Assistant Principal

September 20, 2013

Dear Parents,

We are fortunate to be able to offer an after school-tutoring program for your child Monday through Thursday. Our Homework Help tutoring program is available for all students that need more time to develop academic skills and time to complete homework.

Teachers will be available to work with students each afternoon; we will have homework help Monday through Thursday, from 2:45 PM until 4:00PM. We will provide a light snack for your child. Transportation will be the responsibility of the parents, please be prompt when picking up your child. Mondays and Wednesdays support will focus on Reading, English, Language Arts and Social Studies and Tuesdays and Thursdays will focus on Math and Science

Thank you in advance for considering this worthwhile program. Some children just need more time to grasp academic concepts. We believe the extra time that this program offers will benefit all that participate.

Please complete the bottom portion of this letter if you and your child are interested in participating in Homework Help and return it with your child to give to their homeroom teacher. If you have any questions, please feel free to contact me.

Sincerely,

Brian Pelka
Principal
