**Re:** **Class of 2020 Commencement Ceremony**  
**Date:** May 19, 2020

Dear Seniors, Parents, and Guardians,

**Huntingdon Area High School is pleased to announce the date, time, and location for the Class of 2020 commencement ceremony!**

**Date/Time: Thursday, June 4, 2020, at 5:00 pm**

- Rain Date: Friday, June 5, 5:00 pm.

**Location: Huntingdon Area School District Campus**

- Athletic Practice Field between Huntingdon Area Middle School and Standing Stone Elementary School

The ceremony will utilize a **drive-in model**. The time change is to account for daylight hours. Each senior will be permitted to have one vehicle, with family members accompanying them in the vehicle, for the ceremony. We will be able to honor the entire class together as a group using this model. The ceremony will consist of traditional elements of commencement: speeches, seniors being called by name to receive their diplomas on stage, and a professional photograph. A parade of vehicles will follow the ceremony. The ceremony will also be livestreamed.

After reviewing our plan in collaboration with County officials, we are confident that this can truly be a meaningful and memorable ceremony while practicing social distancing guidelines.

Thank you for your patience as we have developed this plan. More detailed information about this plan, including arrival times and procedures, will be shared within the week. We wanted to share this information with you now so that you can begin to plan for this milestone!
