

Huntingdon Area School District 2023-2024 Device Insurance Form

The Huntingdon Area School District is offering families the opportunity to protect district-owned Chromebook/iPads ("device") utilized by students. This optional plan protects the device against accidental damage (drops/spills), loss or theft, fire, flood, and natural disasters. The plan will also act as an extension of the manufacturer's warranty against defects. Insurance is highly recommended, although it is not mandatory. **Insurance is not mandatory if the student's parent/guardian chooses to allow the device to be taken home, but is strongly recommended.** If you choose **not** to purchase insurance, the parent/guardian is financially responsible for all repair or replacement costs of the device and its accessories.

Parents/Students purchasing insurance will be responsible for the following deductibles:

- **1st Claim:** **\$25**
- **2nd Claim:** **\$150 or cost of repair (whichever is less)**
- **3rd Claim:** **Full value of repair/replacement (iPad: \$250, Chromebook: \$200)**

Claims submitted are per individual child, not per family and are on a per-year basis. Students will be responsible for the care of devices and device accessories, including, but not limited to: keyboard, case and charger. Devices can be tracked by their serial numbers. The insurance fee scale for the 2023-2024 school year is listed below. If you qualify for free or reduced lunch status, you also qualify for reduced insurance costs.

For the 2023-2024 school year, families that purchased insurance during the 2022-2023 school year will be covered for the 2023-2024 school year and will not need to purchase insurance again this year. If you are new to the District or did not purchase insurance during the prior school year, you will have the opportunity to do so this year. Please contact your student's school if you wish to confirm if you have paid for insurance during the prior school year.
