Assistant Principal

"ALL LEARNERS, ALL FUTURES"

To: Learners, Parents, and Guardians
From: Mr. Travis Lee, High School Principal
Re: HAHS School Update
Date: November 18, 2020

Greetings HAHS Families,

Huntingdon Area High School will utilize the Blended/Hybrid learning model until further notice. Thanksgiving Break, Keystones Exams, and the Winter Break provide natural breaks within our school calendar. In order to make the number of in-person days equitable between the groups, to provide as much consistency as possible, and to help us all be prepared, we are sharing the Blended/Hybrid schedule through the end of the first semester. Though this is subject to change, we hope that we will be able to closely maintain this schedule. Please see the **reverse side of this memo which includes a calendar** indicating when the **Red Group** and **Blue Group** will have in person days. The ultimate goal is to return to 100% as long as we can provide a safe environment for the students, faculty and staff.

Take special note of which group is in on Wednesdays. Both the Middle School and High School will be utilizing this calendar. Elementary schools remain 100% in person.

Schedule for the next two weeks:

- **Red Group:** Monday 11/23 - Wednesday 11/25 (11:15 dismissal on 11/25)
- **Blue Group:** Wednesday 12/2 - Friday 12/4
- Learners will have independent learning days when not in person

Keystone Exams

Note the in-person days during the week of the Keystone Exams. **Red Group** learners are in person on **12/7** and **Blue Group** on **12/11**. **Only learners that are taking the exams are to report to HAHS on their specific testing days.** Learners not taking the exams will have independent learning days 12/8 -12/10. Families and learners will be notified next week regarding which exams they are scheduled to take. The exams will mostly target juniors taking the Biology and Literature exams, though learners in multiple grade levels will be taking or retaking the Algebra I exam. The exams remain a graduation requirement for the Class of 2022 and beyond.

Thank you for your cooperation and understanding. We appreciate everyone's efforts in working together to keep learning moving forward. Please contact the HS Office with any questions.

Sincerely,

Travis R. Lee,
HAHS Principal
