Good morning learners, parents, and guardians,

This message is a follow-up to the school update sent on Friday, 1/15/21 and Mr. Foster's message yesterday, 1/19/21.

HASD is returning to the Blended/Hybrid learning model tomorrow, January 21, 2021. **We are excited to see our learners return to in-person instruction!**

The HAHS schedule through the next two weeks is listed below. For planning purposes, a calendar through the end of Marking Period 3 is attached to this message. Please note that learners that have previously been designated as part of the **Gray Group are to begin MP3 by attending each school day.**

HAHS Notes and Updates

- **MP 2/Semester 1 Dates**
 - The last day of Marking Period 2/Semester 2 is Wednesday, 1/20. Learners should have all course assignments submitted to teachers by the end of the semester
 - MP2 grades/report cards will be released on Thursday, 1/28
- **MP3/Semester 2 Dates**
 - Both Red and Blue Group learners will begin their MP3/Semester 2 classes on Thursday, 1/21, regardless of learning model
 - Learners must check Skyward for their daily schedule, check their email for any correspondence from teachers, and check their Google Classrooms for class invites
 - This is especially important for courses that change between Semester 1 and Semester 2, which primarily impacts electives
 - Learners will receive a hard copy of their Semester 2 schedule during their first in-person day in homeroom
- **Student Drivers**
 - Learners are reminded to arrive to school by 7:45 am so that we can facilitate our arrival and temperature checking procedures
 - This is especially important at the start of the second semester, as learners will be receiving important information during the homeroom timeframe
- **Materials Return**
 - Learners should be prepared to return any materials from Semester 1 classes during their first day of a return to in-person learning
 - Morning time will be provided to return resources to Semester 1 teachers
- **HCCTC**
 - The first day for HAHS learners to attend the HCCTC is Thursday, 1/21
 - All HCCTC learners should attend the CTC each school day
 - Learners should follow their blended/hybrid plans for HCCTC transportation as they have followed previously this year during their non HAHS in-person days
- **School Safety Protocols**
 - When we welcome learners back to the building, it is imperative that learners continue to follow our Covid-19 safety protocols and expectations. Please remind and reinforce the following with your learners:
 - Mask compliance
 - Frequent and thorough handwashing
 - Social distancing
- **Covid-19 Communication**
 - Should your learner or someone in your household have Covid-19 or be designated as a close contact to someone with Covid-19, please contact the school office. We can provide information regarding school procedures so that we keep everyone safe in the school setting and determine if there are supports that you need
 - Our families have done a great job communicating thus far this year!

Blended/Hybrid Learning Model

The Huntingdon Area High School will remain on a hybrid schedule until further notice. Below is a schedule for when each group (**Red & Blue**) is to attend school. The schedule is projected out until the week after the end of Marking Period 3, which is the week of March 29. Please understand that this is only a projection for planning purposes for your families as well as our teachers. The ultimate goal is to return to 100% as long as we can provide a safe environment for the students, faculty and staff. Again, the high school will remain on a hybrid schedule until further notice.
