Mr. Travis R. Lee,
Principal

Mrs. Kristen C. Streightiff,
Assistant Principal

"ALL LEARNERS, ALL FUTURES"

July 19, 2022

Dear 9th Grade and New Students, Parents, and Guardians,

We want to welcome your student to Huntingdon Area High School! As the new school year begins, we want the important transition to the High School to go as smoothly as possible.

We are holding the Freshmen and New Student orientations on Tuesday, August 16, 2022. There will be two sessions held for your convenience. The first will be held at 1:00 pm and the second at 6:00 pm. Each session will last approximately 45 minutes to an hour and will cover the same materials. We ask that no more than two parents/guardians accompany our students to their orientation.

The orientation will cover topics such as building expectations, graduation requirements, academic/career planning, and a school tour. We anticipate that students will have their schedules for the 2022-2023 school year provided to them to help guide them during their building tour.

We look forward to welcoming you to the Huntingdon Area High School! If you have any questions, I can be reached by email at lee@huntsd.org or by phone at (814) 641-2136.

Sincerely,

Mr. Travis R. Lee
HAHS Principal
