Re: HAHS Learner Schedules Released
Date: August 19, 2020

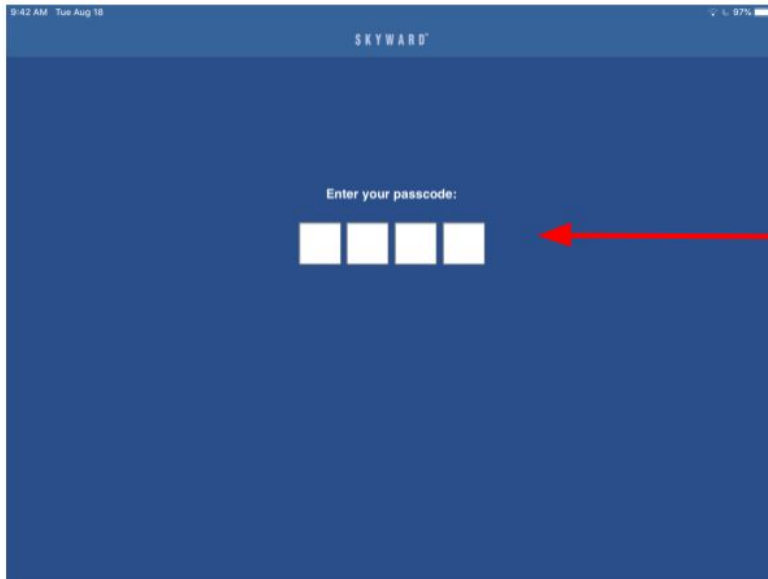

Learners and Families,

Learner daily schedules for the 2020-2021 school year were released. You can view your learner's schedule via the Skyward Family Access Portal. Screenshots to show learners how to access the schedules from the Skyward Mobile App are shared on the following pages of this memo. Families may also use the Skyward web version.

Please Note: *These schedules do not reflect changes with online classes.* Learners that are participating in the BILD online program to start the school year, or that have a hybrid schedule, will have additional communication sent when those changes are made. The schedule that can be viewed now is only based upon a learner's schedule if they would have remained in the traditional HAHS setting.

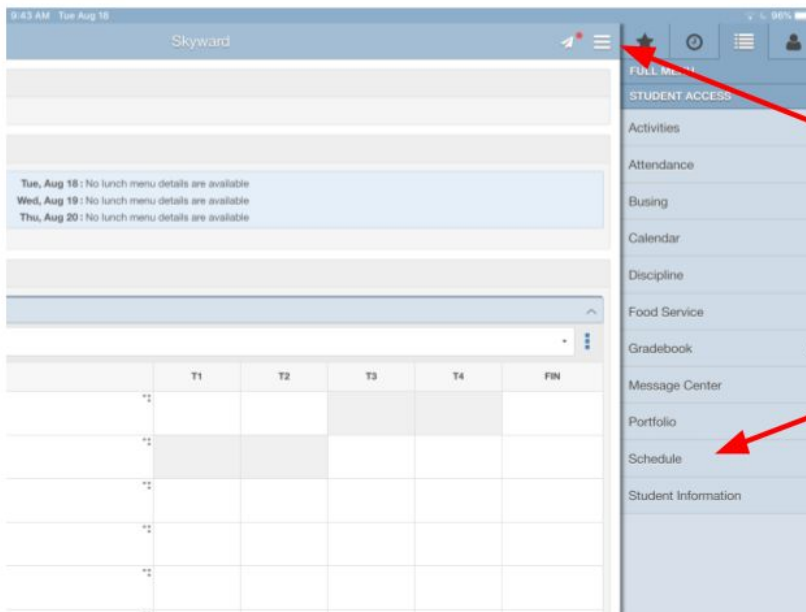

Use the Skyward mobile application. These can be downloaded to your personal devices. Learners have these applications on their iPads at school.

Enter your 4 digit PIN number

Click on the Menu Bar. Then, select "Schedule."

You will to select a “Schedule Date” that we are in school to see the schedule for that day.

The screenshot shows a mobile application interface for a school schedule. At the top, it says '9:44 AM Tue Aug 18' and 'Schedule'. Below that, it says 'No Scheduled Classes Today.' There are two tabs: 'By Day' (selected) and 'By Term'. A 'Schedule Date:' field shows 'Aug 31, 2020'. A calendar dropdown is open, showing months from June to October. The date 'August 31 2020' is selected. Below the calendar, there is a 'Clear' button and a list of classes for 'Huntingdon Area High School - Day 1'. The first class is 'KINNECT-SOC ST', Period 2 (8:51 AM - 9:41 AM), Teacher: BAER, MATTHEW, Where: Room 0242, Days: 1,2. Below it is 'KINNECT-ENG'.
