

**Superintendent Huntingdon Area School District
Objective Performance Measures (2024-2025)**

<p>Performance Standard #1: District Operations and Financial Management The Superintendent worked with the District Business Manager to strategically plan for the yearly budget by using data and projection tools to assist the district and present a budget that provided the resources needed to maintain the physical and human resources needed for quality educational programs while ensuring fiscal responsibility.</p>	<p>Met Objective #1</p>	<p>Did Not Meet Objective #1</p>
<p>Performance Standard #2: Personal and Professional Growth The superintendent engaged in professional development and learning as measured by the completion of the educational leadership doctoral program.</p>	<p>Met Objective #2</p>	<p>Did Not Meet Objective #2</p>
<p>Performance Standard #3: Develop a Culture of Learning The superintendent worked with the director of curriculum to develop aligned curriculum maps for K-12 instruction. The board was presented with updated curriculum maps for board approval and the maps were published for instruction on the district's online curriculum mapping tool.</p>	<p>Met Objective #3</p>	<p>Did Not Meet Objective #3</p>
