Superintendent

Timothy Snare
Acting Student Services Director

Matthew R. Gibson
Business Manager

Dear Families,

On Wednesday, March 29, 2023, many school districts in Pennsylvania were affected by false reports of safety threats on their campuses. From what we understand, schools have received internet-based phone calls with these threats, which turn out to be unsubstantiated. It appears to be part of a hoax known as "swatting."

While the Huntingdon Area School district has not experienced this issue directly, we know that many of our families may be understandably concerned about school safety. Please know that our top priority is the safety and well-being of our students and staff. We take any and all reports of potential threats seriously, and we are making every effort to maintain an environment where students and staff feel safe.

We would like to continue to encourage our students and school community to report anything that could constitute a threat to school safety. As always, we work closely with local law enforcement to assist in these situations. Please remember that an anonymous reporting system is available at: <https://www.safe2saypa.org/>

We understand how important your children are to you and entrusting us to care for them while in our district buildings.

Sincerely,

Jennifer Mitchell
Superintendent
