Mr. Sean P. Cummins,
Secondary Principal

May 7, 2025

Dear Students, Parents, and Guardians,

As we approach the end of the school year, we want to share important information regarding Summer School 2025 if your child meets eligibility requirements.

This year, summer school will be held online, allowing students the flexibility to attend from home while continuing their learning. However, we understand that some students may benefit from face-to-face assistance, so we provide in-person support options on designated days throughout the program. These sessions will be held on campus and staffed by teachers to help students stay on track and get the needed help.

Please note that participation this year will be fee-based. Below are more details about course offerings, dates, and payment.

Dates and Times:

- **Session**
 - June 10 - July 17 (6 Weeks)
 - In-Person Support Hours:
 - Tuesdays, Wednesdays, and Thursdays
 - 8:00 am - 12:00 pm

Costs:

- Students and families are responsible for the full cost of the course for summer school
 - The cost for a full credit course is \$400, and a credit recovery/half credit course is \$200
 - The cost for a full credit advancement course is \$500, and a half credit advancement course is \$250
 - A reduced fee of 50% of the cost for credit recovery courses would be offered for eligible economically disadvantaged students

While summer school allows students to recover credits or strengthen academic skills, we strongly encourage every student to stay focused, complete all assignments, and finish the year strong to avoid the need for summer coursework. If your child needs summer school, we will contact you during the week of May 24, 2025, with more information.

If you have any questions, please contact the high school office at (814) 643-1080.

Sincerely,

Sean P. Cummins
HAHS Principal
