Miss Holly A. Boyles,  
Secondary Principal

Mr. Adam J. Glasgow,  
Assistant Principal

Dear Bearcat Families,

I am very pleased to announce that we have hired Mr. Darin Harman to fill our open position in the Business department at Huntingdon Area High School beginning on September 16, 2025. Mr. Harman is a HAHS graduate, and we are thrilled to have him as a part of our team. Please see below for a brief introduction from Mr. Harman:

"My name is Darin Harman, and I am excited to introduce myself as the new Business Teacher at Huntingdon Area High School. I am honored to have the opportunity to work with your children and help them develop skills that will serve them far beyond the classroom. While this is my first year teaching, I bring with me five years of experience running my own business, buying and selling sports cards, as well as recent experience in real estate, including successfully flipping my first home. These entrepreneurial experiences have given me practical insight into the challenges and rewards of business ownership, which I am eager to share with my students. In addition to teaching, I am a volunteer junior high football coach and assistant junior high boys' basketball coach.

In my classroom, students will explore real-world topics such as financial planning, budgeting, saving & investing, and banking, with an emphasis on hands-on learning and problem-solving. My goal is to not only teach them the fundamentals of business but also to foster confidence, creativity, and critical thinking."

Mr. Harman brings a unique perspective and real-world experience to the classroom, providing our students with vast learning opportunities in the realm of business education. We look forward to a successful school year for your students in Mr. Harman's classroom.

Sincerely,

*Miss Holly Boyles*  
High School Principal
