

7/8 Blue - 7th Grade Science Expectations

This year we will be studying aspects of physics such as simple machines and forces of motion as well as life science, including taxonomy and the cell.

Binder specifications:

You need to keep a science binder, which should be organized as follows:

After this page, you will have

Remind class code: Text this: @d8753 to number 81010
--

Grade Sheet: You will have a sheet to record your grades on so that you will always know how you are doing in this class.

Question of the Day. Most days, when you enter my class, you will see a question on the board. You are to copy down the question and look up the answer. These questions will accumulate and you must always keep them in the front of your binder, just behind the grade sheet.

Papers, in order from oldest (in the front) to newest (back)

Papers from the beginning of the marking period will be in the front, papers from today will go in the back.

If you lose your binder, you are responsible for getting yourself a new one and letting me know immediately so that we can start another grade sheet.

Binders may be collected and checked randomly and/or at the end of the marking period as a grade.

As far as class goes, you are expected to behave and follow the general rules in the handbook.

- Respect others: raise your hand to speak and don't talk when the teacher or a classmate is talking.
- Hand in your homework on time - if you turn it in one day late, you can still earn $\frac{1}{2}$ credit. 2 or more days late - zero credit.
- Bring your materials to class every day! You may not earn preparedness points if you forget your stuff! (pencil, notebook, textbook, any work due)
- Head each paper and worksheet with following heading -
 - Name
 - Period
 - Date
- If you miss a day, you can pick up papers from the lab table. If you send me a message, I may be able to email you the work so that you are not behind. Even if you do not have a printer, you could answer anything on a separate sheet and bring it to class.

DO NOT STORE ANY PAPERS OR FOLDERS IN THE TEXTBOOKS!

Expectations may be adjusted or added at any time.

Thank you and I'm looking forward to a great year!

~Ms. Goodman
