Re: **Class of 2020 Commencement Ceremony Update: Additional Rain Dates and Times**
Date: June 4, 2020

Dear Seniors, Parents, and Guardians,

With the postponement of commencement this evening due to the weather forecast, we are providing an additional date where we will look to hold our ceremony if our rain date of tomorrow evening, Friday June 5, at 5:00 pm needs to be postponed as well. The parade will immediately follow the commencement ceremony.

We have the stage set and our sound and streaming services coordinated for these times. Let's hope that we can continue as planned tomorrow, but we are prepared to move forward on Saturday so that we can honor our graduates. We are providing this date now so that you can begin to plan and coordinate as needed.

All previously distributed information about the ceremony will remain as scheduled.

Saturday Rain Date Information

Date: Saturday, June 6

Time: 10:00 am

Gates Open: 8:30 am

In addition, we will continue to offer morning opportunities for diploma distribution for small groups. Please contact Mr. Lee and Mrs. Fouse via email to schedule a time. These have turned out to be very nice, brief, presentations, and provide additional flexibility for your senior and family. We can continue to schedule these through next week.

Thank you for your continued patience and understanding!
