Dear Parents and Guardians,

This letter is to inform you of our new **A.M. Bus and Parent-Student Drop-Off** procedures.

A.M. - All buses will enter the H.S. loop dropping off Middle and High School students. Once dropped off, the Middle School students will walk to the M.S. via the main H.S. hallway. Middle School students will use the side entrance to enter the Middle School. High School students will proceed to their morning staging area.

Parent-Student Drop-Off:

High School - Parents may drop-off their son/daughter in front of the High School. Parents will need to follow the flow of traffic in the H.S. bus loop. Parents will not be permitted to drive around buses while they are unloading students.

Middle School - Parents are permitted to drive around the front Middle School loop to drop-off their son/daughter at the main entrance of the Middle School. Parents are not to drive around the M.S. building due to students crossing between the buildings.

P.M. - Procedures will remain the same. All buses will be located at the Middle School. At dismissal, high school students will walk to the M.S. to board their bus. Middle school students will walk out the M.S. main entrance to their bus.

Parent-Student Pick-Up:

High School - For the safety of our students, it is highly recommend that parents do not drive through the H.S. loop at dismissal. Parents may pick up their son/daughter along Cassady Avenue in front of the High School.

Middle School - At dismissal, no one will be permitted to drive back towards the Middle School. Access to the the M.S. will be blocked until buses are released and exit the campus. After buses have exited the campus, parents may pick up their son/daughter in front of the M.S. Parents may also pick up their son/daughter along Cassady Avenue in front of the High School.

NEW - H.S. Visitor Parking

If you are visiting the high school, please use our new visitor parking area. Vehicles will no longer be permitted to park along the curb in front of the high school.

If you have any questions, do not hesitate to call us.

Sincerely,

Nicholas A. Payne
H.S. Assistant Principal
