August 10, 2026

Dear Standing Stone Families,

Summer is quickly passing, and we are excited to welcome everyone back for the 2026–2027 school year! Our faculty and staff have been working diligently to prepare for a successful year of learning and growth. The first day of school will be **Thursday, August 20**.

Beginning-of-the-year paperwork will be sent home with your child on the first day and should be completed and returned promptly. It is **essential** that we have updated contact information on file in case of an emergency.

If your child will be a **walker or a parent pick-up on the first day**, please send a written note to ensure a smooth dismissal process.

The **Standing Stone team is committed** to making this school year a positive and successful experience for your child. To help your child get the most out of their school experience, we encourage **strong communication and collaboration** between home and school. Your involvement—by creating a positive learning environment at home and supporting school expectations—will make a meaningful difference.

If you have a question about your child's homeroom placement, please contact the main office at **814-643-0771**, or reach out to Mr. Miller through **Seesaw**.

We are also thrilled to welcome several new staff members and transfers to our Standing Stone family this year. Please join us in welcoming the following educators and support staff:

- Ms. Cramer - 5th grade
- Mrs. Hartsock - 5th grade
- Mrs. Grubb - 2nd grade
- Ms. Ross - 2nd grade
- Ms. Donnelly - Emotional Support
- Mrs. Lear - co-teacher
- Ms. Stangel - Art

We are confident these individuals will be wonderful additions to our already dedicated team.

We wish you and your child a wonderful school year ahead. If you have any questions or concerns, please feel free to contact me at **814-643-0771 ext. 4207**.

We can't wait to see your Bearcat!

Warm regards,

John M. Miller
