WELCOME TO HUNTINGDON AREA HIGH SCHOOL www.huntsd.org

The faculty and administration of Huntingdon Area High School (HAHS) hope you find your years at our school filled with learning, friendships, and excitement. We know you will find many new challenges in our school, and all confidence is placed in you to meet these challenges as responsible young adults. We are proud of our school and are here to help you receive the best education possible. It is up to you to work to your capacity to make the years at the high school the best you have ever had. A good way to begin is for you and your parents/guardians to read the contents of the handbook to get to know your school better.

Have a great school year!

IMPROVE YOUR LEARNING POWER

Going to school is your job!

Here are a few tips that might help improve your learning power:

- Choose the same time and place to study each day.
- Find a comfortable place with fresh air and good lighting.
- Avoid distractions.
- Get enough sleep, exercise, and fun.
- Study before you are tired.
- Review material a little every day to improve your memory.
- Make up work as soon as you return from an absence.

POSITIVE SCHOOL WIDE BEHAVIOR SUPPORTS

The Positive School Wide Behavior Support System has been adopted by our high school as a means to create a positive school environment and clear expectations for our students. The faculty, staff, and the positive school wide student team at the high school will model positive behavioral expectations using the guided model approach to teach clear expectations and positive behavior. By targeting instructional design and delivery, classroom/school arrangement, and rules and procedures, a significant number of school-wide behavioral problems can be prevented, leaving staff with fewer individual problems to manage and increasing instructional time.

We developed our core expectations for positive behavior at the high school with student and staff input. From here, we developed our core expectations using the acronym "BEARCATS" which focuses on the slogan:

Be **E**ngaged **A**ct **R**esponsibly **C**are **A**bout the **T**eam **S**afety

Throughout our school, students will be taught the expectations for a particular area using the BEARCATS slogan. With this program, we are able to reward students on various levels for following the expectations. These reinforcements can be implemented by all employees – principals, teachers, custodians, para-educators, cafeteria staff, etc.

All teachers and staff will use a digital format for student recognition and encouragement called LiveSchool. Teachers and staff will reward classes and students with points to serve as an acknowledgement of positive behavior using the BEARCATS expectations. These points will then be used to win prizes and rewards like gift certificates, tickets to school events, or Bearcat gear.

ATTENDANCE - Reference [School Board Policy 204](#)

Pennsylvania Public School Code of 1949 Article XIII: Pupils and Attendance: The school board recognizes that attendance is an important factor in educational success, and supports a comprehensive approach to identify and address attendance issues.

Attendance shall be required of all students during the days and hours that school is in session, except that authorized district staff may excuse a student for temporary absences upon receipt of satisfactory evidence of mental, physical, or other urgent reasons that may reasonably cause the student's absence.

The school board shall establish and enforce attendance requirements, in accordance with applicable laws and regulations, school board policy and administrative regulations.

COMPULSORY SCHOOL ATTENDANCE REQUIREMENTS

All students of compulsory school age who reside in the district shall be subject to the compulsory school attendance requirements. Compulsory school age shall mean the period of a child's life from the time the child's parents/guardians elect to have the child enter school, and which shall be no later than six (6) years of age until the child reaches eighteen (18) years of age. The term does not include a child who holds a certificate of graduation from a regularly accredited, licensed, registered or approved high school.

A student shall be considered in attendance if present at any place where school is in session by authority of the school board; the student is receiving approved tutorial instruction, or health or therapeutic services; the student is engaged in an approved and properly supervised independent study, work-study or career education program; or the student is receiving approved homebound instruction.

EXCUSED/LAWFUL ABSENCE

The school board considers the following conditions or situations constitute reasonable cause for absence from school:

1. Illness, including if a student is dismissed by designated district staff during school hours for health-related reasons.
2. Obtaining professional health care or therapy service rendered by a licensed practitioner of the healing arts in any state, commonwealth or territory.
3. Quarantine.
4. Family Emergency.
5. Recovery from an accident.
6. Required court attendance.
7. Death in the family.
8. Participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4-H and FFA group, upon prior written request.
9. Observance of a religious holiday observed by bona fide religious group, upon prior written parental request
10. Non school-sponsored educational tours or trips, if the following conditions are met (a through c):
 - a. The parent/guardian submits a written request for excusal prior to the absence.
 - b. The student's participation has been approved by the superintendent or designee.
 - c. The adult directing and supervising the tour or trip is acceptable to the parents/guardians and the superintendent.
11. College or postsecondary institution visit, with prior approval.
 - a. The district may limit the number and duration of college or postsecondary institution visits for which excused absences may be granted to a student during the school year.
 - b. See COLLEGE VISITS (page 10) in this handbook for additional information.
12. Other urgent reasons. Urgent reasons shall be strictly construed and do not permit irregular attendance.

PARENTAL NOTICE of ABSENCE - Absences shall be treated as unlawful until the district receives a written excuse explaining the absence, to be submitted within three (3) days of the absence.

A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed practitioner of the healing arts.

UNEXCUSED/UNLAWFUL ABSENCE

For purposes of this policy, absences which do not meet the criteria indicated above shall be considered an unexcused/unlawful absence. **Students whose absence is determined to be unexcused may not be allowed to make up work.** An out-of-school suspension may not be considered an unexcused absence.

ENFORCEMENT of COMPULSORY ATTENDANCE REQUIREMENTS

Student is Truant - When a student has been absent for three (3) days during the current school year without a lawful excuse, district staff shall provide notice to the person in parental relation who resides in the same household as the student within ten (10) school days of the student's third unexcused absence. If the student incurs additional unexcused absences after issuance of the notice and a School Attendance Improvement Conference was not previously held, district staff shall offer a **School Attendance Improvement Conference**.

A **School Attendance Improvement Conference** is to examine the student's absences and reasons for the

absences in an effort to improve attendance with or without additional services. Neither the student nor the person in parental relation shall be required to participate, and the School Attendance Improvement Conference shall occur even if the person in parental relation declines to participate or fails to attend the scheduled conference. The outcome of the School Attendance Improvement Conference shall be documented in a written **School Attendance Improvement Plan**. The plan shall be retained in the student's file. A copy of the plan shall be provided to the person in parental relation, the student, and appropriate district staff.

A student is habitually truant when a student has six (6) or more school days of unexcused absences during the current school year by a child subject to compulsory school attendance.

When a student under fifteen (15) years of age is habitually truant, district staff shall:

1. Refer the student to:
 - a. A school-based or community-based attendance improvement program; or
 - b. The local children and youth agency.
2. May file a citation in the office of the appropriate judge against the person in parental relation who resides in the same household as the student.

When a student fifteen (15) years of age or older is habitually truant, district staff shall:

1. Refer the student to a school-based or community-based attendance improvement program; or
2. File a citation in the office of the appropriate judge against the student or the person in parental relation who resides in the same household as the student.

District staff may refer a student who is fifteen (15) years of age or older to the local children and youth agency if the student continues to incur additional unexcused absences after being referred to a school-based or community-based attendance improvement program, or if the student refuses to participate in such program.

Regardless of age, when district staff refer a habitually truant student to the local children and youth agency, or file a citation with the appropriate judge, district staff shall provide verification that the school held a **School Attendance Improvement Conference**.

PARENT COMMUNICATION of ABSENCE

The Huntingdon Area School District will take the following actions to communicate and address students that are absent, truant, habitually truant, or have chronic absenteeism:

1. Each day a student is absent from school the home will be called by the School Messenger System to notify the parents/guardians of the absence.
2. 1st & 2nd Unexcused Absences - a notification letter will be generated and stored in the family access portal in Skyward. All families have the availability to access Skyward.
3. 3rd Unexcused Absence - a warning letter describing consequences for habitual truancy will be mailed home.
4. 4th Unexcused Absence - an invitation to attend a School Attendance Improvement Conference
5. 7th Day of Cumulative Absence - a letter will be mailed home describing that your student is approaching ten (10) cumulative absences and will need an excuse from a licensed practitioner of the healing arts once the student exceeds ten (10) cumulative absences.
6. 10th Day of Cumulative Absence - a letter will be mailed home stating that all future absences from school will require an excuse from a licensed practitioner of the healing arts.

CHRONIC ABSENTEEISM

The state of Pennsylvania identifies chronic absenteeism as an important component to the Every Student Succeeds Act (ESSA). Chronic absenteeism is one indicator that Huntingdon Area High School will be evaluated on as part of our building score, a component of the PA Future Ready Index.

Chronic absenteeism will be calculated based on the number of students who have missed more than ten (10) percent of school days across the academic year. Students must not exceed 18 days absent in order

for HAHS to receive a high evaluation.

Any student who is chronically absent will have his/her absences reviewed by a committee consisting of the superintendent, building principal, and classroom teachers. Chronically absent is defined as missing more than 10% of the school days across the academic year. If the committee determines that the absences are not due to health reasons, the student may receive no credit for all courses being taken.

Chronic absenteeism may result in students losing the privilege of participating in school sponsored activities.

UNEXCUSED ABSENCES OVER SIX (6) DAYS

Students are required to make-up all unexcused absences over six (6) days. The make-up days may be scheduled during detention and/or Saturday detention sessions. Seniors who fail to make-up days prior to graduation may not be permitted to participate in graduation ceremonies or receive their diploma until the days are made up. Underclassmen may not receive credit for their course work until the days are made up. Details pertaining to specific students will be based upon the **School Attendance Improvement Plan**, developed at a School Attendance Improvement Conference.

ABSENCE EXCUSAL PROCEDURES

1. When a student returns to school after an absence, the student must report to the office and present a properly signed excuse from a parent or guardian or provide a medical excuse from a licensed practitioner of the healing arts.
2. **Failure to provide a proper excuse within three (3) days will result in the absence being classified as unexcused.** Each day that is not covered by a legal excuse will result in an unexcused day on record. If a student is under the compulsory school attendance law, proper steps will be taken to enforce that law.

EDUCATIONAL TRIPS

Educational trips during the school year are permitted but are not encouraged. If an educational trip will be scheduled, please avoid our state testing windows, and the final week of the two semesters. Any educational trip must have prior approval from administration. Educational trips not exceeding five (5) school days may be excused under the following conditions:

1. A written request for the trip is submitted to the principal five (5) school days in advance.
2. The educational trip is within the first ten (10) absences.
3. The student must be in good standing. Good standing is determined by administration and the student's teacher(s) and based on attendance and academic progress.

Failure to meet any of the above conditions may result in unexcused absences. At the request of the student, work will be provided prior to departure. Students should communicate with teachers to request work prior to leaving for an educational trip. Students should also communicate with peers and refer to digital resources (i.e. Google Classroom) to review assignment expectations. Students must submit all classroom work upon return according to the make-up work guidelines (see above).

The school board may limit the number and duration of tours or trips for which excused absences may be granted to a student during the school term.

FIELD TRIP PROCEDURE

Students involved with a school approved field trip:

- May not be failing 2 or more classes
- May not be considered chronically absent (as defined above)
- Will return a signed parental consent permission form

This procedure must be followed any time a student is involved in a school activity that requires the student to

miss time from school.

COLLEGE VISITS

The school recognizes the benefits of college visits during a student's junior/senior year. However, the school recommends minimizing absences for these visits. Such visits will be considered excused absences if they are pre-approved by the administration and a note from the college admissions office is turned in when returning to school. Students should obtain a college visit form from the guidance office and get pre-approval by the principal. Otherwise the day will be marked unexcused.

ENTERING AND EXITING THE BUILDING

Between 7:30 AM and 2:44 PM all students must enter and exit the building at the main office door. During the school day, students may not be permitted to leave the building to retrieve items (books, projects, gym bags, athletic equipment, etc.) out of vehicles. **No student is allowed to open any exterior door to let people into the building.**

TARDINESS

TARDY TO SCHOOL

1. Students arriving at homeroom after 7:53 AM will be admitted by the teacher and marked tardy. Any student arriving at school between 7:53-9:38 AM will be marked tardy to school.
2. Students arriving at school after 7:53 AM must sign in at the office and present an excuse for the tardy to be excused. The office will only accept up to ten (10) excuses for being tardy to school. After ten (10) excuses, the student must present a properly signed medical excuse from a licensed practitioner of the healing arts.
3. Students without a note will be marked unexcused tardy and discipline procedures for handling unexcused tardies will be followed as outlined in the chart below.
4. Students not present at the start of the class period will be marked tardy for the entire period.
5. Time absent due to tardiness will be calculated as part of the overall attendance.

Students arriving tardy to school will be marked accordingly:

1. Prior to 9:38 AM will be marked tardy. Tardies will accumulate into days absent.
2. Students that are absent between 3-4 periods will be considered 1/2 day absent.
3. Students that are absent 5 or more periods will be considered absent for a full day.

Discipline procedures for handling unexcused tardies to school:

TOTAL TARDIES	LEVELS OF CONSEQUENCES		TOTAL TARDIES	LEVELS OF CONSEQUENCES
1-2	Warning		6	One (1) ISS
3-4	One (1) Detention		7+	Administrative Discretion
5	Two (2) Detentions			

Students that demonstrate excessive tardiness may be required to attend a School Attendance Improvement Conference.

Students that demonstrate excessive tardiness may be required to make-up school hours as indicated in the **UNEXCUSED ABSENCES** section of this handbook (pg. 9).

EARLY RELEASE

Pupils are not permitted to leave school before the close of the school day except by recommendation from the school nurse for illness or by the school administration for a legitimate reason. Early releases will be calculated as part of the overall attendance. Students requesting an early release for a medical appointment must present a medical excuse from a licensed practitioner of the healing arts for the early release to be excused. The school reserves the right to call parents when an early release is requested. Phone calls or emails made to the office requesting an early release will not be accepted. Regardless of age, a written

notice with a parental/guardian signature or a face-to-face request in the office from the parent will be the only forms of request that will be granted for early releases.

Students that have an early release:

1. Students missing 3-4 periods of the day will be considered 1/2 day absent.
2. Students missing 5 or more periods will be considered absent for a full day.
3. Times absent due to early release periods will be totaled toward total days absent, and excessive absences may result in truancy proceedings.

The procedure for students with early dismissals will be as follows:

1. Report to the high school office between 7:30 AM. and 7:50 AM in order to get an early dismissal slip.
2. The student shall present a written note from his/her parent or guardian requesting the early dismissal. This note must contain name, phone number, reason for request, time of departure and time of return.
3. Present the early release dismissal slip to your teacher.
4. Take the early dismissal slip to the main office and sign out before leaving the building.
5. When the student returns, he/she must report to the office to sign in, and obtain a pass to return to class. At this time, a medical excuse should be provided.
6. When a student returns to class he/she must present their pass to the teacher.

Classroom Attendance Infraction It is the student's responsibility to be in class on time or to present an excused pass to the teacher. A reasonable amount of time has been allowed for the changing of classes. If a student loiters on the way to class, however, he/she will no doubt be late. Students must present to the teacher an approved pass in order to not have a discipline referral.

Tardies to class will be calculated cumulatively for the entire year. See Behavior Guidelines and Consequences Chart for administrative and teacher guidelines for handling tardies to class.

MAKE-UP WORK

If a student has been legally absent, is tardy, or has an early release, he/she should contact his/her teacher for makeup assignments upon returning to class. Students should also communicate with peers and refer to digital resources (i.e. Google Classroom) to review assignment expectations. Students whose absences are determined to be unexcused may not be allowed to make up work. Turning in make-up work to classroom teachers following an absence from school will follow the guidelines listed below:

- Students will need to turn in work on the day of their return to school if an assignment was given prior to the date of their absence.
- One day absent: Students have one day upon returning to school to return all make-up work.
- Two days absent: Students have two days upon returning to school to return all make-up work.
- Three days absent: Students have three days upon returning to school to return all make-up work.
- Absences longer than three days: Students and/or parents should contact the high school office to request work to be made up. Students should communicate with teachers about an appropriate timeframe for returning the make-up work.
- Failure to follow make-up work procedures may result in make-up work being denied.
- Longer-Term Assignments: Teachers may, for special assignments such as research papers, long-term projects, and presentations, maintain a hard deadline/due date for assignment completion. Deadlines will be communicated in advance.

MAKE-UP WORK: FIELD TRIPS and EARLY RELEASES

Students may be absent from school due to field trips and early releases for athletics, club participation, etc. Students who will miss class due to these reasons should follow the guidelines listed below:

- Assignments that are due during the day of the field trip or early release should be completed and submitted to the classroom teacher prior to leaving school.
 - Note: Many assignments can be submitted digitally, and students may use time prior to

homeroom, during lunch, and during class changes to submit work. Students should not interrupt classes to turn in work.

- The guidelines for a one day absence will be followed for work missed during classroom time on the day of the field trip or early release.
- Students are responsible to communicate with teachers about receiving assignments and materials, and/or any extenuating circumstances.

PERFECT ATTENDANCE AWARD

Perfect attendance means you must be present in school. Students leaving school for a period of two (2) or more hours will be considered as being absent and not eligible for this award.

HOMEBOUND INSTRUCTION - Reference [School Board policy 117](#)

PASSES

HALL PASSES

Except during the changing of classes, a student must have a pass to be out of his/her assigned area.

1. In order for a student to go to another room to make-up a test or for other reasons, a pass must be secured prior to the beginning of class.
2. A student who requests to see the nurse must have a pass signed by their teacher. The nurse will sign the pass after seeing the student. If the student is returning to the class from which the pass was issued, the student will return the pass. If the student is sent back to class during another class period, the nurse will issue the student a new pass to that class.
3. Teachers will not issue a pass for a student to see other students or teachers.
4. Students must follow teacher sign-out procedures when leaving their designated classroom or assigned area.

RESTROOM PASSES

Students are to use the restroom between class periods, and passes from classrooms will be restricted to emergency use only. Students are to use restrooms closest to their classroom.

School administrators reserve the right to limit or restrict the amount of passes issued to a student or designate specific restrooms to be used for students that abuse the privileges previously mentioned. Students are required to sign in and out of the classroom when using the restroom.

Note: There may be adjustments to hall pass procedures when electronic upgrades become available. These adjustments, if made, will be reviewed with students prior to implementation.

HEALTH

MEDICAL SERVICES

First aid services for emergency illnesses or accidents are under the direction of the school nurse. If conditions warrant the services of a nurse, students should report to the nurse's suite after consulting with their teacher. If the nurse is not available, the student should report to the main office.

Note: Due to the COVID-19 pandemic, please refer to the district Health and Safety Plan and/or specific building information regarding daily screening procedures and processes if symptoms related to COVID-19 are expressed.

STUDENT ILLNESS

If your child becomes ill at school, you will be called and a determination will be made of what is best for your

child. Children with a temperature of **100.4 degrees** or more will be sent home and should remain home until they are fever free for 24 hours. Any child with vomiting, diarrhea, or flu like symptoms must stay home or if they are sent home they must be symptom free for 24 hours without fever reducing medication.

ILLNESS AT SCHOOL

1. Secure a pass from your teacher to go to the nurse's office.
2. Sign-in at the nurse's office and see the nurse.
3. Sign out of the nurse's office and return to class.

When a parent/guardian comes in to pick up a sick student, the parent/guardian must go to the office and sign a dismissal form unless other dismissal arrangements are made. If a student is ill at school, the school nurse or administration may grant permission for a parent/guardian to pick up the sick student. **Students are not permitted to call or text a parent/guardian to be picked up from school because of an illness without consulting the school nurse or administration. If a student calls or texts a parent/guardian for pick up without consulting the school nurse because of being ill, the departure of the student may be considered an unexcused absence.**

ACCIDENTS and ILLNESS

Any serious injury, which occurs on a school bus, in the school building, or on the school grounds, must be reported immediately to the main office and the school nurse. A written report must be made immediately by the supervising teacher and turned in to the office for medical and insurance purposes. The student's parent/guardian will be notified.

MEDICATION - Reference [School Board Policy 210](#)

Students that are prescribed a controlled substance are not permitted to be in school while under the influence of the controlled substance. Students are permitted to return to school when they can take over the counter pain medications. For example students prescribed Percocet due to injury or illness, may not return to school until they are done taking the controlled substance. Special circumstances will be considered on an individual basis with a specific health plan.

Although the Huntingdon Area School District strongly recommends that medication be given in the home, it realizes that the health of some children requires that they receive medication while in school. When medication is to be taken at school, the following steps must be taken:

1. The doctor must complete **Medication Form A**. (Please contact the school nurse.)
2. The parent/guardian must sign the consent form for **Medication Form B**. (Please contact the school nurse.)
3. Any medication to be given during school hours must be delivered to the school nurse, school secretary, principal or designated individual by the parent/guardian. The medication must be brought to school in the original pharmaceutical dispenser and properly labeled container.
4. In instances where parent/guardian neglects to fulfill the requirements of **forms A and B**, the medication will not be administered.
5. Students may carry their own cough drops in school.
6. Students may carry their own inhaler or epi-pen after **Medication Form B** is completed by a parent/guardian.

Non-prescription medications are not permitted in school. If administration of a non-prescription drug is determined to be necessary, the school nurse or secretary will follow the in-house medication procedure.

POSSESSION/USE OF ASTHMA INHALER OR EPINEPHRINE AUTO-INJECTORS

The Huntingdon Area School District shall permit students to possess asthma inhalers and epi-pens and to self-administer the prescribed medication used to treat asthma and/or life threatening allergic reactions when

such is parent authorized. Reference [School Board Policy 210.1](#) for proper procedures to follow.

NALOXONE- Reference [School Board Policy 823](#)

As a means of enhancing the health and safety of our students, staff and visitors, the district may obtain, maintain and administer doses of an opioid antagonist and other facilities, specifically Naloxone, for emergency use to assist a student, staff member or other individual believed or suspected to be experiencing an opioid overdose.

The Huntingdon Area School District has Naloxone available to treat opioid drug overdoses. Naloxone reverses the effects of opioid drugs.

Possible symptoms of an opioid overdose can include but are not limited to: confusion or delirium, mood swings, nausea or vomiting, extreme constipation, pinpoint pupils, extreme sleepiness, or inability to wake up, breathing problems, including slowed or irregular breathing stopped breathing, and cold, clammy skin, or bluish skin around the lips or under the fingernails. Students and staff should report suspected opioid overdoses immediately to district administration. Students should immediately inform a teacher, guidance counselor, nurse, administrator, or other school personnel if they believe an opioid overdose has occurred.

The protection from criminal prosecution is provided by law for persons who report a suspected overdose using their real name and remain with the overdosing person until emergency medical services (EMS) or law enforcement arrive, as well as for the person whose overdose they report.

The protection from civil liability is provided by law for persons who report overdoses or administer Naloxone in overdose emergencies.

SUICIDE AWARENESS, PREVENTION and RESPONSE- Reference [School Board Policy 819](#)

The Huntingdon Area School District is committed to protecting the health, safety and welfare of its students and school community. This policy supports the provision of a comprehensive district program designed to promote behavioral health and prevent suicide.

ACADEMIC PROGRAMS

COURSE COMPLETION

Students must earn a minimum grade of 60% in a course in order to receive credit and should earn a minimum of 6.0 credits per year in order to graduate on time.

Students who fail a required course must successfully make up the course in order to graduate. This can be accomplished by completing the course in summer school or, in certain cases, scheduling and completing the course during the remaining years prior to graduation.

KEYSTONE EXAMS AND GRADUATION REQUIREMENTS

Students belonging to the graduating class of 2023 and beyond will be required to meet one of the following pathways in order to satisfy statewide graduation requirements, as defined by Act 158 of 2018:

- Keystone Proficiency Pathway
- Keystone Composite Pathway
- Alternate Assessment Pathway
- Evidence Based Pathway
- CTE Pathway

Act 158 Pathway Graphic

Act 158 of 2018 (Act 158) provides alternatives to Pennsylvania's statewide requirement of attaining proficiency on the three end-of-course Keystone Exams (Algebra I, Literature, and Biology) in order for a student to achieve statewide graduation requirements. Effective with the graduating class of 2023, students have the option to demonstrate postsecondary preparedness through one of four additional pathways that more fully illustrate college, career, and community readiness.

Specific information regarding requirements for each pathway can be found at this [link to the PDE website](#).

Keystone Exams (for Algebra I, Literature, and Biology) will continue as the statewide assessment that Pennsylvania uses to comply with accountability requirements set forth in the Federal Every Student Succeeds Act (ESSA) and Pennsylvania Senate Bill 1095 of 2018. Although a student may not be required to achieve proficiency on the Keystone Exams in order to graduate, based upon the pathways previously listed, students are required to take the Keystone Exams for purposes of Federal accountability. Students may be required at the school level to participate in remediation prior to re-taking an exam and/or complete additional activities in order to meet one of the designated state-recognized pathways.

Statewide High School Graduation Requirements are always subject to change according to state legislation.

GRADUATION CREDIT REQUIREMENTS

<i>REQUIRED COURSES</i>	<i>CREDITS</i>
English (4 courses - 9,10,11 & 12)	4.00 credits

SENIOR SYMPOSIUM GRADUATION PROJECT

Completion of a graduation project is a requirement for graduation from the Huntingdon Area School District. Students will create a graduation project consisting of a student portfolio that includes a cover letter, resume, mock interview, and oral presentation of the project, which must include a visual presentation such as a tri-fold or a technology-based presentation. The graduation project will be presented by students as part of the yearly Senior Symposium. Information regarding the graduation project and Senior Symposium will be shared by the guidance office.

GRADUATION

For students to participate in commencement exercises, all graduation requirements must be completed prior to the date of commencement. Students will be able to participate in the first scheduled commencement exercise after completing all graduation requirements.

Students transferring from home, cyber, or private school to HASD must fulfill the following requirements to receive a diploma and participate in graduation ceremonies:

1. Be a full-time student during the twelfth grade year to prepare and participate in district-approved state standardized testing.
2. Satisfy the graduation requirements listed previously in this handbook.
3. The student's GPA will be calculated but the student will not be placed in class rank.

EARLY GRADUATION

If a student intends to graduate in fewer than four (4) years, written notification must be submitted to the high school principal prior to the year of the intended graduation. This situation would most likely apply to students wishing to graduate after three (3) years of high school, and in that case, the student must submit notification of their intention to graduate early by the end of their sophomore year.

A parent meeting will be required after receiving written notification of the early graduation intention. If, at the end of the meeting, it is determined that graduating early is in the student's best interest, and the student has an administratively approved pathway to meeting the graduation requirements, which includes meeting the credit requirements and an Act 158 graduation pathway, then the early graduation will be permitted.

With an early graduation, the student will be entitled to participate in the graduation ceremony, but will not be considered for senior-specific awards, such as the valedictorian or or salutatorian recognitions, and scholarships.

GPA CALCULATIONS

Classes that are "Honors" or "Advanced Placement" will earn what is termed "weighted" grade point average (GPA).

The difference between a weighted and unweighted GPA is that weighted GPA takes the rigor of each class into consideration. An unweighted GPA does not recognize this difference. This results in a more equitable assessment of cumulative GPA and class rank because students are earning their GPAs based on the class rigor and grades earned, instead of grades earned only.

GPA is determined based on a mathematical calculation involving credits attempted, credits earned, and quality points, which is all a part of the grading scale. The grading scale will have additional factors to allow for weighting.

The "weighting" key is as follows:

Classes which are named "Advanced Placement" will earn a weighting of 1.4.

Classes which are named "Honors" will earn a weighting of 1.2.

All other classes earn a weighting that is equal to the number of credits earned.

College courses that will receive a percentage grade on the high school transcript (and will affect the high school GPA) include: Any college course taken as a required high school credit and any college course a student chooses to take for high school GPA credit. In all other cases, students will earn high school credit, but will receive a Pass or Fail grade on the high school transcript (which does not affect the high school GPA). Note that any college course that is taken, but will not improve a student's GPA, will be marked as a Pass or Fail high school course so that the grade does not negatively impact a student's GPA, unless the course replaces a required high school course. High school credits earned for college courses are as follows:

- 1 college credit course = .5 high school credit
- 3 or more college credit course = 1.0 high school credit

College courses will receive weight if the same collegiate weighted courses are available at HAHS. For example, a student can take a Calculus I course at Juniata College for a 1.4 GPA weight if HAHS offers AP Calculus.

GRADING

Teachers will use the following guidelines to assess students throughout the marking periods:

- Skills: Homework, Participation – 25% maximum
- Academics: Tests, Labs, Quizzes, Writing, Projects – 75% minimum
- Example: Homework – 10%, Participation – 10%, and Academics – 80%

Students are expected to follow teacher-established deadlines for assignments. Teachers may award partial credit for late assignments submitted within a reasonable timeframe according to course policy and teacher discretion. Students may be required to attend after school tutoring or support sessions in order to receive partial credit for missing assignments.

Letter grades and percentage grades will appear on report cards as follows:

Letter Grade	Percentage	Letter Grade	Percentage	Letter Grade	Percentage
A	95-100	C+	77-79	D-	60-62
A-	90-94	C	73-76	F	Under 60
B+	87-89	C-	70-72	I	Incomplete
B	83-86	D+	67-69		
B-	80-82	D	63-66		

1. All work must be completed within two weeks of the end of marking periods 1, 2, and 3. No incompletes are given at the end of the 4th marking period.

2. Final grades will be determined by using an average of the percentage grades combined as follows:

- (a) A one-semester course: 50% each marking period.
- (b) A full-year course: 25% each marking period.
- (c) A semester grade will be calculated by the average grade of the two marking periods within the semester. The course final grade will be determined by the average of the semester grades.

For a semester course, the final course grade will be the semester grade.

Note: Midterms and Finals will not be required during the 2025-2026 school year. Teachers may administer a comprehensive midterm and/or final within their classes. These scores will be reported as part of their Marking Period 2 or 4 course grades.

3. Honors, Salutatorian, and Valedictorian status is determined at the end of the fourth (4th) marking period. All courses that receive a letter grade throughout the student's high school career are used in these calculations.

4. Honors students their senior year will receive cords for a QPA of 3.75 and above.

- High Honors = QPA of 3.75 and above
- Honors = QPA between 3.5 and 3.749

Students and parents are encouraged to monitor course progress and review grades as they are updated weekly by teachers. Grades can be viewed via the Skyward Family Access portal and by utilizing the Skyward application on devices.

Deficiency notices will be sent via the Skyward Family Access Portal approximately every three weeks during the school year. The automatic notifications will be sent to students/families for students that are currently receiving a D or below (F) in a course, and are in danger of failing the course for the marking period. This enables parents and guardians to formally receive notices twice each quarter prior to the finalization of a quarterly (marking period) grade. Students and parents/guardians should contact their teachers regarding course expectations and ways to show grade improvement when receiving a deficiency notice.

Deficiency Notices will be sent on the following dates:

September 12, 2025	December 5, 2025	March 20, 2026
October 17, 2025	January 9, 2026	April 10, 2026
November 14, 2025	February 20, 2026	May 1, 2026

Students that experience academic difficulties should speak with their teacher or school counselor regarding tutoring opportunities. Tutoring opportunities may vary depending upon the time of the school year and collaboration with community resources.

Administrators, or through the recommendation of a teacher, reserve the right to assign academic detention, or a Tier II level support during the school day, when the student consistently fails to meet course expectations. The purpose of this assignment is to structure support for the student to be successful in the course. Please see a description of academic detention in the Code of Conduct section of this handbook.

PROMOTION AND RETENTION

At the high school level, students may be promoted to the next course in the content area program once receiving credit for a course. However, students must accrue the cumulative credits listed below in order to be promoted to the next grade level:

Credits to be earned to be promoted to each grade level

Grade	Credit Minimum
10	5 credits
11	11 credits
12	17 credits
Graduation	24 credits

Students that are not promoted based upon cumulative credits earned will be retained in the appropriate grade level's homeroom. Credit recovery and summer school options will be reviewed with the student to help the student recoup credits and remain with their cohort peers.

SCHEDULE CHANGE POLICY

The school's master schedule is designed each year based on the courses our students request. Every effort is made to match students' needs and interests. Once the master schedule is in place, it cannot be reconstructed. Students are permitted to drop a course, **during the Drop/Add period**, with parent/guardian, counselor, and principal approval plus teacher input. Not all requests for schedule changes can be honored, even during the Drop/Add period, due to credit requirements, timing of classes, class size, and personnel considerations. Please note that schedule change requests that request specific teachers and/or classes during specific times, that drop accredited courses for study halls, or that are made based upon grades, performance, and GPA calculations, will not be honored.

To request a schedule change during the **Drop/Add period**, see your school counselor for a **Drop/Add form**.

Drop/Add Periods: **Semester One:** August 21, 2025 – August 29, 2025
Semester Two: January 12, 2026 – January 16, 2026

Please note that Drop/Add requests should occur as soon as possible at the start of the semester.

COLLEGE COURSE

College courses that will receive a percentage grade on the high school transcript (and will affect the high school GPA) include: Any college course taken as a required high school credit and any college course a student chooses to take for high school GPA credit. In all other cases, students will still earn high school credit, but will receive a Pass or Fail grade on the high school transcript, which does not affect the high school GPA. High School credits earned for college courses are as follows:

- 1 college credit = 0.5 high school credit
- 3 or more college credits = 1.0 high school credit

Students can have weighted grades for college courses if the same collegiate weighted course (AP/Honors Level) is available at Huntingdon Area High School. For example, a student can take a Calculus I course at Juniata College for 1.4 weight if HAHS offers AP Calculus or CIHS Calculus.

SUMMER SCHOOL - Summer school courses are conducted online, and there are additional fees involved. See Guidance for details.

III. Procedure for infractions - See Behavior Guidelines and Consequences Chart

CODE OF STUDENT CONDUCT & DISCIPLINE

For any school district to function properly, reasonable and necessary rules governing student conduct must be designed and enforced. Every student that is in non-compliance with the following rules will be disciplined based on knowledge of the current problem and past experience with the individual involved. Every situation is different, and after hearing all the facts involved, a decision will be made.

The high school administration and teachers retain the right to assign such discipline for infractions that are not specifically listed within this handbook. Students will be disciplined taking into consideration the past disciplinary record of the student and any other extenuating circumstances. All disciplinary actions are at the discretion of the administration.

REPORTING ANONYMOUSLY

Any student concerns may be reported to HASD personnel anonymously by students. Any concerns needing immediate attention should be reported directly to administration and/or guidance, in person or by email, or may be reported utilizing the Safe2Say Something Program.

ACADEMIC DETENTION

Students will be assigned Academic Detention by the Assistant Principal/Principal on the recommendation of their teacher if they meet the following criteria:

- Failing quarter grade/one of the lowest in the class
- Failing quarter grade for three weeks or more
- Multiple missing assignments
- Refusal to participate in class or classroom activities (i.e. lab)
- Missing major project or test
- Refusal to attend academic support

Students who are struggling or cannot do the work are NOT assigned to Academic Detention. This program is designed to target only the most severe cases of academic non-compliance.

DETENTION

Detention is held every Tuesday and Thursday afternoon from 2:50 PM until 3:50 PM in a room as designated by the High School Office. Students will be given notice of assigned detention and must provide their own transportation home. Extracurricular activities cannot be an excuse for missing detention. Excused absences from detention must be approved prior to the absence.

The following guidelines will need to be followed while serving detention:

1. Electronic devices are to be used for educational purposes.
2. Students are to be engaged in learning (reading, studying, homework, etc.). Students must come to detention prepared with books, iPad, study materials, etc.

MORNING DETENTION

Morning detention may be utilized for students in special circumstances. Students will be assigned morning detention times and dates through administrative procedures. The student should have a 24-hour notice to make arrangements for transportation.

SATURDAY DETENTION

Saturday detention may be utilized for students in special circumstances, but especially for students in need of making-up attendance hours. Students will be assigned Saturday detention times and dates through administrative procedures. The student should have 72-hour notice to make arrangements for transportation.

IN-SCHOOL SUSPENSION (ISS)

ISS is held every day. Students who are assigned ISS must report to the office with all their books and materials immediately after the homeroom period. Students assigned ISS cannot participate in any extracurricular activity until 8:00 AM the day following the completion of the ISS assignment. Students serving ISS may be asked to complete materials to reflect upon and/or modify behaviors.

OUT-OF-SCHOOL SUSPENSION (OSS)

Students who are assigned OSS must remain home from school for the period assigned. Students assigned OSS cannot participate in or attend any activities sponsored by the school district until 8:00 AM of the next school day following completion of the assigned OSS.

LAUREL LIFE TRANSITIONS CLASSROOM

Located on district grounds, Transition Classrooms are specialized, integrated educational and counseling services designed to treat behavioral and emotional issues affecting academic progress. The structure and interventions in Transition Classrooms are rooted in principles of trauma-informed care and brain science.

Program goals are to stop inappropriate behavior, assist students to learn different coping strategies, and show new positive behaviors. Specialized interventions utilize an evidence-based treatment framework to build resiliency and help students overcome trauma so they may return to the regular classroom setting.

ALTERNATIVE AND RESTORATIVE DISCIPLINE APPROACHES

Teachers and administrators reserve the right to utilize alternative and restorative disciplinary practices. Restorative discipline is a whole school relational approach to building school climate and addressing student behavior that fosters belonging over exclusion, social engagement over control, and meaningful accountability over punishment. Its practices replace fear, uncertainty, and punishment as motivators with belonging, connectedness and the willingness to change because people matter to each other. Note that alternative/restorative practice will often be used in conjunction with disciplinary assignments.

Examples of alternative and restorative disciplinary practices could include students cleaning an area that was damaged or vandalized (example, cleaning the cafeteria after intentionally creating a mess), or acknowledging mistakes through writing/apology letters to individuals adversely affected by their actions.

Restorative practices can easily be embedded into Positive Behavioral Interventions and Supports (PBIS) and Multi-Tiered System of Supports (MTSS) frameworks.

1. Tier 1: Focuses on prevention of problem behavior by emphasizing universal support.
2. Tier 2: Designed to prevent the development and escalation of problem behaviors for students who are identified as being at risk for developing chronic behavior problems.
3. Tier 3: Designed to reduce the intensity, frequency, and/or complexity of problem behaviors by providing individualized behavior supports using evidenced-based interventions.

EXPULSION - Reference [School Board Policy 233](#) The school board, or an appropriately appointed committee, may, after a proper hearing, permanently expel a student. Reasons for expulsion may be, but are not limited to:

1. Repeated discipline offenses.
2. Violation of the Substance Abuse, Weapon, Arson and Explosive Policy.
3. Any violation that affects the safety or well being of students, faculty, or staff, or disrupts the educational environment.

Any student who is being recommended by the high school administration for expulsion from school will have the opportunity to have a formal hearing held before the school board or a committee authorized by the school board.

USE OF DRUG DETECTING CANINES

The Huntingdon Area School District has authorized the use of drug detecting canines in the school district. All students need to be aware that searches will be periodic and unannounced and will include all lockers, backpacks and vehicles on school grounds.

Access to Student Recruiting Information

Federal and State laws require that high schools provide student names, addresses, and phone numbers to military recruiters and institutions of higher learning (i.e. colleges). Each branch of the military routinely requests these lists from the high school Guidance Office. Very few colleges request them, although they do have the right to do so. Colleges typically receive their mailing information from surveys and PSAT/SAT/ACT exams.

Students and parents have the right to request that their child's name, address, and phone number not be released to military recruiters, colleges, or both. Parents and students are informed of this right with the following:
All students receive a "do not release" form (meaning you complete the form to let us know that you do not want your child included on either or both of the lists). The form is sent home with all students on the first day of school each year and you are asked to complete and return the form by the end of the first week of school. If the form is not returned, students are included on the list.

All newly enrolled students receive a "do not release" form with other new student papers.
If you are not sure whether you ever completed a form, or would like to know the current status of your child's name on the list, please feel free to contact the main high school office.

Huntingdon Area School District One-to-One Device (Chromebook/iPad) Guidelines and Insurance Information

Philosophy

Our primary mission for increasing access to educational technology is to transform learning in the Huntingdon Area School District. We believe that technology rich classrooms, when facilitated by properly prepared teachers, are the vehicles to achieve this goal.

Our goals are:

- To use technology to customize learning and maximize student success.
- To increase academic rigor and better prepare students for success in whatever post-secondary path they select.
- To increase student engagement in our classrooms through the meaningful integration of technology in the daily curriculum.

Device (Chromebook/iPad Guidelines)

Devices (Chromebooks/Apple iPads) and case(s) are the property of the Huntingdon Area School District. Devices will be assigned to students who are enrolled on a full-time basis and must be returned to the Huntingdon Area School District at the conclusion of each school year. The device must be returned in the original working condition. **Damage not covered under insurance will be the responsibility of the student and/or parent.**

The district's Chromebooks/Apple iPads are educational tools and are to be used only in that capacity. The Huntingdon Area School District's [Acceptable Use Policy](#) binds students using district devices, regardless of the location of usage. The policy is available through the school district web site (<http://www.huntsd.org>.) The use of the Chromebook/iPad is a privilege that can be revoked upon violation of the [Acceptable Use Policy](#). Inappropriate use or neglect of an iPad, its case, the Internet, or any other installed software will result in the loss of use of the iPad. Loss of the student iPad will not change classroom expectations and assignment completion.

Internet, Software, and E-mail Guidelines

The [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#) must be followed at all times. Students should have no expectation of privacy as related to the Chromebook/iPad and can expect teachers, technical support staff and administrators to conduct spot checks of their Internet history, logs and other records of usage. Inappropriate Internet activity or email use may result in loss of Chromebook/iPad privileges. If a student "accidentally" links to an inappropriate website, he/she should close the site, note the time and date of the incident and report it immediately to the teacher. Students may not install or run software that has not been approved by the administration.

All students will be issued a filtered district Gmail account along with a corresponding Google Drive account. Gmail email is to be used for school/academic purposes only and must be used in accordance with the [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#). The district email is set up for school-related activities and should never be used for personal or business communication. The district-provided email account is not private and can be reviewed by building and district administration as well as school district and vendor support. Messages that are blocked by the content filter will be reviewed throughout the school day. Any non-academic email that is blocked by the content filter may be deleted and may not be delivered to the recipient.

General Rules

- Students will carry their Chromebook throughout the school day. Students are responsible for the Chromebook at all times. The Chromebooks/iPads are not to be left unattended. All iPads must be kept in the provided protective case, at all times. The screen protector should be covering the screen when the iPad is not in use.
- Unless directed by their teacher, students are not authorized to use other student's Chromebooks/iPads. In addition, students are not permitted to allow others to access their Chromebooks/iPad, including family members and friends.
- Students may not use the Chromebook/iPad in bathrooms or locker room facilities at any time.
- Chromebooks/iPads must never be left in an unsecured or unattended area. If a student is unable to carry and supervise his/her Chromebook/iPad, the Chromebook/iPad is to be locked in the individual student's assigned classroom cart. It is the student's responsibility to notify the school office when circumstances arise that prevent the student from carrying the Chromebook/iPad around school. The school office will review such requests and make alternate arrangements if necessary.
- Students must keep their passwords confidential, and update passwords according to district guidelines.
- Students are responsible for regularly backing up school documents on their Google Drive. Students are expected to keep all of their school files in their Google Drive. Failure to back up documents does not constitute an excuse for not turning work in on time.
- Students may not alter any settings on their Chromebooks/iPad, without administrative approval.
- Location services must be enabled at all times on all district iPads.
- Headphones are prohibited in class unless a faculty member grants permission.
- Obscene language and/or inappropriate materials, including screensavers, desktop backgrounds and/or pictures are strictly prohibited. Inappropriate use of the iPad camera is also strictly prohibited.
- Students must follow all copyright laws. Familiarize yourself with [School Board Policy No. 814- Copyright Material](#).
- Downloading unauthorized games, applications, or software by students is prohibited.

- All software and apps will be licensed, approved and installed by a school district computer technician.
- Students may not attempt to gain access to the internal electronics or repair their Chromebook/iPad.
- Students may not alter the base operating system of their Chromebook/iPad (which is known as “Jailbreaking”.) This is prohibited under all circumstances.
- Students may not throw or slide the Chromebook/iPad.
- Insert and remove cords and cables carefully to prevent damage to the Chromebook/iPad.
- Students should use caution when storing Chromebooks/iPads in non-temperature controlled locations such as a vehicle in excessive heat or cold.
- Screens are susceptible to damage from excessive pressure or weight. Students may not place or stack objects on Chromebooks/iPads. Be aware that overloaded backpacks can damage the device.
- Students may not use sharp objects on the Chromebook/iPad.
- Students may not use cleansers of any type to clean the Chromebook/iPad. Use only a clean soft cloth to clean the screen.
- The district recommends that all students taking their assigned device home use an additional protective iPad sleeve and/or a backpack or bag with a protective device compartment to protect the Chromebook/iPad while in transit.

General Operating Guidelines

- The iPad must remain in the case at all times.
- ***All Chromebook/iPads and cases must remain free of any writing, drawing, stickers, decals, or labels that are not the property of the school district.***
- Do not remove or alter school identification or nametags on the Chromebook/iPad or case.
- Do not place anything inside the iPad case/Chromebook (i.e. pen, pencil, disks, paper, books).
- Do not eat or drink while using your Chromebook/iPad. Students who are prone to spills, drops, or other accidents may wish to invest in insurance.
- When using headphones or other accessories, be sure to carefully remove such accessories when finished.

Charging Guidelines:

- At the end of each day, all students who are not taking their devices home must return their Chromebook/iPad to their assigned charging cart, and carefully connect the charger. Only the school district provided charger should be used to charge school district iPads.
- Loaner devices may NOT be available to students who forget to connect and charge their Chromebook/iPad. A limited supply of chargers are available to check out from school libraries/learning commons.
- Failure to charge the Chromebook/iPad is equivalent to not being prepared for class.

Personal Data Storage Guidelines:

- Some apps allow students to complete work offline. However, it is each student’s responsibility to backup all work regularly to their Google Drive. Failure to backup data does not constitute an excuse for missed assignments.
- There is no expectation of privacy for data stored on school district equipment or the Huntingdon Area School District student Google Drive account.
- Back-up important data from your Chromebook/iPad before turning it over for repairs, at the end of the school year, or when requested by a school official.

Internet Usage Guidelines:

- Do not visit inappropriate websites or click on questionable links.
- The use of proxies to bypass school district filtering is not acceptable and violates [School Board Policy No. 815: Acceptable Use Electronic Communications Systems, Devices, Network and Internet.](#)

Cleaning Guidelines

- Do NOT use water or other cleaning solutions on the Chromebook/iPad.
- Clean dirty screens with an anti-static cloth. Do not use tissues, paper towels, or any other kinds of material that will scratch the iPad screen.
- Any further cleaning needs should be reported to the office.

Support Guidelines

- Students are responsible for reporting any technical issues affecting the performance of the Chromebook/iPad to a member of the technical staff or administration. This needs to occur in a timely manner to ensure loaner Chromebook/iPad availability.

- Students with a technical issue should request assistance from the classroom teacher first. If the classroom teacher is unable to resolve the issue, the teacher will contact a district computer technician by filling out a work ticket on the support website.
- In some instances, it may be necessary for a computer technician to access the Chromebook/iPad remotely to resolve a technical problem. If this is needed, the student will be asked for permission before the remote access is performed. The student will not be asked for any permission prior to remote software or configuration changes sent out to all Chromebook/iPad. Such software maintenance may involve the correction of altered code or programming, and in some cases, may remove files from the mobile device if the files are deemed to be a threat to the operation or security of the device and/or the school district network or are stored in unauthorized software. The device will not be used as a surveillance or monitoring tool.
- Students should not attempt any repairs on the Chromebook/iPad themselves. All repairs are to be initiated by a district computer technician.

The school district utilizes specialized tools to monitor and prevent inappropriate use of district technologies. **If students have reason to believe another student is using the school district network or Chromebook/iPad for cyber bullying, other behavior violations or any manner that violates [School Board Policy No. 815: Acceptable Use of Electronic Communications Systems, Devices, Network and Internet](#), please contact the principal or assistant principal.**

Taking Devices Home

To continue learning any time, anywhere, students are permitted to take their assigned devices home for educational use. Students wishing to take their Chromebooks/iPads home must meet the following requirements:

- Students and their parents/guardians have an **Off Campus Usage Form** on file;
- Students and their parents/guardians have submitted a signed **Acceptable Use Policy** form;
- Students must follow all guidelines for acceptable and appropriate use of the device.
- Unless directed by their teacher, students are not authorized to use other student's Chromebooks/iPads. In addition, students are not permitted to allow others to access their assigned district iPad, including family members and friends.
- Students who forget their Chromebooks/iPads at home will not be provided a loaner device and will be considered unprepared for class. This may result in disciplinary action or revocation of off campus privileges.
- Students are responsible for having their Chromebooks/iPads fully charged for the day upon arrival to school.
- Chromebook/iPad internet use will continue to be monitored/filtered, even off campus, with the school's designated program (i.e., Securly).
- All Chromebooks/iPads and cases must remain free of any writing, drawing, stickers, decals or labels that are not the property of the school district.
- The district recommends that all students taking their assigned device home use an additional protective iPad sleeve and/or a backpack or bag with a protective device compartment to protect the Chromebook/iPad while in transit. Students are responsible for the safe transport of the Chromebook/iPad.
- All students have been issued a charger in their homeroom cart/designated Chromebook/iPad storage location. These chargers are not permitted to leave the carts and be taken home. A limited supply of chargers are available to check out from school libraries/learning commons.

The school strongly suggests that students and families purchase insurance for the Chromebooks/iPads. This is not a requirement for off-campus use and remote learning, but families are financially responsible for all repair or replacement costs of the device and accessories if insurance is not purchased.

ELECTRONIC DEVICES GUIDELINES

1. Electronic devices are permitted in the cafeteria during lunch periods.
2. Electronic devices (cell phones and any other device you bring from home) are not permitted for classroom use during instructional time. At the discretion of the classroom teacher, student devices are to be stored in the designated classroom location, or are not to be brought to the classroom.
3. Teachers may use discretion for permitting device use during either instructional or non-instructional

times (i.e. Study Hall).

4. Sound from any electronic device must be contained via headphones/earbuds. Earbuds should not be worn, nor should students be listening to music, in the hallways.
5. Students are not permitted to make and/or receive phone calls on their electronic devices (cell phones) without permission from a teacher or administrator.

Second Offense- Confiscation of device and the student is sent to the office with the device to be held until the end of the school day. A minor discipline referral will be documented. A detention may be assigned.

Third Offense- Confiscation of device. Upon request, the student will deliver the phone to the office. A major discipline referral will be documented. Parent/guardian will pick up the phone in the office. Subsequent offenses may result in electronic device privilege being revoked.

TRANSPORTATION

STUDENT CONDUCT ON BUS

Proper bus riding conduct is essential to the safety of all who ride the bus. The bus driver's first concern is for the safety of the students. If for some reason his/her concentration is disrupted by unruly students, the welfare and safety of all is in danger. The school bus is an extension of the classroom. The school district utilizes the School Wide Positive Behavior Support (SWPBS) program to instruct expectations and positively manage student behavior across all grade levels. The driver of any school bus will be held responsible for the orderly conduct and safety of the students transported.

Prior to the beginning of the school year, student bus numbers, pick up, and drop off locations are assigned. Students are only permitted to ride their designated bus from and to their pick-up and drop off location. All misconduct on the bus will be treated the same as misconduct in the school building; therefore, drivers are directed to report to the principal any misconduct by students which is deemed serious enough for further action. Each driver will establish and post the district bus expectations on rules of his/her bus. Riders will be instructed on what meeting each of these expectations looks like and how they can meet each expectation. It is expected that riders will meet the expectations as instructed. The bus driver will assign all students a seat. The principal may suspend a student from bus transportation for disciplinary reasons, and the parents/guardians shall be responsible for the student's transportation.

Unauthorized Entry of School Buses: Only bus drivers and authorized school personnel are permitted to board a school bus. In accordance with state law, persons who enter a school bus without permission could face up to a year in prison and pay a fine of up to \$2,500.

The school district provides all eligible students with an opportunity to be transported by school bus to and from school. The riding of a school bus by students is a privilege and not a right. Disorderly conduct or refusal to respect the authority of the school bus driver will be sufficient reason for a student to be denied transportation to and from school in accordance with regulations of the local school. Misconduct on the school bus can result in the following after school district investigation:

First Offense:	Warning, Reteaching of Expectations, Change in Assigned Seating and/or Conference with Administration.
Second offense:	Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, and/or removal from the bus for one (1) day. Detention(s) or ISS
Third offense:	Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for no more than three (3) days. Detention(s) or ISS
Fourth offense:	Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for no more than five (5) days.
Subsequent offense(s):	Reteaching of Expectations, Change in Assigned Seating, Loss of Privilege, Implementation of behavior Intervention, Parent Conference and/or removal from the bus for additional days or remainder of the year.

STUDENT DRIVING and PARKING PRIVILEGE

Driving to school is a privilege. Parking on school property is a privilege. The cafeteria parking lot is for staff only. The student parking lot is for seniors only. The gravel parking lot is for staff and first come/first served students. All drivers are expected to abide by safe driving rules and follow the flow of traffic. Students parking in the designated lots without a permit or using the vehicle to break a school rule may result in the following:

First violation -	Verbal warning that parking privileges may be revoked.
Second violation -	Loss of parking privileges for one week.
Third violation -	Loss of parking privileges for forty-five days.
Fourth violation -	Loss of parking privileges for the remainder of the year.

HUNTINGDON COUNTY CAREER AND TECHNOLOGY CENTER (HCCTC) DRIVING PRIVILEGE

Driving to the HCCTC is a privilege. Students who request to drive to the HCCTC must have a valid reason and secure permission from their HCCTC instructor and administration, and the high school administration. Students driving to and from the HCCTC must sign in/out in the main office and enter/exit through the main office doors, unless permanent driving privileges are granted. This privilege may be revoked at any time if school rules are violated.

VEHICLE SEARCHES

A. The school district retains the authority to conduct routine patrols of student parking lots and inspections of the exterior of student vehicles on school district property, including by means of dog searches. Such patrols and exterior inspections may be conducted without notice, without student consent, and without a search warrant.

B. The interiors of student vehicles may be inspected whenever school officials have reasonable suspicion to believe that illegal, unauthorized contraband or otherwise prohibited materials are contained inside or in the event such materials are in plain view upon inspection of the vehicle's exterior. When the school district wishes to inspect the interior of a student's vehicle, the following guidelines are to be followed:

1. Where a school official has reasonable suspicion or has made an observation in plain view, the student shall be notified and given the opportunity to be present for the inspection of the interior of the vehicle. However, where there is reason to suspect that the student vehicle contains material, which poses an immediate threat to the health, safety, or welfare of the student or staff, the student vehicle may be searched without prior warning.
2. Searches of student vehicles may be conducted by law enforcement officials or upon properly executed search warrants presented to school officials, or the intelligently and voluntarily given consent of the student.
3. Where the interior of a student vehicle has been subject to a search, the parents of the student shall be notified as soon as practicable after the search has been conducted.

4. In the event a student refuses to permit a search of their vehicle, after the school district finds reasonable suspicion for the interior search, the student shall be subject to discipline under the school district's student code of conduct. The school district reserves the right to immediately notify the student's parents and/or proceed to contact law enforcement authorities to execute a search warrant for the search of the interior of the vehicle.

C. If the results of the search produce evidence of drug or alcohol possession, theft of school equipment or supplies, or possession of a weapon, the student in control of the vehicle will be appropriately referred to civil or criminal authorities for prosecution.

CAFETERIA

The cafeteria is operated for the convenience of students of the high school. Students using the cafeteria are expected to conduct themselves in an appropriate and reasonable manner. Students are not permitted to eat lunch in the learning commons or any other classroom.

1. All food & drink must be consumed in the cafeteria and not carried to other parts of the building (exception: the Grab and Go Cart is available each morning for breakfast from 7:30-7:50 AM.)
2. Students who carry lunches will eat in the cafeteria.
3. Students that go to the cafeteria must get in line immediately if they plan to eat.
4. After eating, students must stay in the cafeteria.
5. Students must be in their designated area and are not permitted to be roaming the hallways during lunch times.

CAFETERIA EXPECTATIONS

1. Throwing of food, utensils or any objects during lunch will not be tolerated.

Violation of this policy will result in:	1st offense	1-2 detentions and/or cafeteria clean-up
	2nd offense	2-4 detentions and/or cafeteria clean-up
	3rd offense	1-3 days ISS and/or cafeteria clean-up

CHARGING PROCEDURE

1. Pricing for the cafeteria is listed on the school district website.
2. There will be a \$20.00 service charge for any check or E-fund transaction returned from a bank for any reason.
3. A limit of one lunch will be enforced for charging.
4. Students with a negative balance will not be permitted to purchase a lunch or any a la carte item until the entire negative balance has been paid in full.
5. Charging procedures apply to breakfast meals and lunch meals.
6. Cashiers will notify students when their account has a negative balance.
7. Graduating seniors will not receive their diploma until all monies due to the cafeteria are paid in full. Graduating seniors should request refunds from their lunch account through the cafeteria office by the last day of school.
8. Due to excessive negative balances in the past, no charging will be allowed during the last two weeks of school.
9. Balances from each school year will be carried over into the next school year for underclassmen.

SCHOOL-HOME COMMUNICATIONS

The school district is using Skyward to strengthen communications between the student's home and school. Parents will be able to access Skyward to more effectively track their child/children's academic progress and attendance. It is important that families keep the information in the Family Access Portal updated, especially contact information such as phone numbers, email, addresses, and preferences for notification. In addition, the

school website, social media platforms (Facebook and Twitter), and Skylert auto-caller/text messaging system, are frequently updated and/or used to communicate information and reminders to families.

EXTRACURRICULAR ACTIVITIES

PHILOSOPHY

The primary purpose of the extracurricular activities in the Huntingdon Area School District is to promote the physical, social, emotional and moral well being of the participants. It is hoped that extracurricular activities in our schools will be a positive force in preparing youth for an enriching and vital role in American life.

All extracurricular activities are an important and integral part of the total school program and are open to participation by all students regardless of individual differences. Through voluntary participation, the student gives time, energy and loyalty to the program. He/she also accepts the training rules, regulations and responsibilities that are required when participating in extracurricular activities.

PIAA

The high school and the middle school in the Huntingdon Area School District are members of the Pennsylvania Interscholastic Athletic Association (PIAA) and subscribe to the philosophy and intent of its by-laws. The PIAA by-laws that pertain to age, awards, attendance, health, transfers and residence, participation, representation, curriculum and seasonal rules will be followed. Each coach is responsible for knowing the rules, informing team members and parents of them, and for enforcing them.

Academic eligibility for extracurricular and athletic activities are based on the premise that academic performance is the keystone of the curriculum and the standard upon which participation is measured. Pennsylvania Interscholastic Athletic Association (PIAA) eligibility requirements will be followed along with the HAHS eligibility requirements. These eligibility requirements are applicable for all extracurricular and athletic activities.

1. Students must pursue a full-time curriculum defined and approved by the administration.
2. Eligibility will be cumulative from the beginning of a grading period and will be reported on a weekly basis.
3. Students who are failing (below 60%) two or more courses will not be eligible to participate in practice or scheduled events for the following week. If a student is deemed ineligible, they are not permitted to participate in athletic events from Sunday to Saturday.
4. A student that has failed two or more classes during the previous grading period, except that eligibility for the first grading period is based on the final grades from the preceding school year, will be ineligible for 15 school days of the next grading period, beginning on the first day of the next marking period.

ATTENDANCE

A student must be in school by **9:38 AM** in order to participate in any extracurricular contest/practice that day. If a student has an early release, the student must be present for five (5) periods in order to participate in any extracurricular contest or practice. An exception will be made if the student has an approved appointment; in which case, the student must present a signed statement regarding the absence one day in advance.

If a student is absent the last school day of the week, and the competition is on a non-school day, the student must have coach and parent permission to participate. It is recommended that the coach call the parent regarding the absence.

If a student is absent from school during a semester for a total of twenty (20) or more school days, the student will lose his/her eligibility until he/she has been in attendance for a total of forty-five (45) school days following his/her twentieth day of absence.

SPORTSMANSHIP

All extracurricular participants in the Huntingdon Area School District must keep in mind that they are always in the public eye and that their personal conduct will always be subject to the scrutiny of their fellow students, fans, opponents, and the media. They, therefore, have an obligation to serve as positive role models by subscribing to the following:

1. Showing respect for authority and property.
2. Maintaining academic eligibility and training rules.
3. Emphasizing the ideals of sportsmanship, loyalty, ethical conduct, and fair play.
4. Understanding that striving to excel is important to success in extracurricular activities just as in every facet of life.

Any display of unsportsmanlike behavior toward an opponent, official or spectator during the season will result in counseling by the advisor, coach, or administration and possible suspension from participation.

TRAVEL

Extended trips are defined as any travel that requires an overnight stay. Students must travel to and from contests, away from Huntingdon, in transportation provided by the school. The only exceptions are:

1. Injury to participants that would require alternate transportation.
2. Prior arrangement made in writing between the participant's parent/guardian and the advisor or coach for the student to ride with the parent/guardian or another approved parent.
3. When school transportation is not provided and alternative means are approved.

EQUIPMENT & UNIFORMS

Equipment and uniforms are issued to students on a loan basis and are to be worn only when authorized by the advisor and coach. If any of the equipment is not returned at the conclusion of the season, an obligation will be issued to the student for the fair cost of replacement. Until the obligation is resolved, the student will not be permitted to participate in any future activity.

PRACTICES & CONTESTS

Each member of any extracurricular activity is required to make a commitment to that group during the season. Part of the commitment involves being at every scheduled practice and contest throughout the season. Unexcused absence(s) from scheduled practices/contests will result in:

1. Counseling by the advisor or head coach and notification of parents, if necessary
2. Suspension from the extracurricular activity and possible dismissal for the remainder of the season if subsequent violations occur.

A student who has been injured and has had medical treatment cannot participate until medical clearance has been granted.

3. Any civil law infraction or conduct by a student that occurs during a season that is determined by the administration, advisor or head coach to be detrimental to the extracurricular program, or the school district, will result in counseling by the school administration, advisor or head coach and possible suspension/dismissal from the group.

COMPLETION OF SPORTS SEASON

In order for the student-athlete to be eligible for a letter and team and/or individual awards, it is required that he/she complete the sports season, including post-season playoffs and tournaments as well as meet the qualifications set forth by the head coach. No awards will be given to any student-athlete suspended and/or dismissed for the remainder of the season for violations.

STUDENT CONDUCT POLICY

Violations of the Huntingdon Area School District "Student Conduct Policy" which require administrative action will be handled in accordance with the provisions of the policy.

1. If a violation involves a suspension, then said athlete will be suspended from practices/contests of that team for those days.
2. If a violation involves a detention then said athlete may participate in practices/contests on that day at the coach's discretion.
3. No disciplinary leniency will be granted based on a student's participation in extracurricular activities.

SUBSTANCE USE/ABUSE & POSSESSION

The use and/or possession of controlled substances/drug paraphernalia not prescribed by a doctor are absolutely forbidden. Coaches must immediately notify the athletic director of such occurrences.

The Pledge:

I agree to refrain from the possession, use, and distribution of any tobacco products, drugs (unless prescribed), alcohol, and controlled substances, both on and off school grounds, during the school year. If it is verified that I have used any of these substances, I understand that the aforementioned consequences will apply.

SCHOOL SPONSORED ACTIVITIES

School sponsored activities include but are not limited to field trips, semi-formal, and prom. Students must be in good academic standing, owe no detentions, nor have had ISS or OSS (within the month prior) in order to attend these events. A student is not in good academic standing if he/she is failing two or more classes prior to the school sponsored event. School attendance will also be considered in order to attend school sponsored activities. At the discretion of the administration students in violation of the following attendance guidelines may not be permitted to participate in the semi-formal and prom dances, as well as graduation ceremonies.

The recital of the Pledge of Allegiance will be led by a student via the public address system and done in unison throughout the school. A student may decline to participate in the Pledge of Allegiance but must remain respectfully standing and silent so that others may participate. The CST encompasses parent(s), a regular education teacher, special education teacher, school psychologist, building administrator, guidance counselor, and the Director of Pupil Services. The district's therapist(s): occupational, speech/language, and/or physical therapist, as well as consultants, may also participate as deemed necessary. Any agency representatives that are involved with the child are also invited to be a member of the CST process.

The CST process has assisted our district with providing screenings in various areas (cognitive, emotional, social, and communication). Parents and teachers may request a CST meeting at any time. The CST may recommend interventions, further screening, and/or a referral for a multidisciplinary evaluation (MDE) to determine eligibility for special education as a student with a disability.

CST members review the student's history, including any pertinent medical or health information as well as school attendance. Pre-referral interventions and assessment data are reviewed. The team may determine that additional interventions are warranted and would reconvene, or a Prior Written Notice for Initial Evaluation and Request for Consent Form and Procedural Safeguards would be issued to the parents. Once the Prior Written Notice for Initial Evaluation and Request for Consent Form is received, the Huntingdon Area School District abides by the information as stated in the form. After the evaluation results are gathered, a Multidisciplinary Evaluation Team meeting is convened. The team consists of parent(s)/guardian, school psychologist, Director of Pupil Services, regular education teacher, special education teacher, guidance counselor, and therapists (as deemed necessary). The MDE team reviews all of the information to determine by consensus if the student is a student with a disability and in need of special education services.

CHAPTER 14: Special Education

A child with a disability means a child who, as the result of a multidisciplinary evaluation, is determined to meet the criteria in one or more of the following categories: intellectual disability, hearing impairment including deafness, speech or language impairment, visual impairment, including blindness, serious emotional disturbance, orthopedic impairment, autism, traumatic brain injury, other health impairment, specific learning disability, deaf-blindness, or multiple disabilities and who is determined to need special education services. Students determined eligible for special education services will receive an Individualized Education Plan (IEP) based on their needs. The program to which a student with a disability is assigned shall be one that provides an appropriate education, seeks to assure success in learning, and offers the least restrictive environment, in accordance with federal and state regulations.

CHAPTER 16: Gifted Support

The policy for identification as gifted for students in the Huntingdon Area School District will require students to meet the following criteria: an IQ of 130 or higher who meets established multiple criteria indicating gifted ability or a school-aged student with an IQ score lower than 130 when other educational criteria strongly indicate gifted ability. Determination of mentally gifted must include an assessment by a certified school psychologist. Gifted education for each identified student is based on the unique needs of the student, not solely on the classification. Gifted education services enable identified students to participate in acceleration and/or enrichment programs, and to receive services appropriate to their intellectual and academic abilities and needs. Eligibility for gifted support is evaluated on a case-by-case basis.

Homelessness

The McKinney-Vento Homeless Assistance Act defines the term “homeless children and youths” as individuals who lack a fixed, regular, and adequate nighttime residence. The Huntingdon Area School District works to ensure that homeless students have the same educational programs and services provided to other district students.

The McKinney-Vento Homeless Assistance Act can help provide school stability for your child if you do not have a permanent home and are:

- Staying with friends or family because you lost housing.
- Living in a shelter, including transitional programs.
- Staying in motels because you cannot get your own home.
- Living on the streets, in a car, van, tent or other nonpermanent structure.

If you believe your family may qualify for additional support under the McKinney-Vento Homeless Assistance Act, please contact the district Homeless Liaison, Nancy Mills, at nmills@huntsd.org or (814) 641-2104 for more information.

CHAPTER 12: Overview of K-12 ESL Program

The goal of the Huntingdon Area School District’s English as a Second Language (ESL) programs is to facilitate the acquisition of English language skills of students whose native or first language is not English. Upon enrolling into the school district, all families will complete a Home Language Survey (HLS). As a result of the survey, students whose first language is a language other than English or if a language other than English is spoken in the home, the student will be assessed in English proficiency in reading, writing, listening, and speaking. A program will then be developed to meet the student’s individual needs, dependent upon the assessment results.

Annual Public Notice of Special Education Services and Programs, Services for Gifted Students and Services for Protected Handicapped Students August 2025

Notice to Parents

According to state and federal special education regulations, annual public notice to parents of children who reside within a school district is required regarding child find responsibilities. School districts (SDs), intermediate units (IUs) and charter schools (CSs) are required to conduct child find activities for children who may be eligible for services via Section 504 of the Rehabilitation Act of 1973. For additional information related to Section 504/Chapter 15 services, the parent may refer to Section 504, Chapter 15, and the Basic Education Circular entitled Implementation of Chapter 15. Also, school districts are required to conduct child find activities for children who may be eligible for gifted services via 22 PA Code Chapter 16. For additional information regarding gifted services, the parent may refer to 22 PA Code Chapter 16. If a student is both gifted and eligible for Special Education, the procedures in IDEA and Chapter 14 shall take precedence.

This notice shall inform parents throughout the school district, intermediate unit, and charter school of the child identification activities and of the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children. In addition to this public notice, each school district, intermediate unit, and charter school shall publish written information in the handbook and on the web site. Children ages three through twenty one can be eligible for special education programs and services. If parents believe that the child may be eligible for special education, the parent should contact the appropriate staff member identified at the end of this public notice.

Children ages three to school-age may be eligible for Early Intervention services if they are experiencing developmental delays. Developmental delays, as defined by the State and as measured by appropriate diagnostic instruments, include a 25 percent delay or a test performance of 1.5 standard deviations below the

mean on a standardized assessment in one of the following developmental areas: physical development, cognitive development, communication development, social or emotional development or adaptive development. A young child may also be deemed eligible if they are determined to have a diagnosed disability as defined by PA Chapter 14 regulations. Eligibility for Early Intervention services is two-pronged. The child must be diagnosed with a developmental delay or a diagnosed disability and display a need for specially designed instruction. Specially designed instruction means adapting the content, methodology, or delivery of instruction to address the unique needs of the child and to ensure access to the general education curriculum.

Evaluation Process

Each school district, intermediate unit, and charter school has a procedure in place by which parents can request an evaluation. For information about procedures applicable to your child, contact the school which your child attends. Telephone numbers and addresses can be found at the end of this notice. Parents of preschool age children, age three through five, may request an evaluation in writing by addressing a letter to the intermediate unit staff.

Consent

School entities cannot proceed with an evaluation or reevaluation, or with the initial provision of special education and related services, without the written consent of the parents. For additional information related to consent, please refer to the Procedural Safeguards Notice which can be found at the PaTTAN website, www.Pattan.net or your educational agency. Once written parental consent is obtained, the district will proceed with the evaluation process. If the parent disagrees with the evaluation, the parent can request an independent education evaluation at public expense.

Program Development

Once the evaluation process is completed, a team of qualified professionals and parents determine whether the child is eligible. If the child is eligible, the individualized education program team meets, develops the program, and determines the educational placement. Once the IEP team develops the program and determines the educational placement, school district staff, intermediate unit staff, or charter school staff will issue a notice of recommended educational placement/prior written notice. Your written consent is required before initial services can be provided. The parent has the right to revoke consent after initial placement.

Confidentiality of Information

The SDs, IUs and CSs maintain records concerning all children enrolled in the school, including students with disabilities. All records are maintained in the strictest confidentiality. Your consent, or consent of an eligible child who has reached the age of majority under State law, must be obtained before personally identifiable information is released, except as permitted under the

Family Education Rights and Privacy Act (FERPA). The age of majority in Pennsylvania is 21. Each participating agency must protect the confidentiality of personally identifiable information at collection, storage, disclosure, and destruction stages. One official at each participating agency must assume responsibility for ensuring the confidentiality of any personally identifiable information. Each participating agency must maintain, for public inspection, a current listing of the names and positions of those employees within the agency who have access to personally identifiable information.

In accordance with 34 CFR § 300.624, please be advised of the following retention/destruction schedule for the Pennsylvania Alternate System of Assessment (PASA), Pennsylvania System of School Assessment (PSSA), and Keystone Exam related materials:

- PSSA, Keystone Exam, and PASA test booklets will be destroyed one year after student reports are delivered for the administration associated with the test booklets.
- PSSA and Keystone Exam answer booklets and PASA media recordings will be destroyed three years after completion of the assessment.

For additional information related to student records, the parent can refer to the Family Education Rights and Privacy Act (FERPA).

SAFETY

ASBESTOS NOTIFICATION - 2025-2026 School Year

The Huntingdon Area School District is providing information to you concerning the asbestos management plans required under the Asbestos Hazard Emergency Response Act (AHERA). These plans are available for your review upon request. A copy of the plans for all buildings is located in the superintendent's office, which is located at 2400 Cassady Ave., Huntingdon, Pennsylvania 16652; telephone number (814) 643-4140. The plans can be viewed by any person during normal business hours. Interested parties wishing to inquire about the hours and times that plans are available should call the telephone listed above. The asbestos management plans provide information regarding six month inspections, third year re-inspections and response actions.

FIRE REGULATIONS

A fire drill may be called at any time. Fire drills are very important, for the lives of many students may depend on their success. When the fire alarm sounds, it is a signal for the students to line up and walk quickly and quietly to the exit, which has been indicated for the particular room in which students are located. Information concerning assigned fire exits is posted in every room. The auditorium, cafeteria, and gymnasium have their own plainly marked exits.

The first student to reach any outside door will open the door and hold it open until the last person has left by that door. Then the door should be closed. All windows and doors should be closed. Teachers and students will move to an assigned area well away from the building and will remain orderly. The teacher will take his/her

iPad or device to take attendance in Navigate when everyone is out of the building. Once students are accounted for teachers will be radioed by administration to return to the building.

INTEGRATED PEST MANAGEMENT PARENTAL NOTIFICATION

The Huntingdon Area School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary, and will not be routinely applied. Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parents or guardians of students enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you must be placed on the school's notification registry. If you would like to be placed on this registry, please notify the district in writing. Please include your e-mail address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem, notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and antimicrobial products; self-containerized baits placed in areas not accessible to students, and gel type baits placed in cracks, crevices or voids.

Each year the district will prepare a new notification registry. If you have any questions, please contact the IPM Coordinator at (814)643-4140, ext. 2124.

ACCESS TO STUDENTS RECRUITING INFORMATION UNDER THE EVERY STUDENT SUCCEEDS ACT OF 2015 AND THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

All local educational agencies must provide military recruiters or institutions of higher education, upon request, access to secondary school students and directory information on those students. This "directory information" can routinely be disclosed and includes such items as names, addresses, and telephone numbers and is information generally not considered harmful or an invasion of privacy under FERPA. The release of directory information for secondary male and female students is for the purpose of armed services recruiting or for informing young people of scholarship opportunities.

Under FERPA and Section 9528 of the Every Student Succeeds Act, parents may request their student's name, address and telephone listing described in the preceding paragraph be excluded from the list provided to military recruiters or institutions of higher education and that this information not be released without prior written parental consent. All incoming ninth grade students will be given a form, which parents should sign and return, if they choose to opt out of routine disclosure of directory information. This will remain in effect unless written parental consent for the information to be disclosed is received by the High School Guidance Office.
