted but are not encouraged. If an educational trip will be scheduled, please avoid our state testing windows. State testing during the 2021-22 school year is as follows: English Language Arts April 25-29, Mathematics, Science and Make-ups May 2-13, 2022. and the Keystone Exam testing window is May 16-27, 2022. The testing window is subject to change.

Any educational trip must have prior approval from administration. Educational Trips not exceeding five (5) school days may be excused under the following conditions:

1. A written request for the trip is submitted to the principal five (5) school days in advance.
2. The educational trip is within the first ten (10) absences.
3. The learner must be in good standing. Good standing is determined by the administration and the learner's teacher(s) and based on attendance and academic progress.
4. The following must be submitted within 3 days of returning to school:
 - a. All schoolwork missed during the trip, submitted to teachers.
 - b. Evidence of the educational value of the trip submitted to administration. Evidence may include:
 - i. A slideshow presentation (3-5 minutes in length)
 - ii. A written reflection (minimum of 3 pages)
 - iii. Video Log (3 to 5 minutes in length)
 - iv. Poster

Failure to meet any of the above conditions may result in unexcused absences. At the request of the learner, work will be provided prior to departure.

The Board may limit the number and duration of tours or trips for which excused absences may be granted to a learner during the school term.

Educational trips not exceeding five (5) school days per year will be excused provided that they have met the stated requirements. Any educational trip exceeding five (5) days will be counted as (1) unexcused day per absence.

COURSEWORK

Coursework is a valuable part of the educational process at the Middle School. Coursework must be completed on a regular basis. Any work missed or not completed will have a negative effect on the course grade.

Learners are responsible for making up any missed assignments/tests when absent. Your child's teachers will fill out a coursework sheet if he/she has been absent two or more days. You should contact the school at 643-2900 before 9:00 AM to request work for your child. Coursework sheets may be picked up in the office after 2:30 PM or will be sent home with another learner when a request is made. Assignments are also available on Skyward and/or Google Classroom. Parents may come into the school and get books and materials when necessary. Learners who are absent for one day have two days to make up any assignments/tests missed unless other arrangements have been made with your child's teachers. Learners who are assigned In-School Suspension (ISS) or Out-of-School Suspension (OSS) will be given their daily assignments/tests and will receive credit for all work completed.

TARDINESS TO SCHOOL

- Learners will be admitted into the building at 7:30 AM and will report directly to their homeroom.
- Learners must be in their homerooms each morning by 7:50 AM.
- Learners arriving to homeroom/first period after 7:50 AM will be admitted by the teacher and marked tardy unexcused.
- Learners arriving at school after 7:50 AM must present an excuse to the office to be marked tardy excused.
- Learners without a note will be marked unexcused tardy. Learners will receive a pass to class.
- Reasons for excused tardiness are: illness, appointment with doctor's excuse, inclement weather, late buses. Any other reason is considered an unexcused tardy.
- Learners arriving during period 1 and 2 will be considered tardy.
- Learners that are absent between 3-4 periods will be considered ½ day absent
- Learners that are absent 5 or more periods will be considered absent for a full day.
- Tardy periods will be totaled toward total days absent, and excessive tardiness may result in a citation being filed with the District Magistrate.

EARLY RELEASES

Pupils are not permitted to leave school before the close of the school day unless by a recommendation from the school nurse for illness or by the school administration for some legitimate reason. Learners requesting an early release for a medical appointment must present an official excuse from the medical provider for the early release to be excused. The school reserves the right to call parents when an early dismissal is requested. An appointment card should be sent in if one is available. Early releases will be totaled toward total days absent, and excessive early releases may result in a citation being filed with the District Magistrate.

The procedure for early dismissals will be as follows:

- The learner must present a written note from his/her parent or guardian requesting the early dismissal during homeroom. This note must contain name, phone number, reason for request, time of departure, and expected time of return. Verbal requests will not be recognized.
- Learners will be given an early dismissal slip and early dismissals will be recorded on the attendance bulletin.
- Parents must come into the office to sign their child out unless prior arrangements have been made with the office.
- When the learner returns, he/she must report to the office to sign in and receive a pass to class. An excuse from the doctor's office is required in order for the absence to be considered a doctor appointment or medical excuse.
- Learners are responsible to receive and turn in any class work missed during their absence.
- If the dismissal results in half a day absence, a doctor's excuse will be required if the child is over their 10 illness day limits or it will be considered illegal.

TARDINESS TO CLASS

Learners are responsible for being in class on time. A reasonable amount of time is provided for changing classes. Teachers will keep appropriate records and work with learners to resolve problems of tardiness. Disciplinary consequences are listed below:

Procedure for handling tardiness to class and school:

- 1st and 2nd tardy: Skyward referral and Learner/Teacher/administrator conference
- 3rd tardy: Skyward referral and detention
- 4 or more tardies: Administrative discretion

FIELD TRIPS

Class and school-wide field trips may be scheduled throughout the year as a component of our planned curricula. The intent of our field trips is to enrich or extend classroom activities. Parental permission forms with pertinent information about the trip will be sent home before the field trip and must be signed by the parent/guardian and returned to the school in a timely manner. In the event of serious or extended illness, the participating teachers and administration will decide if a learner is capable of going on the field trip.

Learners involved in school approved field trips:

- May not be failing 2 or more classes
- May not be considered chronically absent (as defined above)

SCHOOLWIDE POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS (PBIS)

HAMS BEARCATS

The Schoolwide Positive Behavior Interventions and Support system has been adopted by middle school as a means to instill proper behavior within our learners. Using the guided model approach to teach proper behavior, the faculty and staff of the Middle School will be constantly modeling to the learners the types of behavior we hope to see from them. By targeting instructional design and delivery, classroom/school arrangements, and rules and procedures, a significant number of school-wide behavioral problems can be prevented, leaving staff with fewer individual problems to manage and increase instructional time.

After a number of surveys and faculty/staff discussions, it was determined that our “hot spots” include: classrooms, bathrooms, cafeteria, hallways, and buses. From here, we developed our core expectations for each area. These expectations focus on our slogan: BEARCATS. Each learner is encouraged to show BEARCATS by following these expectations.

Throughout our school, at each hot spot location, learners are reminded of our “BEARCATS” expectations for that particular area. The expectations are broken down into five general items:

BE- Be Engaged AR- Act Responsibly CAT - Care About the Team S- Safety

With this program, we are able to reward the learners on various levels for showing proper behavior. Learners can receive rewards independently and as a team. These reinforcements can be implemented by all employees-principals, teachers, para-educators, custodians, cafeteria staff, secretaries, and bus drivers.

All teachers and employees will be issued “Bearcash Cards” that will be distributed to learners who are positively demonstrating the targeted behavior. The use of Bearcash Cards is to reward learners and staff and serves as a reminder to accentuate the positive and keep a proactive frame of mind. These Bearcash Cards will then be used to “purchase” rewards independently or as a team.

DISCIPLINARY ACTIONS

The Middle School administration and teachers retain the right to assign such discipline for infractions that are not specifically listed within this statement. Learners will be disciplined taking into consideration the past disciplinary record of the learner and any other extenuating circumstances.

REPRIMAND AND WARNING

For some infractions, first offenses, and minor behavior problems, teachers and/or administrators may reprimand a learner or learners. A warning may be issued that further, more serious, or repeated problems will result in increased consequences.

TEACHER-ASSIGNED DETENTION

Teachers may assign learners thirty (30) or sixty (60) minute detentions for minor infractions that involve classroom behavior. Examples of minor infractions include but are not limited to sleeping in class, inappropriate language, or disrupting the classroom environment. The detention will be served on Tuesday or Thursday from 2:45-3:15 or from 2:45-3:45. It is encouraged that teachers communicate the reason for the detention with parents/guardians. Learners are fully responsible for communicating the assigned detention and reason for the detention to their parents or guardians.

DETENTION

Detention is held Tuesday and Thursday from 2:45 until 3:45 PM. Parents are responsible for transportation for their child. In addition, failure to report to detention may result in additional consequences.

Detentions may eliminate activity nights, assemblies, clubs, activities, field trips, and athletics. Extracurricular activities cannot be an excuse for missing detention. An administrator must approve excused absences from detention prior to the absence. Approved absences will result in detention being rescheduled.

Detentions and subsequent consequences are cumulative in most instances. However, the level or step of consequences may change at the discretion of the administration depending on circumstances or severity of the infraction.

SUSPENSION

Learners who have major rule infractions (e.g., Assault, Insubordination, Vandalism) will receive either In-School Suspension (ISS) or Out-of-School Suspension (OSS). In-School Suspension is held every day at the Middle School from 1st period through 8th period. Learners who are assigned ISS must report to the Middle School office with all books (and outerwear) immediately following homeroom. In order for her/him to receive credit for these assignments, s/he must complete and return the assignments to the appropriate teacher immediately upon return to class. Learners who are assigned ISS or OSS may not participate in any extracurricular activity (ex. sports, activity night) until 8:00 A.M. of the next school day following completion of the suspension.

STEPS PROGRAM OR ALTERNATIVE EDUCATION

Alternative Education placement of a learner may result from a series of incidents from any of the previously mentioned reasons/examples, wherein the learner does not respond in a positive and forthright manner to in- or out-of-school suspension. Learners who are placed in an alternative setting may be transitioned into regular classes and may participate in district-sponsored activities at administrative discretion.

EXPULSION (Reference School Board Policy #233)

The School Board, or an appropriately appointed committee, may, after a proper hearing, permanently expel a learner. Reasons for expulsion may be, but are not limited to:

1. Repeated discipline offenses.
2. Violation of the Substance Abuse, Weapon, Arson and Explosive Policy.
3. Any violation that affects the safety or well being of learners, faculty, or staff, or disrupts the educational environment

EXPULSION HEARING

The learner who is being recommended by the middle school administration for expulsion from school will have a formal hearing held before the school board or a committee authorized by the school board.

GENERAL INFORMATION

BACKPACKS (COVID 19 Policies may take precedence.)

Backpacks are permitted to be used to and from school. Backpacks, book bags, and draw-string bags are not to be used between classes throughout the school day. Like lockers, learners should not have an expectation of privacy. Backpacks will be subject to search with reasonable cause.

BEVERAGE CONTAINER/SNACK GUIDELINES (COVID 19 Policies may take precedence.)

Learners may not bring glass beverage containers to school. Appropriate drinks (energy drinks are not appropriate) and/or snacks are to be opened and consumed in the cafeteria or classroom during an activity assigned by the teacher. Open beverage containers and snacks may not be kept in hall lockers or consumed in hallways.

ELECTRONIC DEVICES/CELL PHONES

- Electronic devices are NOT permitted to be used in the cafeteria during lunch periods.
- Cell phones are NOT permitted to be used in classrooms.
- Sound from any electronic device must be contained via headphones/earbuds.
- Electronic devices are NOT permitted to be used in the hallways or bathrooms between 7:30 and 2:45.
- The use of electronic devices for unauthorized picture taking or recording (video or audio) of any kind is strictly prohibited.
- The use of electronic devices for any illegal activity is strictly prohibited.
- Cell phones should be turned off and stored in the learner's backpack during school hours (7:30-2:45).

Any use of electronic devices that impede or distract from the educational environment may be disciplined. Learners utilizing electronic devices to contact parents/guardians during school hours may be disciplined. **All phone calls and messages need to go through the office.** The school nurse will contact home with concerns regarding a learner's health. All disciplinary matters will be communicated by the administration.

HALL LOCKERS (COVID 19 Policies may take precedence.)

At this time lockers will not be used. When lockers are in use, the following guidelines apply.

Learners will be assigned a locker in the corridor close to their homeroom. Locks are permitted on these lockers; however, a spare key or combination must be given to the office. The Middle School will provide the use of a lock to learners if requested. Locks remain the property of the District; loss or destruction of locks will be subject to replacement charges. Learners are discouraged from bringing valuables to school. The school is not responsible for lost, damaged or stolen valuables. Learners may not use any locker but the one assigned to them. Lockers are school property; using them is a privilege, not a right. Items are to be kept in the locker, not on the top of the locker. Anything located on top of the locker will be removed. The Huntingdon Area School District will not be responsible for theft when learners fail to use a lock or share lockers. Learners should not have an expectation of privacy for hall and gym lockers. These areas will be subject to search with reasonable cause.

LEARNER SEARCHES (reference [School Board Policy #226](#))

School officials have the authority to lawfully search learners or their belongings, including lockers, automobiles, electronic devices, purses, backpacks, clothing, and other possessions, without a warrant, when in school, on school grounds or when otherwise under school supervision, if there is a reasonable suspicion that the place or thing to be searched contains prohibited contraband, material that would pose a threat to the health, safety and welfare of the school population, or evidence that there has been a violation of the law, Board policy, or school rules. The scope and extent of searches must be reasonable in relation to the nature of the suspected evidence, contraband or dangerous material and to the grounds for suspecting that it may be found in the place or thing being searched.

The district has a compelling interest in protecting and preserving the health, safety and welfare of the school population, which under certain circumstances may warrant general or random searches of learners and their lockers, vehicles or other belongings without individualized suspicion, for the purpose of finding or preventing entry onto school property of controlled substances, weapons or other dangerous materials.

Unannounced searches may be conducted by local and/or state police departments using certified dogs.

LOST AND FOUND

Articles found by learners should be taken to the school cafeteria where the owner may claim them. Parents are encouraged to label their child's belongings and have their child place a lock on his/her locker. Unclaimed articles that remain in the Lost and Found for over one month will be given to the Salvation Army.

LEARNER MESSAGES/DELIVERIES

Any message called in to a learner by parents or guardians will be held until the end of the day unless it is necessary for the learner to receive the message earlier. The school reserves the right to contact the parent or guardian to verify any message before it is given to a learner.

Parents may drop off items for learners until 9:30 AM. Any materials brought to the learner after 9:30 AM will be held until the end of the school day unless it is an emergency or a child's lunch.

Deliveries of any kind other than school-related materials for learners are NOT to be sent to the school. This causes a disruption of the educational process and is a potential safety hazard during travel.

LIBRARY MEDIA CENTER

Our library media center is a busy place! Many learners and teachers use both the library in cooperation with the Media Specialist. Although the lab is often used as a writing lab, other programs are utilized, as well. There are ample opportunities for learners to enhance their math and creative writing skills, as well as programs that allow learners to enter and interpret data.

At the beginning of the year, you will receive the [Huntingdon Area Middle School Computer Resource User Agreement and Parent Permission Form](#) that must be signed by learners and parents. This form is a list of rules, relevant laws and restrictions for use of our computer resources and will be kept on

file. If this form is not returned, the learner will not be permitted to use the Internet and other resources available.

Learners may come to the library media center with a teacher's permission at any time during the day. **In order to visit the library media center, learners are required to have their assignment notebooks signed by their teachers.** Learners are permitted to borrow two books at a time from the library media center for a period of two weeks. Reference books may be borrowed on an overnight basis. If learners have overdue books, they lose their media center privileges. No fines are charged on overdue materials.

Learners also use the library media center for class activities and various research projects. They receive instruction on information retrieval, plagiarism, and ethical use of information before research projects. Computers and electronic media are available for class assignments or recreational use with staff permission.

Technology is an integral part of the library media center. Circulation is done by scanning bar-codes on materials and using learner numbers. The card catalog is accessed electronically from computer workstations and notebook computers. Parents and learners may also view the card catalog and library accounts from home using the link on the school home page.

Learners can obtain information on various topics through the Wide Area Network (WAN).

The HAMS library media center is a member of ACCESS PA. ACCESS PA is a bibliographic union catalog and resource-sharing tool that is a guide to the Pennsylvania library collections. The holdings of over 1,000 school, public, academic, and special libraries are searchable using technology. Being a member of ACCESS PA allows learners to borrow materials from any of these libraries by using the interlibrary loan system. Collections of libraries in other district buildings may be searched as well as the ACCESS PA database, various reference material databases, and the Internet.

TELEPHONES

A telephone, located in the main office, is provided for learners' use. A learner must first have permission from the teacher ~~and a signed planner~~ to come to the office to use the phones. The learner will then gain permission from the office secretary. The learner will then be required to fill out a phone log sheet located by the telephone. **Learner phone calls should be limited to forgotten school work, lunch, or an item needed for class. Learners will not be given permission to call regarding after school arrangements or other non-school related questions.** Phone privileges may also be suspended if learners are not forthcoming with their reason for the call. All learner phone calls must be made by 8:15 AM unless it is an emergency.

HEALTH AND SAFETY

MEDICATION POLICY (Reference [School Board Policy 210](#))

Although the Huntingdon Area School District strongly recommends that medication be given in the home, it realizes that the health of some children requires that they receive medication while in school. When medication is to be taken at school, the following steps must be taken:

- The doctor must complete Medication Form A (obtained from school or online).
- The parent/guardian must sign the consent form for Medication Form B (obtained from school).
- Any medication to be given during school hours must be delivered to the school nurse, principal, or designated individual by the parent/guardian. The medication must be brought to school in the original pharmaceutical dispenser and properly labeled container.
- In instances where parent/guardian neglects to fulfill the requirements of forms A and B, the medication will not be administered.

POSSESSION/USE OF ASTHMA INHALER OR EPINEPHRINE AUTO-INJECTORS (Reference [School Board Policy 210.1](#))

The Huntingdon Area School District shall permit students to possess asthma inhalers and epi-pens and to self-administer the prescribed medication used to treat asthma and/or life threatening allergic reactions when such is parent authorized. Reference School Board Policy 210.1 for proper procedures to follow.

NALOXONE (Reference [School Board Policy 823](#))

As a means of enhancing the health and safety of our students, staff and visitors, the district may obtain, maintain and administer doses of an opioid antagonist and other facilities, specifically Naloxone, for emergency use to assist a student, staff member or other individual believed or suspected to be experiencing an opioid overdose.

The Huntingdon Area School District has Naloxone available to treat opioid drug overdoses. Naloxone reverses the effects of opioid drugs.

Possible symptoms of an opioid overdose can include but are not limited to:

-confusion or delirium, mood swings, nausea or vomiting, extreme constipation, pinpoint pupils, extreme sleepiness, or inability to wake up, breathing problems, including slowed or irregular breathing stopped breathing, and cold, clammy skin, or bluish skin around the lips or under the fingernails

Students and staff should report suspected opioid overdoses immediately to district administration. Students should immediately inform a teacher, guidance counselor, nurse, administrator, or other school personnel if they believe an opioid overdose has occurred.

The protection from criminal prosecution is provided by law for persons who report a suspected overdose using their real name and remain with the overdosing person until emergency medical services (EMS) or law enforcement arrive, as well as for the person whose overdose they report.

The protection from civil liability is provided by law for persons who report overdoses or administer Naloxone in overdose emergencies.

SUICIDE AWARENESS, PREVENTION and RESPONSE- (Reference [School Board Policy 819](#))

The Huntingdon Area School District is committed to protecting the health, safety and welfare of its students and school community. This policy supports federal, state and local efforts to provide education on youth suicide awareness and prevention; establish methods of prevention, intervention, and response to suicide or suicide attempt; and to promote access to suicide awareness and prevention resources.

PROOF OF IMMUNIZATION AND PHYSICALS

Proof of immunizations is required of all learners entering the Huntingdon Area School District. A Health History form must be completed and sent in with your child the first day he/she attends school. Please be advised State Law requires the following exams: Physical exams: kindergarten, grades 6 and 11; Dental exams: kindergarten, grades 3 and 7.

MEDICAL SERVICES

First aid services for emergency illnesses or accidents are under the direction of the school nurse. If conditions warrant the services of a nurse, learners should report to the nurse's suite after consulting with their teacher in charge. If the nurse **is not available, the learner should report to the main office.**

ACCIDENTS AND ILLNESS

Any serious injury which occurs on a school bus, in the school building, or on the school grounds, **must** be reported immediately to the office and the nurse. A written report must be filed immediately by the supervising teacher and turned in to the office for medical and insurance purposes.

ILLNESS AT SCHOOL (COVID 19 Policies may take precedence.)

During the school day, a learner must have their planner signed to report to the nurse's room. If the nurse is not available, the learner must see the principal or assistant principal, for permission to go home. When the school nurse is not present or available, the learner is not permitted to call or text a parent to go home without permission from the main office. If a learner calls or texts a parent without permission of the nurse or principal, then the absentee and/or discipline procedures will apply. When a parent/guardian comes in to pick up a sick learner, that parent/guardian must sign the learner out on the attendance notebook on the counter in the office.

A school nurse is available at the Middle School each day from 7:30 A.M. until 3:00 P.M. Her duties include: caring for learners who are ill and/or injured, administering medication, maintaining health and immunization records, serving on the learner assistance team and coordinating routine screenings. Physical examinations are required for grade 6. (The school physician will administer the physical or the learners may choose a private physician at their own expense.) Scoliosis screenings are done in grade 7. Hearing screening is conducted in grade 7. Dental screenings are done in grade 7. Vision, height, and weight screenings are conducted each year for grades 6, 7, and 8. All learners are required to have a signed pass from their teacher to visit the nurse's office, except in the case of an emergency.

EMERGENCY DRILLS

An emergency drill may be called at any time. All drills are very important; the lives of learners and staff may depend on their success. When the alarm sounds, it is a signal for the pupils to follow the direction of staff in all situations. Information concerning assigned exits for all rooms is posted in every room. The LGR, cafeteria, and gymnasium have their own plainly marked exits.

The first learner to reach any outside door will open the door and hold it open until the last person has left by that door. Then the door should be closed. All windows and doors should be closed. Staff and learners will move to the area assigned, well away from the building, and remain orderly. The teacher will take his/her class roster with him/her and take attendance when everyone is out of the building. He/she will report attendance to an administrator or school official. Learners will be informed when it is safe to return to the building.

SCHOOL INSURANCE

The Western Pennsylvania Caring Foundation for Children, through the State-sponsored BlueCHIP program, offers free or affordable health care insurance to uninsured children from families who make too much to receive medical assistance but do not have or cannot afford private health care insurance. Please call 1-800-KIDS-105 if you have questions or are interested in this program.

iPad INITIATIVE and ACCEPTABLE USE

One-to-One iPad Guidelines and Insurance Information

Philosophy

Our primary mission for increasing access to educational technology is to transform learning in the Huntingdon Area School District. We believe that technology rich classrooms, when facilitated by properly prepared teachers, are the vehicles to achieve this goal.

Our goals are:

- To use technology to customize learning and maximize learner success.
- To increase academic rigor, better preparing learners for success in whatever post-secondary path they select.
- To increase learner engagement in our classrooms through the meaningful integration of technology in the daily curriculum.

One specific technological tool that we want to be readily accessible to learners at school is an Apple iPad. This document provides the necessary guidelines for our learners to use the iPad as a powerful educational tool for 21st century learning.

iPad Guidelines

The Apple iPad and case are the property of the Huntingdon Area School District. iPads will be assigned to learners who are enrolled on a full-time basis and must be returned to the Huntingdon Area School District at the conclusion of each school year. The iPad must be returned in original working condition. **Damage not covered under insurance will be the responsibility of the learner and/or parent.**

The district's Apple iPads are educational tools and are to be used only in that capacity. The Huntingdon Area School District's [Acceptable Use Policy](#) binds learners using district devices, regardless of the location of usage. The policy is available through the school district web site (<http://www.huntsd.org>.) The use of the iPad is a privilege that can be revoked upon violation of the [Acceptable Use Policy](#). Inappropriate use or neglect of an iPad, its case, the Internet, or any other installed software will result in the loss of use of the iPad. Loss of the learner iPad will not change classroom expectations and assignment completion.

Internet, Software, and E-mail Guidelines

The [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#) must be followed at all times. Learners should have no expectation of privacy as related to the iPad and can expect teachers, technical support staff and administrators to conduct spot checks of their Internet history, logs and other records of usage. Inappropriate Web activity or email use may result in loss of iPad privileges. If a learner "accidentally" links to an inappropriate Website, he/she should close the site, note the time and date of the incident and report it to the teacher. Learners may not install or run software that has not been approved by the administration.

All learners will be issued a filtered district Gmail account along with a corresponding Google Drive account. Gmail email is to be used for school/academic purposes only and must be used in accordance with the [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#). The district email is set up for school-related activities and should never be used for personal or business communication. The district-provided email account is not private and can be reviewed by building and district administration as well as school district and vendor support. Messages that are blocked by the content filter will be reviewed throughout the school day. Any non-academic email that is blocked by the content filter may be deleted and may not be delivered to the recipient.

General Rules

- Learners will carry their iPad throughout the school day. Learners are responsible for the iPad at all times. The iPads are not to be left unattended. All iPads must be kept in the provided protective case, at all times. The screen protector should be covering the screen when the iPad is not in use.
- Unless directed by their teacher, learners are not authorized to use other learner's iPads. In addition, learners are not permitted to allow others to access their iPad, including family members and friends.
- Learners may not use the iPad in bathrooms or locker room facilities at any time.
- iPads must never be left in an unsecured or unattended area. If a learner is unable to carry and supervise his/her iPad, the iPad is to be locked in the individual learner's assigned classroom cart. It is the learner's responsibility to notify the school office when circumstances arise that prevent the learner from carrying the iPad around school. The school office will review such requests and make alternate arrangements if necessary.
- Learners must keep their passwords confidential, and update passwords according to district guidelines.
- Learners are responsible for regularly backing up school documents on their Google Drive. Learners are expected to keep all of their school files in their Google Drive. Failure to back up documents does not constitute an excuse for not turning work in on time.
- Learners may not alter any settings on their iPad, without administrative approval.
- Location services must be enabled at all times on all district iPads.
- Headphones are prohibited in class unless a faculty member grants permission.
- Obscene language and/or inappropriate materials, including screensavers, desktop backgrounds and/or pictures are strictly prohibited. Inappropriate use of the iPad camera is also strictly prohibited.
- Learners must follow all copyright laws. Familiarize yourself with [School Board Policy No. 814- Copyright Material](#).
- Downloading unauthorized games, applications, or software by learners prohibited.
- All software and apps will be licensed, approved and installed by a District Computer Technician.
- Learners may not attempt to gain access to the internal electronics or repair the iPad.
- Learners may not alter the base operating system of the iPad (which is known as "Jailbreaking".) This is prohibited under all circumstances.
- Learners may not throw or slide the iPad.
- Insert and remove cords and cables carefully to prevent damage to the iPad.
- Learners should use caution when storing iPads in non-temperature controlled locations such as a vehicle in excessive heat or left outside.
- Screens are susceptible to damage from excessive pressure or weight. Learners may not place or stack objects on iPads. Be aware that overloaded backpacks can damage the device.
- Learners may not use sharp objects on the iPad.
- Learners may not use cleansers of any type to clean the iPad. Use only a clean soft cloth to clean the screen.
- The district recommends that all learners taking their assigned device home use an additional protective iPad sleeve and/or a backpack or bag with a protective device compartment to protect the iPad while in transit.

General Operating Guidelines

- The iPad must remain in the case at all times.
- **All iPads and cases must remain free of any writing, drawing, stickers, decals or labels that are not the property of the District.**
- Do not remove or alter school identification or nametags on the iPad or case.
- Do not place anything inside the iPad case (i.e. pen, pencil, disks, paper, books).
- Do not eat or drink while using your iPad. Learners who are prone to spills, drops, or other accidents may wish to invest in insurance.
- When using headphones or other accessories, be sure to carefully remove such accessories when finished.

Charging Guidelines:

- At the end of each day, all learners who are not taking their devices home must return their iPad to their assigned charging cart, and carefully connect the charger. Only the district provided charger should be used to charge district iPads.
- Loaner devices may NOT be available to learners who forget to connect and charge their iPad. A limited supply of chargers are available to check out from school libraries.
- Failure to charge the iPad is equivalent to not being prepared for class.

Personal Data Storage Guidelines:

- Some apps allow learners to complete work offline. However, it is each learner's responsibility to backup all work regularly to their Google Drive. Failure to backup data does not constitute an excuse for missed assignments.
- There is no expectation of privacy for data stored on District equipment or the Huntingdon Area School District learner Google Drive account.
- Back-up important data from your iPad before turning it over for repairs or at the end of the school year or when requested by a school official.

Internet Usage Guidelines:

- Do not visit inappropriate websites or click on questionable links.
- The use of proxies to bypass District filtering is not acceptable and violates [School Board Policy No. 815: Acceptable Use Electronic Communications Systems, Devices, Network and Internet](#).

Cleaning Guidelines

- Do NOT use water or other cleaning solutions on the iPad.
- Clean dirty screens with an anti-static cloth. Do not use tissues, paper towels or any other kinds of material that will scratch the iPad screen.
- Any further cleaning needs should be reported to the office.

Support Guidelines

- Learners are responsible for reporting any technical issues affecting the performance of the iPad to a member of the technical staff or administration. This needs to occur in a timely manner to ensure loaner iPad availability.
- Learners with a technical issue should request assistance from the classroom teacher first. If the classroom teacher is unable to resolve the issue, the teacher will contact the district computer technician by filling out a work ticket on the support website.
- In some instances, it may be necessary for a computer technician to access the iPad remotely to resolve a technical problem. If this is needed, the learner will be asked for permission before the remote access is performed. The learner will not be asked for any permission prior to remote software or configuration changes sent out to all iPads. Such software maintenance may involve the correction of altered code or programming, and in some cases, may remove files from the mobile device if the files are deemed to be a threat to the operation or security of the device and/or District Network or are stored in unauthorized software. The device will not be used as a surveillance or monitoring tool.
- Learners should not attempt any repairs on the iPad themselves. All repairs are to be initiated by district computer technician.

The district utilizes specialized tools to monitor and prevent inappropriate use of district technologies. If learners have reason to believe another learner is using the District network or iPads **for cyber bullying, other behavior violations or any** manner that violates [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#), please contact the principal or assistant principal.

Taking Devices Home

To continue learning anytime, anywhere, learners are permitted to take their assigned devices home for educational use. Learners wishing to take their iPads home must meet the following requirements:

- Learners and their parents/guardians have an **Off-Campus Usage** form on file;
- Learners and their parents/guardians have submitted a signed **Acceptable Use Policy** form;
- Learners must follow all guidelines for acceptable and appropriate use of the device.
- Unless directed by their teacher, learners are not authorized to use other learner's iPads. In addition, learners are not permitted to allow others to access their assigned district iPad, including family members and friends.
- Learners who forget their iPads at home will not be provided a loaner device and will be considered unprepared for class. This may result in disciplinary action or revocation of off campus privileges.
- Learners are responsible for having their iPads fully charged for the day upon arrival to school.
- iPad internet use will continue to be monitored/filtered, even off campus, with the school's designated program (i.e., Securly).
- All iPads and cases must remain free of any writing, drawing, stickers, decals or labels that are not the property of the District.
- The district recommends that all learners taking their assigned device home use an additional protective iPad sleeve and/or a backpack or bag with a protective device compartment to protect the iPad while in transit. Learners are responsible for the safe transport of the iPad.
- Charger Use: All learners have been issued a charger in their homeroom cart/designated iPad storage location. These chargers are not permitted to leave the carts and be taken home. A limited supply of chargers are available to check out from school libraries.

The school strongly suggests that learners and families purchase insurance for the iPads. This is not a requirement for off-campus use and remote learning, but families are financially responsible for all repair or replacement costs of the device and accessories or insurance is not purchased.

**Huntingdon Area School District
2021-2022 iPad Insurance Form**

The Huntingdon Area School District is offering families the opportunity to protect district-owned Chromebook/iPads ("device") utilized by learners. This optional plan protects the device against accidental damage (drops/spills), loss or theft, fire, flood, and natural disasters. The plan will also act as an extension of the manufacturer's warranty against defects. Insurance is highly recommended, although it is not mandatory. **Insurance is not mandatory if the learner's parent/guardian chooses to allow the device to be taken home, but is strongly recommended.** If you choose **not** to purchase insurance, the parent/guardian is financially responsible for all repair or replacement costs of the device and its accessories.

Parents/Learners purchasing insurance will be responsible for the following deductibles:

- **1st Claim: \$25**
- **2nd Claim: \$150 or cost of repair (whichever is less)**
- **3rd Claim: Full value of repair/replacement (iPad: \$250, Chromebook: \$200)**

Claims submitted are per individual child, not per family and are on a per-year basis. Learners will be responsible for the care of devices and device accessories, including, but not limited to: keyboard, case and charger. Devices can be tracked by their serial numbers. The insurance fee scale for the 2020-2021 school year is listed below. If you qualify for free or reduced lunch status, you also qualify for reduced insurance costs.

Fees will be assessed for all learners/families wishing to purchase insurance for the 2021-2022 school year.

STUDENT COUNCIL

The purpose of Student Council is to provide opportunities for learner leadership and participation in the internal management of the school, to promote worthy school activities, and to promote the general welfare of the school. Participation is dependent on maintaining a grade point average of 3.0 or higher, without any F's or D's every nine-week period. Any learner falling below this average will be removed from Student Council for half a marking period. At this time, the grades will be reviewed, and if they have improved, the learner will become an active member again. Failure to improve grades by the end of the marking period will result in permanent removal from Student Council.

The council assists in making the school environment better. It elects or appoints committees to carry out its decisions. Student Council investigates and reports on questions and problems referred to the group by learners. Council members then meet with administration to discuss issues for decision or action. The council primarily plans and carries out social functions within the school for the various grades. Student Council also organizes and executes events to benefit charitable causes in the Huntingdon area.

DANCES

Dances are held at the Middle School occasionally throughout the school year from 6:00 PM until 8:00 P.M. Dances are for Huntingdon Area Middle School learners only. Dancing, gym activities, and refreshments are part of each event. Middle School dances are a learner privilege, not a right. We view this evening as a reward for appropriate behavior. All school rules, dress codes, and policies are in effect during dances. These events are chaperoned by parents and school employees. Parents are encouraged to volunteer to serve as chaperones (Pending Clearances).

The following conditions may prevent learners from attending:

- Being suspended
- Failing to serve detention
- Failing one or more classes
- Displaying inappropriate behavior
- Failing to complete schoolwork
- Administration reserves the right to prohibit participation

MUSIC ORGANIZATIONS:

INSTRUMENTAL MUSIC PROGRAM

Participation in the instrumental music program is open to all learners attending the Huntingdon Area Middle School. All learners will be placed into small group instrumental instruction classes at the beginning of the school year. Since this small group instruction is in addition to regular band rehearsals, anyone who wants to play an instrument is welcome to join regardless of experience. Since the success of these classes and co-curricular activities relies on commitment and discipline, it is suggested that prospective learners (and parents) make sure they are prepared to make the commitment. Learners are expected to maintain an 80% or higher in core classes to participate in the program. A letter with specific requirements will be sent to parents at the beginning of the year.

The program consists of regularly scheduled classes for 6th, 7th, and 8th grade bands. The bands perform annual Christmas and Spring concerts. In addition to the previously mentioned curricular offerings, the following co-curricular instrumental music activities are also available:

- **Jazz Band (grades 6-8)** – This band performs music in the Jazz, Rock, and Pop genres. The Middle School Jazz Band performs in several concerts throughout the months of April and May.
- **Marching Band (grades 7-12)** – This band performs music at football games, band competitions, and parades. Practices begin August (a couple of weeks before school begins) and continue twice a week after school in September and October. Middle School and High School learners mix together to make up this co-curricular activity.
- **County Band (grades 7-9)** – Representatives are chosen for the annual Huntingdon County Junior High Band Festival. This is a one-day festival at which our best instrumental music learners join forces with the best instrumental music learners from the other three county school districts for morning and afternoon practices in order to prepare a concert for that evening. The festival usually occurs in April or May.
- **District 4 6th Grade Band Fest** – Representatives for the annual District 4 6th Grade Band Festival are chosen by audition from our 6th Grade instrumental music class. This is a one-day festival at which the best 6th Grade instrumental music learners from the Pennsylvania Music Educators Association District 4 (26 school districts) join forces for morning and afternoon practices to prepare a concert for that evening. The festival usually occurs in April or May.

CHORAL MUSIC PROGRAM

Participation in the choral music program is open to all learners attending the Huntingdon Area Middle School. Since the success of this class relies on commitment and discipline, it is suggested that prospective choir learners (and parents) make sure they are prepared to make that commitment. Learners are expected to maintain an 80% or higher in core classes to participate in the program. A letter with specific requirements will be sent to parents at the beginning of the year. The program consists of regularly scheduled classes for 6th, 7th, and 8th graders in the Huntingdon Area Middle School Choir.

SPECIAL NEEDS ATHLETIC ASSOCIATION

This program is designed to encourage training in various sports for exceptional learners so they can participate in tournaments at the local, county, and state level. Special Education learners team up with peers and coaches to challenge themselves by growing stronger in their social, emotional, and physical abilities.

SPORTS

Philosophy: The primary purpose of the extracurricular activities in the Huntingdon Area School District is to promote the physical, social, emotional, and moral well-being of the participants. It is hoped that extracurricular activities in our schools will be a positive force in preparing youth for an enriching and vital role in American life.

All extracurricular activities are an important and integral part of the total school program. Extracurricular activities are open to participation by all learners regardless of individual differences. Through voluntary participation, the learner gives time, energy, and loyalty to the program. He/she also accepts the training rules, regulations, and responsibilities that are unique to an extracurricular program.

LEARNER CONDUCT POLICY

Violations of the Huntingdon Area School District "Learner Conduct Policy" which require administrative action will be handled in accordance with the provisions of the policy.

1. If the violation involves a detention or suspension, then said athlete will be suspended from practices/contests of that team for those days.
2. No disciplinary leniency will be granted based on a learner's participation in extracurricular activities.

SUBSTANCE USE/ABUSE & POSSESSION

The use and/or possession of controlled substances/drug paraphernalia not prescribed by a doctor are absolutely forbidden. Coaches must immediately notify the athletic director of such occurrences.

This policy shall also apply to learner conduct that occurs off school property. Violations of the Huntingdon Area School District "Learner Conduct Policy" that require administrative action will be handled in accordance with the provisions of the policy.

The Pledge:

I agree to refrain from the possession, use, and distribution of any tobacco products, drugs (unless prescribed), alcohol, and controlled substances, both on and off school grounds, during the school year. If it is verified that I have used any of these substances, I understand that the aforementioned consequences will apply.

PIAA: The High School and the Middle School in the Huntingdon Area School District are members of the Pennsylvania Interscholastic Athletic Association (PIAA) and subscribe to the philosophy and intent of its by-laws. The PIAA by-laws that pertain to age, awards, attendance, health, transfers and residence, participation, representation, curriculum, and seasonal rules will be followed. Each coach is responsible for knowing the rules, informing team members and parents of them, and enforcing them.

Eligibility Requirements:

Academic: Academic eligibility for athletic activities is based on the premise that academic performance is the keystone of the curriculum and the standard upon which participation is measured. Pennsylvania Interscholastic Athletic Association (PIAA) eligibility requirements will be followed along with the HAMS eligibility requirements.

1. Learners must pursue a full-time curriculum defined and approved by the Principal.
2. Eligibility will be cumulative from the beginning of a grading period and will be reported on a weekly basis.
3. Learners who are failing (below 60%) two or more courses will not be eligible to participate in practice or scheduled events for the following week. If a learner is deemed ineligible, they are not permitted to participate in athletic events from Sunday to Saturday.
4. A learner that has failed two or more classes during the previous grading period, except that eligibility for the first grading period is based on the final grades for the preceding school year will be ineligible for 15 school days of the next grading period, beginning on the first day of the next marking period.

Attendance: A learner must be in school **by the end of 2nd period/ 9:21AM** in order to participate in any extracurricular contest/practice that day. An exception will be made if the learner has an approved appointment; in which case, the learner must present a signed statement regarding the absence one day in advance.

If a learner is absent the last school day of the week, and the competition is on a non-school day, the learner must have coach and parent permission to participate. It is recommended that the coach call the parent regarding the absence.

If a learner is absent from school during a semester for a total of 20 or more school days, the learner will lose his/her eligibility until he/she has been in attendance for a total of 45 school days following his/her 20th day of absence.

Sportsmanship: Learner athletes in the Huntingdon Area School District must keep in mind that they are always in the public eye and that their personal conduct will always be subject to the scrutiny of their fellow learners, fans, opponents, and the media. They, therefore, have an obligation to serve as positive role models by subscribing to the following.

1. Showing respect for authority and property.
2. Maintaining academic eligibility and training rules.
3. Emphasizing the ideals of sportsmanship, loyalty, ethical conduct, and fair play.
4. Understanding that striving to win is important to success in athletics just as in every facet of life.

Any display of unsportsmanlike behavior toward an opponent, official, or spectator during the season will result in counseling by the coach and possible suspension from the team.

Travel: Extended trips are defined as any travel that requires an overnight stay. Athletes must travel to and from contests, away from Huntingdon, in transportation provided by the school.

The only exceptions are:

1. Injury to participant that would require alternate transportation.
2. Prior arrangement made in writing between the participant's parent/guardian and the coach for the learner to ride with the parent/guardian or another approved parent.
3. When school transportation is not provided and alternative means are approved.

Equipment & Uniforms: Equipment and uniforms are issued to learners on a loan basis and are to be worn only when authorized by the coach. If any of the equipment is not returned at the conclusion of the season, an obligation will be issued to the learner for the fair cost of replacing it. Until the obligation is resolved, the learner will not be permitted to participate in any future athletic season.

Practices & Contests: Each member of any team is required to make a commitment to that sport during the season. Part of the commitment involves being at every scheduled practice and contest throughout the season. Unexcused absence(s) from scheduled practices/contests will result in:

1. Counseling by the head coach and notification of parents, if necessary; and
2. Suspension from the team and possible dismissal for remainder of the season if subsequent violations occur.

A learner who has been injured and has had medical treatment cannot participate until medical clearance has been granted. Athletes must return all appropriate insurance forms promptly or face the possibility of suspension from the team until forms are returned.

General Regulations:

1. Learner-athletes should be neatly groomed and properly dressed when traveling to any contest.
2. No athlete may quit one sport and try out for another after the season has begun without mutual consent of both coaches.
3. Any civil law infraction or conduct by a learner-athlete that occurs during a sport season that is determined by the administration and head coach to be detrimental to the athletic program, or the school district, will result in counseling by the school administration and head coach and possible suspension/dismissal from the team.

Completion of Sport Season: In order for the learner-athlete to be eligible for a letter, team and/or individual awards, it is required that he/she completes the sports season, including post-season playoffs and tournaments as well as meet the qualifications set forth by the head coach. No awards will be given to any learner-athlete suspended and/or dismissed for the remainder of the season for violations.

Learner Conduct Policy: Violations of the Huntingdon Area School District "Learner Conduct Policy" which require administrative action will be handled in accordance with the provisions of the policy.

1. For example, if the violation involves a suspension, then said athlete will be suspended from practices/contests of that team for those days.
2. It should be clearly understood that the same standard of behavior and discipline for the regular learner shall also apply to the learner-athlete, and any violations may result in forfeiture of the privilege to participate in the Huntingdon athletic program.
3. No disciplinary leniency will be granted based on a learner's participation in extracurricular activities.

Jurisdiction: The rules and regulations for the learner-athlete will apply to any violations, on and off school premises, during the sport season of participation.

Coaching Rules: Coaches may have their own set of rules and expectations.

PARENT/GUARDIAN INFORMATION

In addition to reading the aforementioned material and reviewing it with your child(ren), please read the following information regarding parent guidelines.

SCHOOL-HOME COMMUNICATIONS

The school district is using the Internet to strengthen the communications between the home and school. Teachers use a website called Skyward to post learner class information, progress reports, daily assignments, and other pertinent information for both learners and parents. Parents have their own account separate from the learners so parents will be able to use the Internet to more effectively partner with their child(ren)'s teachers. Please contact your child(ren)'s teacher(s) if you have any questions about this service.

LEARNER MESSAGES/DELIVERIES

Any message called in to a learner by parents or guardians will be held until the end of the day unless it is necessary for the learner to receive the message earlier. The school reserves the right to contact the parent or guardian to verify any message before it is given to a learner.

Parents may drop off items for learners until 9:30 AM. Any materials brought to the learner after 9:30 AM will be held until the end of the school day unless it is an emergency or a child's lunch.

TRAFFIC PATTERNS AND VISITORS

For safety reasons, we are asking parents to park their cars outside the Middle School parking lot (along the road, by the church, etc.) at the end of the day. With approximately 500 learners and a fleet of buses moving inside our lot, additional cars present a real danger to our learners. This policy does not apply to parents who need to pick up their children before 2:10 PM. Please note: Cassady Avenue will not be open to private vehicles between 2:30 PM and the time when the last school bus exits the intersection of Cassady Avenue and 25th Street (approx. 3:00 P.M.)

If you are dropping off your child(ren) in the morning, you may drop off in the front of the building.

All visitors are required to park in designated parking spaces and sign in at the main office. Office staff will follow procedures for admittance. Thank you in advance for your cooperation with this system. Learner visitors are not permitted to shadow other learners during school hours.

Please be advised that buses park in front of the Middle School daily starting at 2:15 PM. You will be parked in and will be unable to leave until the buses leave around 2:55 PM.

ALTERNATE BUS ASSIGNMENT

Acceptable reasons for a change in bus assignment are:

- Emergencies

Alternate bus assignments will not be granted for social reasons. Parents/guardians who wish for their child(ren) to ride an alternate bus must contact the Transportation Department at 643-4140. Bus drivers will only accept notes which have been properly signed by school officials.

RETURNED CHECKS

In the event that a check written to the Huntingdon Area Middle School or the cafeteria is returned because of insufficient funds, a \$20.00 charge will be added to the amount of the check, and cash or a money order will be requested as payment. Further steps for collection may result in additional charges.

PARENT CONFERENCES

Throughout the school year, parents are urged to schedule a meeting with their teachers to discuss their child's progress. Please call the school office (643-2900) to make appointments. Each team will have a team planning periods to hold conferences. Your child's teachers will announce this time at the beginning of the year.

Parent-teacher conferences are held once a year. An appointment can be scheduled and confirmed by calling the school office two weeks before the conference date. The dates of these conferences are listed on the school calendar. If your child has special needs for the following school year, parents should contact the office before the end of the present school year.

INTEGRATED PEST MANAGEMENT PARENTAL NOTIFICATION

The Huntingdon Area School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents, and weeds. From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary and will not be routinely applied. Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parents or guardians of learners enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you may be placed on the school's notification registry. If you would like to be placed on this registry, please notify the district in writing. Please include your email address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem, notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and antimicrobial products; self-contained baits placed in areas not accessible to learners, and gel type baits placed in cracks, crevices or voids; and swimming pool maintenance chemicals.

Each year the district will prepare a new notification registry. If you have any questions, please contact, IPM Coordinator at 814-643-4140, ext. 2124.

ANNUAL ASBESTOS NOTIFICATION

The Huntingdon Area School District is providing information to you concerning the asbestos management plans required under the Asbestos Hazard Emergency Response Act (AHERA). These plans are available for your review upon request. A copy of the plans for all buildings is located in the Superintendent's Office, which is located at 2400 Cassady Ave. Huntingdon, Pennsylvania 16652; telephone number (814)643-4140. The plans can be viewed by any person during normal business hours. Interested parties wishing to inquire about the hours and times that plans are available should call the telephone listed above. The asbestos management plans provide information regarding six month inspections, third year re-inspections and response actions.

PUPIL SERVICES DEPARTMENT

The utilization of the Child Study Team (CST) enables the district to meet the Federal Regulation in regards to Chapter 14 as well as a component of Response to Intervention. The CST is a group of professionals who provide consultative, evaluative, and prescriptive services to parents and learners.

The CST encompasses parent(s), a regular education teacher, special education teacher, school psychologist, building administrator, guidance counselor, and the Director of Pupil Services and/or Assistant Director of Pupil Services. The district's therapist(s): occupational, speech/language, and/or physical therapist, as well as consultants, may also participate as deemed necessary. Any agency representatives that are involved with the child are also invited to be a member of the CST process.

The CST process has assisted our district with providing screenings in various areas (cognitive, emotional, social, and communication). Parents and teachers may request a CST meeting at any time. The CST may recommend interventions, further screening, and/or a referral for a multidisciplinary evaluation (MDE) to determine eligibility for special education as a learner with a disability.

CST members review the learner's history, including any pertinent medical or health information as well as school attendance. Pre-referral interventions and assessment data are reviewed. The team may determine that additional interventions are warranted and would reconvene, or a Prior Written Notice for Initial Evaluation and Request for Consent Form and Procedural Safeguards would be issued to the parents. Once the Prior Written Notice for Initial Evaluation and Request for Consent Form is received, the Huntingdon Area School District abides by the information as stated in the form. After the evaluation results are gathered, a Multidisciplinary Evaluation Team meeting is convened. The team consists of parent(s)/guardian, school psychologist, Director of Pupil Services, regular education teacher, special education teacher, guidance counselor, and therapists (as deemed necessary). The MDE team reviews all of the information to determine by consensus if the learner is a learner with a disability and in need of special education services.

CHAPTER 14: Special Education

A child with a disability means a child who, as the result of a multidisciplinary evaluation, is determined to meet the criteria in one or more of the following categories: intellectual disability, hearing impairment including deafness, speech or language impairment, visual impairment, including blindness, serious emotional disturbance, orthopedic impairment, autism, traumatic brain injury, other health impairment, specific learning disability, deaf-blindness, or multiple disabilities and who is determined to need special education services. Learners determined eligible for special education services will receive an Individualized Education Plan (IEP) based on their needs. The program to which a learner with a disability is assigned shall be one that provides an appropriate education, seeks to assure success in learning, and offers the least restrictive environment, in accordance with federal and state regulations.

CHAPTER 16: Gifted Support

The policy for identification as gifted for learners in the Huntingdon Area School District will require learners to meet the following criteria: an IQ of 130 or higher who meets established multiple criteria indicating gifted ability or a school-aged learner with an IQ score lower than 130 when other educational criteria strongly indicate gifted ability. Determination of mentally gifted must include an assessment by a certified school psychologist. Gifted education for each identified learner is based on the unique needs of the learner, not solely on the classification. Gifted education services enable identified learners to participate in acceleration and/or enrichment programs, and to receive services appropriate to their intellectual and academic abilities and needs. Eligibility for gifted support is evaluated on a case-by-case basis.

Homelessness

The McKinney-Vento Homeless Assistance Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. The Huntingdon Area School District works to ensure that homeless learners have the same educational programs and services provided to other district learners. For more information on this Act and how the district may be able to help contact: Chris Evans, Huntingdon Area School District Director of Pupil Services (including Homeless Liaison) at 814-641-2104. You can also access more information on this Act at:

<https://www.education.pa.gov/K-12/Homeless%20Education/mckinneyvento/Pages/default.aspx>

CHAPTER 12: Overview of K-12 ESL Program

The goal of the Huntingdon Area School District's English as a Second Language (ESL) programs is to facilitate the acquisition of English language skills of learners whose native or first language is not English. Upon enrolling into the school district, all families will complete a Home Language Survey (HLS). As a result of the survey, learners whose first language is a language other than English or if a language other than English is spoken in the home, the learner will be assessed in English proficiency in reading, writing, listening, and speaking. A program will then be developed to meet the learner's individual needs, dependent upon the assessment results.

Notice to Parents

According to state and federal special education regulations, annual public notice to parents of children who reside within a school district is required regarding child find responsibilities. School districts (SDs), intermediate units (IUs) and charter schools (CSs) are required to conduct child find activities for children who may be eligible for services via Section 504 of the Rehabilitation Act of 1973. For additional information related to Section 504/Chapter 15 services, the parent may refer to Section 504, Chapter 15, and the Basic Education Circular entitled Implementation of Chapter 15. Also, school districts are required to conduct child find activities for children who may be eligible for gifted services via 22 PA Code Chapter 16. For additional information regarding gifted services, the parent may refer to 22 PA Code Chapter 16. If a student is both gifted and eligible for Special Education, the procedures in IDEA and Chapter 14 shall take precedence.

This notice shall inform parents throughout the school district, intermediate unit, and charter school of the child identification activities and of the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children. In addition to this public notice, each school district, intermediate unit, and charter school shall publish written information in the handbook and on the web site. Children ages three through twenty one can be eligible for special education programs and services. If parents believe that the child may be eligible for special education, the parent should contact the appropriate staff member identified at the end of this public notice.

Children ages three to school-age may be eligible for Early Intervention services if they are experiencing developmental delays. Developmental delays, as defined by the State and as measured by appropriate diagnostic instruments, include a 25 percent delay or a test performance of 1.5 standard deviations below the mean on a standardized assessment in one of the following developmental areas: physical development, cognitive development, communication development, social or emotional development or adaptive development. A young child may also be deemed eligible if they are determined to have a diagnosed disability as defined by PA Chapter 14 regulations. Eligibility for Early Intervention services is two-pronged. The child must be diagnosed with a developmental delay or a diagnosed disability and display a need for specially designed instruction. Specially designed instruction means adapting the content, methodology, or delivery of instruction to address the unique needs of the child and to ensure access to the general education curriculum.

Evaluation Process

Each school district, intermediate unit, and charter school has a procedure in place by which parents can request an evaluation. For information about procedures applicable to your child, contact the school which your child attends. Telephone numbers and addresses can be found at the end of this notice. Parents of preschool age children, age three through five, may request an evaluation in writing by addressing a letter to the intermediate unit staff.

Consent

School entities cannot proceed with an evaluation or reevaluation, or with the initial provision of special education and related services, without the written consent of the parents. For additional information related to consent, please refer to the Procedural Safeguards Notice which can be found at the PaTTAN website, www.Pattan.net or your educational agency. Once written parental consent is obtained, the district will proceed with the evaluation process. If the parent disagrees with the evaluation, the parent can request an independent education evaluation at public expense.

Program Development

Once the evaluation process is completed, a team of qualified professionals and parents determine whether the child is eligible. If the child is eligible, the individualized education program team meets, develops the program, and determines the educational placement. Once the IEP team develops the program and determines the educational placement, school district staff, intermediate unit staff, or charter school staff will issue a notice of recommended educational placement/prior written notice. Your written consent is required before initial services can be provided. The parent has the right to revoke consent after initial placement.

Confidentiality of Information

The SDs, IUs and CDs maintain records concerning all children enrolled in the school, including students with disabilities. All records are maintained in the strictest confidentiality. Your consent, or consent of an eligible child who has reached the age of majority under State law, must be obtained before personally identifiable information is released, except as permitted under the Family Education Rights and Privacy Act (FERPA). The age of majority in Pennsylvania is 21. Each participating agency must protect the confidentiality of personally identifiable information at collection, storage, disclosure, and destruction stages. One official at each participating agency must assume responsibility for ensuring the confidentiality of any personally identifiable information. Each participating agency must maintain, for public inspection, a current listing of the names and positions of those employees within the agency who have access to personally identifiable information.

In accordance with 34 CFR § 300.624, please be advised of the following retention/destruction schedule for the Pennsylvania Alternate System of Assessment (PASA), Pennsylvania System of School Assessment (PSSA), and Keystone Exam related materials:

PSSA, Keystone Exam, and PASA test booklets will be destroyed one year after student reports are delivered for the administration associated with the test booklets.

PSSA and Keystone Exam answer booklets and PASA media recordings will be destroyed three years after completion of the assessment.

For additional information related to student records, the parent can refer to the Family Education Rights and Privacy Act (FERPA).

Parents/guardians are encouraged to contact the School Counselor with concerns pertaining to their child.

For situations that require specialized services, referrals are made to the appropriate agencies and/or professionals.

STUDENT ASSISTANCE PROGRAM (S.A.P.)

The Student Assistance Program is designed to help school personnel in identifying issues, including drugs and alcohol, which pose a barrier to a learner's learning and school success. When the issues are beyond the scope of the school, community services are accessible to learners and parents when such needs are identified. Parent involvement and responsibility in the decision-making process affecting their children's education is key to the successful resolution of problems.

SOCIAL WORK SERVICES

Huntingdon Area School District has contracted social work/counseling services to be provided to our learners through the Tuscarora Intermediate Unit. Huntingdon Area Middle School has a social worker in the building three days a week to provide various services to our learners. Some of these services include referrals to needed community resources, family and learner support, in person sessions, home visits, and sitting in on the Student Assistance Program (SAP) team. Referrals for social work services typically are provided through the guidance office and school administration. If you have any questions regarding these services, feel free to contact the middle school office and request to speak with Michelle Spicher or email Michelle Spicher directly at mospicher@huntsd.org.

SCHOOL RESOURCE OFFICER

A uniformed school resource officer is available. The officer is a member of the Huntingdon Borough Police Department and may be contacted at the High School.

TRANSPORTATION

LEARNER CONDUCT ON BUS

Proper bus riding conduct is essential to the safety of all who ride the bus. The bus driver's first concern is for the safety of the learners. If for some reason his/her concentration is disrupted by unruly learners, the welfare and safety of all is in danger. The school bus is an extension of the classroom. The District utilizes the School Wide Positive Behavior Support (SWPBS) program to instruct expectations and positively manage student behavior across all grade levels. The driver of any school bus will be held responsible for the orderly conduct and safety of the learners transported.

Prior to the beginning of the school year, learners' bus numbers, pick up, and drop off locations are assigned. Learners are only permitted to ride their designated bus from and to their pick-up and drop off location.

All misconduct on the bus will be treated the same as misconduct in the school building; therefore, drivers are directed to report to the principal any misconduct by learners which is deemed serious enough for further action.

Each driver will establish and post the district bus expectations on rules of his/her bus. Riders will be instructed on what meeting each of these expectations looks like and how they can meet each expectation. It is expected that riders will meet the expectations as instructed. Riders must obey these rules. The bus driver will assign all learners a seat.

The principal may suspend a learner from bus transportation for disciplinary reasons, and the parents/guardians shall be responsible for the learner's transportation.

Unauthorized Entry of School Buses

Only bus drivers and authorized school personnel are permitted to board a school bus. In accordance with state law, persons who enter a school bus without permission could face up to a year in prison and pay a fine of up to \$2,500.

The school district provides all eligible learners with an opportunity to be transported by school bus to and from school. The riding of a school bus by learners is a privilege and not a right. Disorderly conduct or refusal to respect the authority of the school bus driver will be sufficient reason for a learner to be denied transportation to and from school in accordance with regulations of the local school.

Misconduct on the school bus can result in the following after district investigation:

First Offense: Warning, Reteaching of Expectations, Change in Assigned Seating and/or Conference with Administration.

Second offense: Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, and/or removal from the bus for one (1) day. Detention(s) or ISS

Third offense: Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for no more than three (3) days. Detention(s) or ISS

Fourth offense: Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for no more than five (5) days.

Subsequent offense(s): Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for an additional day or remainder of the year.

While bus rules are posted in each bus, we feel that it is important for learners and parents to review these rules. They are:

- Observe the same conduct as in the school.
- Be courteous. Use no profane language.
- Keep the bus clean.
- Cooperate with the bus driver.
- Tobacco products are prohibited.
- Do not be destructive.
- Learners must stay in their seats.
- Keep head, hands, and feet inside the bus.
- The bus driver is authorized to assign seats.
- Learners are not permitted to sell food, etc. on the bus.
