January 6, 2023

Dear Families and Guardians:

The district Student Services Department has been under the leadership of Staci Young and her assistant, Tim Snare. Staci has decided to seek employment elsewhere at this time and will be completing her last day with the district on Friday, January 6. We have been very fortunate to have Staci lead the department and we will greatly miss her, but certainly wish her well on her new opportunity.

At this time, it is of utmost importance to the district to continue to provide high quality student services to our students and families. The district has begun a search for a replacement for the Director position.

The selection of a high quality leader will however take some time, so the plan moving forward will be to have an interim director work with the district to ensure that services continue to be provided. We will seek to name and approve an interim at the January 23, 2023 board meeting. Following that meeting more information will be provided.

As we move forward, certainly continue to work with your child's teacher and building principal. If you should have additional needs, please use the following contacts and staff in the district to have any of your needs addressed.
