

Huntingdon Area High School Prom 2026
Held at Lake Raystown Resort, Conference Center
3101 Chipmunk Crossing, Entriken, PA 16638
(814) 658-3500

Dear Huntingdon Area High School Prom Friends & Family,

We are excited to host the Huntingdon 2026 Prom!

We have implemented a few procedures to help make parking more efficient and convenient for Prom attendees. We are asking for your cooperation in making this event a success for your students.

Parking passes (1 per car) will be distributed to the students that have purchased Prom tickets. Vehicles that have the provided Lake Raystown Resort parking pass displayed on their rear view mirror will be permitted to park at the Conference Center beginning at 4:30pm on Friday, May 15, 2026.

We ask that family & friends of students that are attending the Prom use the parking spaces at the Lodge or in any of the upper Resort Center parking lots. The Conference Center is a short walk from either of these parking locations. Please keep the Resort Center front lot open for RV & Resort Guest check-ins.

Our security team will be available to direct Prom attendees to the premium parking locations and also to help direct friends & family to the closest visitors parking locations.

We encourage friends & family to carpool.

Looking forward to hosting a memorable 2026 Prom!

Best regards,

Lake Raystown Resort
