Re: Spectators at Varsity Football vs. Bellefonte - 10/9/2020

On Tuesday, October 6th, Governor Wolfe announced amendments to his restrictions on indoor and outdoor gatherings. The Huntingdon Area School District will comply with the new restrictions and will cap participant/spectator capacity at 20% for both indoor and outdoor athletic events.

The Athletic Department would like to explain how spectators will be handled at our home football game tomorrow night. Because it is Senior night, we are allowing senior participants (Varsity/JV Football, Band, Cheer) to pre-register for 4 reserved tickets that will be available for purchase for immediate family members. All other participants (Varsity/JV Football, Band, Cheer) will be allowed to pre-register for 2 tickets for immediate family members. Tickets will be \$5 for adults and \$3 for students. Those tickets need to be claimed at the lower gate by 6:45 PM. At 6:45 PM, any unclaimed tickets will be made available for sale to the general public.

We will have a limited number of student tickets available for senior students who are not participants to allow them to come to support their classmates. Those tickets will be pre-sold at the High School, in the guidance office, for \$3 each.

Any available tickets below our capacity will be sold to the general public starting at 6:45 PM. They will be sold on a first-come, first-served basis.

Thank you!
