Dear 6th Grade Students, New Students, Parents, and Guardians,

I am excited to introduce myself as the new principal of Huntingdon Area Middle School and to welcome you to the start of an important and exciting chapter in your child's educational journey.

Transitioning to middle school or joining a new school community can bring a wide range of emotions. Whether your child is filled with excitement or feeling a little nervous, we want to make this experience as smooth and positive as possible. To support this transition, I would like to personally invite you to attend our 6th Grade/New Student Orientation on:

Wednesday, August 12 at 6:00 PM

We will begin our program in the Middle School cafeteria with welcoming remarks and an overview of important school information. Afterward, you and your child will have the opportunity to tour the building and become familiar with the layout. To ensure a comfortable and manageable experience for all, we ask that attendance be limited to just parents/guardians and their incoming 6th-grader or new student.

I look forward to meeting you and working together to support your child's success. Please feel free to contact me at nobrien@huntsd.org or (814) 641-2180 with any questions you may have.

Mrs. Norma O'Brien
HAMS Principal
