## ACHIEVE Academy

*Empowering youth to advance health in their communities*

**Overview:** ACHIEVE Academy is a three-day summer day-camp program for rising 7th-10th grade students that runs June 2nd – 4th from 9 a.m. - 4:30 p.m. at Juniata College. We aim to inspire the next generation of community health leaders by introducing participants to the various factors that affect health, including healthcare and education access, the environment, social connections, and economic stability, while also exposing them to new opportunities. All these elements will be viewed through the lens of the local rural community to demonstrate that students can impact individual and collective health and wellness right where they are! Participants will have opportunities to explore various aspects of community health and meet local community leaders, as well as participate in fun activities that promote wellness and a growth mindset! Lunch and snacks will be provided. Thanks to a grant the registration fee is discounted for Huntingdon County residents.

**2026 Program Date & Location:** June 2nd - 4th from 9 am to 4:30 pm at Juniata College, Statton Learning Commons (Moore St.)

**Eligibility:** The program is open to students going into grades 7-10 in the fall. Because this is a daytime program, participants must also be able to coordinate their transportation to and from the program. If necessary, transportation and overnight accommodations on campus could be arranged, depending on distance/ interest.

**Registration:** Space is limited and registration will be on a first-come, first-served basis, with priority being given to first-time registrants. To register, visit the Juniata College Camps and Conferences website using the link or QR code below. <https://www.juniata.edu/offices/conferences-events/camps-conferences/>

**Cost & Scholarships:** Thanks to a grant from the Penn Highlands Hospital Foundation, students who are Huntingdon County residents will receive **partial-tuition scholarships** making the fee for registration \$100 per student. For non-Huntingdon County Residents tuition is \$150 per student. Registration fees cover all activities, lunch, and snacks each day. Please contact [achievehealthliteracy@gmail.com](mailto:achievehealthliteracy@gmail.com) with any questions.
