Message from the Superintendent

December 8, 2020

Remote Instructional Model of Learning for entire District Effective December 11, 2020 - January 20, 2021

During the board meeting on Monday, December 7, 2020 the following motions were voted on and approved:

Motion 1: All buildings at HASD will go remote as soon as the administration is able to make the appropriate arrangements and will remain remote until at least Jan. 20, 2021. At the discretion of the administration identified high need students may continue with some face-to-face instruction during this time.

Motion 2: Whenever a building is remote, those students will not participate in face-to-face extracurricular activities.

To address motion 1,

- HASD will begin the remote model of learning effective Friday, December 11, 2020 and continue through Wednesday, January 20, 2021, the end of the 2nd quarter.
- HASD has identified a “Gray Group” that will continue with some face to face instruction, four (4) days per week. Those families have been individually contacted by school district personnel. IF you have not been contacted, then you are not part of the “Gray Group” and you will continue with the remote learning model. A separate schedule will be provided to those participants in this group.

To address motion 2,

- There will not be any extracurricular activities, to include athletic activities such as practice, until after January 20, 2021.

Additionally, weekly meals will still be distributed on Wednesdays from 11:30 AM to 12:15 PM at the Middle School. You can sign up to receive meals for your children by filling out the form weekly on this [link](#).

Here is our Schedule until January 20, 2021. *(This does not include Gray Group Participants)
