July 8, 2025

Dear School Community,

I am saddened to share the unexpected news of the passing of one of our students, Carter Wagner, a rising junior at Huntingdon Area High School. Carter lost his life in an accident on the afternoon of Monday, July 7th.

I understand that the loss of a student can be overwhelming, and it is difficult to predict how it will affect our school community. We are prepared to provide support as needed. School counselors and a social worker will be available for both middle school and high school students at both locations on July 8th and 9th. If you require additional support, please call the central office at 814-643-4140 to speak with a mental health professional.

Our thoughts are with Carter's family, friends, and the entire school community as they navigate this sudden loss. We were honored to have had Carter as part of our school family.

Respectfully,

Jennifer Mitchell
